**FINANCIAL.**—We are indebted to Mrs. E. O. May for some fine specimens of fossils. They are the finest we have seen this season.

**CONVENTION.**—Latest accounts give English a small majority, but his defeat is certain as the election goes to the Legislature.

**LEGISLATION.**—A meeting of the House No. 8, will be held this evening at 8 o'clock for the purpose of conferring degrees. All degree members are invited to attend.

Very little interest was taken in the Michigan election which occurred on Monday last. The Republicans elected their State ticket. A few women voted in different sections of the State.

**IMMENSE FLOODING.**—The greatest freshet ever known there now prevails in Tar River. Great damage has been inflicted on the banks of the river and many bridges swept away.

**BRIDGE DAMAGED.**—The bridge on the Wilmington and Weldon Railroad, over the Tar river, near Rocky Mount, has been so injured by the late freshets as to necessitate the erection of a new structure. The trains, however, connect by having engines and cars each side the river.

**ST. LOUIS ELECTION.**—The Democratic majority in the St. Louis city election range from 1900 to 3200. The Democrats elect ten of the twelve aldermen, making the council a tie. The Democrats have carried the municipal elections generally throughout the State.

**SKATING.**—The announcement in our yesterday's issue of the skating reception for to-night was a mistake of the management. The grand reception will be held on Monday evening next, where a more brilliant evening may be confidently looked for, and unlike anything ever before offered to the citizens of Raleigh.

**FURTHER INCENDIARISM.**—On Friday night last between 12 and 1 o'clock, the kitchen and contents of Henry Semmes, Battleboro district, Edgecombe county, was totally destroyed by fire.

About three o'clock the same morning, the barn of Dr. J. J. Phillips, some two miles distant, was also burned. Ned Taylor alias Ned Phillips, formerly a slave of Dr. Phillips, has been committed for the arson.

**GERMAN PEACE CELEBRATION.**—The German citizens of Raleigh, who are zealous of participating in the universal Peace Jubilee on the 10th inst, are respectfully and earnestly requested to report their names to the undersigned committee appointed at a preliminary meeting. A meeting of the committee will be held this evening.

**ABSTRACT DOLPHIN, MAX SCHLOSS, THOMAS JONES.**

**CLERKS TO LEGISLATIVE ASSEMBLY.**—Clerks to legislative bodies, like soldiers, always do the work, while others get credit for what is done. We simply wish to bear testimony to the efficiency of the gentlemen who occupy clerkships in our General Assembly, viz.: Messrs. Saunders and London of the Senate, Galtner and Wilson of the House. These gentlemen can well enjoy the pleasure of "duty well performed."

**BORED BREVARIY.**—On Wednesday night, at this city, the room of Dr. Hardy, member of the House of Representatives from Greene county, at the residence of Mrs. Harper Whitaker, was entered and his pants having some \$107 in the pockets, was abstracted therefrom. The room of Mr. Turner, a book agent, in the same house was also entered and a valuable silver watch unaccountably appropriated. The robbery is supposed to have taken place about midnight, and up to the present no clue has been obtained which can lead to the detection of the guilty party or parties. We understand that Dr. Hardy had taken the precaution to place his pants under his pillow.

**THE ACT TO PROTECT THE CITY OF RALEIGH FROM FIRE.**—This law, which was recently enacted by the Legislature, authorizes the city to issue bonds to the amount of \$1,000,000 bearing interest at the rate of 6 per cent, and to be sold at a discount greater than 15 per cent. The proceeds of the sale of such bonds are to be applied to the building of thirty or more fire engines. The act further provides that as annual tax shall be levied and collected to pay the interest on the bonds and to ensure a sinking fund sufficient to discharge the principal in twenty years, and that three trustees are to be elected by the Commissioners, each of whom must be a resident of the city.

**MARRIED.**  
On Saturday, the 6th inst., at 11 P. M., at the residence of J. P. Lohrman, Lulu to Emma Lee.

**DIED.**  
In this city, yesterday, last, at 11 P. M., Martha Abbott, wife of Philip Abbott, aged about 72 years. The funeral services will take place at the residence of Mr. William Abbott, at 11 o'clock this evening. Rev. Dr. Lacy officiating. The friends of the family are invited.

**NEW ADVERTISEMENTS.**  
I HEREBY ANNOUNCE MYSELF AS AN Independent Candidate for Commissioner of the State Board of Education, and I hereby request the favor of your vote at a meeting to be held at the residence of Mr. J. W. H. Jones, at 11 o'clock on Saturday, April 14, 1917.
