NOTICE TO CAPITALISTS.

I SHALL Proceed to sell to the highest bidder for cash, at the Court House door in the Town of Louisburg, on the 1st Monday in November next, it being the 7th day of the month, about Twenty or Twenty-five Thousand Acres of valuable Land, among which is the well known Portis Gold Mine, lying in Franklin county on the waters of Fishing and Shocco Creeks, containing nine hundred thirty-three and one-third (933⅓) acres together with all the Machinery and appurtenances.

Also all the chattle property. This property is so well known that any particular description is deemed unnecessary. The entire tract is rich in Gold, and all the difficulty is a full supply of water. We are informed that an Independent Water Company is now surveying a ditch from Sandy Creek to supply this and other Mines in the neighborhood with water. When this is done, and it will be accomplished in a few weeks, this property will be immensely valuable. The property will be sold for cash and unless parties from a distance come in competition, it must be greatly sacrificed.
