SATURDAY, NOVEMBER 26, 1870.

HON. BEDFORD BROWN.

We publish elsewhere a letter from Hon. Bedford Brown. It was far from our intention to put this distinguished patriot and statesman to a false or labellcate position before the public. We had something to do with his visit to Washington; there was no man of good heart or honest purpose in the State who was not rejoiced at his going, and approved it heartily.

A distinguished Republican, some time before the election, wrote to Hon. Washington all about the Holden-Pool-Abbott conspiracy against the people of the State, and their purpose to carry the election by the sword. This Republican suggested that a committee of gentlemen be sent from this State to confer with the President and disabuse his mind of the false impressions made on it by Pool, Holden, Settle and Company. We submitted the letter to Gen. R. W. Ransom, Judge Merriman, Gov. Bragg, Judge Settle and other friends, who agreed on the propriety of sending Gov. Graham, Mr. Brown and others to see the President in regard to North Carolina affairs.

Before letters could reach all the gentlemen suggested, it was announced that the President would leave Washington to be present at a trotting match at Long Branch, or somewhere else, and Mr. Brown went on immediately, in advance of Gen. Ransom and Gov. Graham who had been applied to to go with him.

It was hardly necessary for us to have said this much in explanation. Every good man in the State rejoiced at the action of Mr. Brown, when the peace, good order and safety of the State were so violently imperiled by Kirk, Holden and Burgin with their army of desperadoes.

"KEEP'S YOUR MULE"

Mr. Phillips, radical candidate for the Legislature in this county, is reported to us as appearing at Lashley's Cross Roads, on Wednesday, mounted upon a mule.—Sheriff High saw him next day, at Holly Springs, on the same animal.

An old colored man complained heavily, that "Mr. Phillips had jined the party since 'lodder pulling time,' and he had been in it from de fust, yet Mr. Phillips had dun got his seats while he (the old darkey) had got nashin." We can only say to the old colored voter that "kissing goes by favour." Mr. Phillips went in for the kissing,—or the office. We second the proposition of a friend at the "protracted meeting," Thursday night, namely, if Mr. Phillips is beaten for the Legislature, to run him on the Radical ticket for coroner like at the next city election. He already has the mule; he must ride him into some office.

If Mr. Phillips got the mule through the party; or if it was sent on from Washington, "right side up, with care, freight paid," with the $2500, to aid in carrying Joe through this election, we suggest that, as soon as the election is over, Mr. Phillips ought to turn the mule over to Friday Jones, Pardie, or John Sears, to graze on capital square until another campaign should require its services.

The white men ought not to take all the money and the mules, too, from the negroes. The negroes don't think this fair; and either envy of Mr. Phillips and his mule, or something else, prevented the negroes turning out to hear him at Holly Springs. There were only four colored men and twenty one whites—all told—including Tim Lee and ex-Sheriff High, out to hear Mr. Phillips at Holly Springs, and every one of the white men, except Timothy, will vote against Mr. Phillips and for Dr. Dunn.

The effects of the war and reconstruction are not indeed upon the country. The war demoralized and corrupted the virtue of many; reconstruction demoralized many more. Gen. Longstreet, Gen. Clingman, Gen. Pitt. Hamilton, Gen. Barringer, Gen. Wiley P. Mangum, Gen. Scott, Sergeant Jno. Quartermaster Bateman, and Attorney General Phillips, have all been shaken by it.—Let Mr. Phillips, who stood the war better than his neighbors, ride his mule through the campaign, and when the race is closed, as it will be to-day, whether successful or unsuccessful, let him, without any more personal reference to Mr. Phillips, thank your souls!

LEGISLATURE

In the House yesterday, after the interchanging of a compliment or two on Enrolling Clerk, a ballot was procured covering the seat of Mr. Bellamy of Madison, by a Mr. Bailey of that county. After some discussion, a committee of which was appointed to take the subject into consideration and report to-day.

Mr. Welch offered a resolution calling a special committee of five to investigate the Alamance and Orange outrages, which lead to close the session.

The bill to abolish the office of State Printer passed its second reading.

Mr. Gilmer introduced a bill to incorporate the People's Building and Loan Association of the town of Salem; referred.

By Mr. Warren: To amend the charter of the town of Washington. On motion the rules were suspended and the bill was put on its several readings, it passed its second reading, when

G. W. Price, (colored) moved to amend the 4th section (which designated Registrars of Elections) so as to provide that the County Commissioners shall appoint the Registrars. The amendment was rejected and the bill passed its third reading.

By Mr. Speed: To amend the charter of the town of Elizabeth City. On his motion the rules were suspended in order to put the bill on its several readings. The bill passed its first reading and

Mr. Moore of Carteret opposed its passage on the ground that it was unconstitutional, and moved to lay it on the table. After some discussion the motion prevailed.

By Mr. Jones of Mecklenburg: To appoint a Commissioner to take election depositions in the Senatorial District composed of Granville and Pearson counties; placed on Calendar.

By Mr. Worth: To enlarge the powers of County Commissioners. Referred.

ENROLLING CLERK.

The Senate proceeded to execute the joint order, to wit: Election of Enrolling Clerk. Dr. Wilson of Haywood, received a majority of the whole number of votes cast and was declared elected.

ENGROSSING CLERK.

The Senate agreed to go forthwith into the election of Engrossing Clerk. Capt. West, of Forsyth, received a majority of the whole number of votes cast and was declared duly elected.

ASSISTANT.

By Mr. Lowe: A joint resolution authorizing the Secretary of State to purchase a sufficient amount of stationery necessary for the use of the General Assembly for the next 60 days, which passed its several readings under a suspension of the rules.

By Mr. Smith, of Alamance: A resolution for the relief of Albert Murray, Sheriff of Alamance, which was engrossed and passed its several readings under a suspension of the rules.

On motion of Mr. Dargan, a Committee of three were appointed to state rules for the Government of the Senate and to report with a Joint Committee on rules for both Houses.

The President designated Messrs. Dargan, Lemmon and Graham, as the Committee.

By Mr. Lemmon: A resolution authorizing the Secretary of State to furnish the Senate Library with 12 copies of the laws of 1869-'70, which was adopted.

By Mr. Lemmon: Resolution requesting the President of the Senate to invite the Ministry to open the sessions with prayer. Adopted.

On motion, the Senate adjourned.

HOUSE OF REPRESENTATIVES.

FRIDAY, Nov. 25, 1870.

Pursuant to adjournment, the House was called to order at 10 o'clock.

Mr. Speaker Jarvis in the Chair.

Prayer by Rev. Mr. Nicholson of the House.

After the reading of the journal, Messrs. Darden and Regan appeared, qualified and took their seats.

Messrs. Lucas and Sykes were announced as being detained from their seats by sickness.

BILLS.

By Mr. Gregory: A bill to abolish the office of State Printer and for other purposes.

By Mr. Justice: A bill to fix the *per diem* and mileage of the members of the General Assembly. (The bill provides $5 per day for presiding officers of the two Houses and $3 per day for members, Clerks and Doorkeepers, and fixes the mileage at 10 cents per mile.)

The bill was ordered to be referred to the Committee on Salaries and Fees when raised.

Mr. York gave notice of his intention to introduce a bill in reference to salaries and fees.

On motion of Mr. Welch, a message was sent to the Senate, that the House would go into the election of an Enrolling Clerk at 12 o'clock.

Mr. Johnston, of Buncombe, presented a memorial from Mr. Kelsey of Madison setting forth the illegality of the certificate of the present member from that county, (Mr. Rollins.)

Mr. Johnston moved that the memorial and accompanying documents be referred to a special committee of 5 with instructions to report to-morrow morning.

Mr. Justice moved to amend, by referring the matter to the committee on Privileges and Elections when raised.

Mr. Johnston objected to the amendment on the ground that much unnecessary delay would ensue if such a course was adopted. He thought his proposition would be acceptable to both the gentlemen interested, as speedy justice would be rendered.

Mr. Crawford also favored a speedy adjustment of this matter. He thought that a sound economy dictated an immediate settlement of all such cases. He could not, he gave notice, that if this case was allowed to linger day after day, vote per diem and mileage for both members. He thought while justice should be strictly meeted to both gentlemen, the interest of the State should be properly looked after, &c.

Mr. Johnston concurred heartily with Mr. Crawford as to the economy that should be exercised in such cases and regarded it as a most powerful reason why his proposition should be concurred in.

Mr. Justice demanded the yeas and nays on his amendment. The call was sustained and the amendment rejected, by a vote of yeas 33, nays 61.

Mr. Crawford moved then to increase the number of the committee to 7.

Mr. Johnston accepted the amendment and the original motion as amended was then adopted.

The report of the Code Commissioners was presented and read.

The Chair announced Messrs. Dunham, Harris of Franklin, Crawford, Justice, Broadfoot, Gregory and Darden as the committee on the Madison contested election matter.

By Mr. McAfee: A bill in favor of J. O. Bridges, Tax Collector of Cleaveland county.

On motion of the same the rules were suspended and the bill passed its several readings.

A message was received from the Senate concurring in the proposition to go into the election of an Enrolling Clerk.

By Mr. Welch: A resolution raising a special Committee of five, to investigate the outrages and intimidation practiced upon the people of Alamance county by an armed band, both before and during the election. The resolution took its place on the Calendar.

Mr. Ashe gave notice that he would on to-morrow introduce a bill in reference to the city of Wilmington.

By the same: A bill declaratory of the meaning of the act entitled "An act to repeal certain acts passed at the session of 1868 and 1869, making appropriations to certain Railroad Companies, ratified 8th of March 1870."

The bill was read and placed on the Calendar.

A message was received from the Governor, transmitting the annual report of Dr. E. Grissom, Superintendent of the Insane Asylum.

The report was referred to the Committee on the Insane Asylum.

Mr. Welch wished to know by what authority the printing of the Code Commission report and the report of the Superintendent of the Insane Asylum, was done.—He thought the proper manner was to present the reports and then the House would take such steps in regard to the matter as it thought proper. He wished to see this extravagance checked. Our people were too poor and had been too much imposed upon to allow a set of men, now to crowd the desks of members with a mass of printed matter for which the people are heavily taxed to pay for. Mr. W. concluded by moving to suspend the rules and take from the calendar the bill to abolish the office of State Printer. The motion was put to a vote and adopted.

[The bill provides for the abolishment of the office and the raising of a joint select Committee, two from the House and one from the Senate, whose duty it shall be to award the contract to some responsible party.]

Mr. Justice moved the addition of a proviso, that the Committee should award the contract to the lowest responsible bidder.

Mr. Strudwick thought the members of that Committee would be men of integrity, and would take ample care of the interest of the State, and he opposed the tying of their hands. The adoption of such a proviso would be a reflection upon the honesty and capability of the gentlemen who might be appointed on such Committee.

Mr. Waring concurred with Mr. Strudwick.

Mr. Welch favored the proviso.

During the discussion, the hour set apart for the election of an Enrolling Clerk arrived and the matter under consideration was dropped.

Mr. Welch nominated W. J. Wilson of Haywood, for the position.

Mr. Morris nominated W. D. Whitted of Henderson.

A ballot was taken which resulted in the election of Mr. Wilson by a vote of 66 to 31. In the Senate Mr. Wilson received 38 and Mr. Whitted 11. Mr. Wilson was declared duly elected.

The discussion of the bill abolishing the office of State Printer was resumed.

Mr. Welch spoke from the floor in advocacy of Mr. Justice's Proviso.

Messrs. Gregory opposed the proviso.

Mr. Hardin favored it.

Mr. Hill moved to postpone and make the matter special order for Monday 12 o'clock.

Mr. Jones of Lenoir moved to lay the motion on the table.

The yeas and nays were called and the motion lay on the table was rejected by a vote of yeas 7 nays 89.

The question recurred on Mr. Hill's motion to make special order.

The motion was put to a vote and rejected.

Mr. Justice called the previous question on his proviso. The call was sustained.

The yeas and nays were called and the proviso was adopted by a vote of yeas 81 nays 17.

Mr. Settle moved an additional proviso that the Public Printing shall not be awarded to parties connected with those making such exhorbitant charges for the past two years.

Mr. Welch opposed the proviso, on the ground that it was too proscriptive. He thought it bad policy.

The yeas and nays were called and the proviso was rejected by a vote of 19 to 79.

On motion of Mr. Robinson, the bill was amended by making the Committee 5 instead of 3.

Mr. Gregory called the previous question on the bill as amended. The call was sustained and the bill passed its second and third readings.

On motion the House adjourned.

SOMETIME since an announcement extraordinary was made by the SENTINEL, *viz*., that we knew of twelve orders having been given our Milliners in one day for Bridal Bonnets, and expressed some surprise at the number. Ah.

Our friend Moore was not in the secret. I propose now to tell him and every body else, that it was not surprising at all.

Every one of these happy Bridegrooms were patrons of Pink C. Hardie, and purchased their Cigars and Tobacco of him, which imparted a fragrance to the breath which was perfectly irresistable. Snowdrop is no where.

Every body knows what a horrible scent is imparted by a horrible Cigar or Chew, such as I dont keep and no one discovers it sooner than the ladies.

Now a word to all who contemplate matrimony. Be wise in time and give no occasion for your rejection by purchasing your Cigars and Tobacco from
