NOTICE TO CAPITALISTS.

I SHALL Proceed to sell to the highest bidder for cash, at the Court House door in the Town of Louisburg, on the 1st Monday in November next, it being the 7th day of the month some Twenty or Twenty-five Thousand Acres of valuable Land, among which is the well known Portis Gold Mine, lying in Franklin county on the waters of Fishing and Shocco Creeks, containing nine hundred thirty-three and one-third (933⅓) acres together with all the Machinery and appurtenances.

Also all the chattle property. This property is so well known that any particular description is deemed unnecessary. The entire tract is rich in Gold, and all the difficulty is a full supply of water. We are informed that an independent Water Company is now surveying a ditch from Sandy Creek, to supply this and other Mines in the neighborhood with water. When this is done and it will be accomplished in a few weeks, this property will be immensely valuable. The property will be sold for cash and unless parties from a distance come in competition, it must be greatly sacrificed.

E. A. GUPTON, Sheriff
for Franklin County.

DUNN'S PATENT COTTON TIE.

WE ARE TO ANNOUNCE that we have been appointed Sole Agents for the sale of the above Tie in Virginia and North Carolina. The introduction it gave last season wherever used, warrants us in recommending it as the best tie for introduction. It combines the advantages of both rope and wire, and is entirely free from objections. Besides this it is one of the cheapest of the best in the open ties of bagging, as sacks are avoided.

We shall have our supply stored from the manufactory in Baltimore for delivery in July or August, and at lowest market rates.
