LIFE ASSOCIATION
OF
AMERICA.

Is organized on a basis that makes it a HOME INSTITUTION and KEEPS CAPITAL AT HOME.

NORTH CAROLINA DEPARTMENT,
OFFICE, RALEIGH, N. C.

DIRECTORS.

KEMP P. BATTLE, A. G. LEE, R. G. DUNN,
A. C. SANDERS, JNO. G. WILLIAMS, WM. A. BLOUNT,

GENERAL HENRY HETH, *Manager.*

Home Investments.

The Association is organized on the purely mutual, or co-partnership plan. Each State is created a distinct Department of the Company, and the business placed under the management of a Board of Directors chosen from its own citizens.

The language of the charter is as follows: "The Board of Directors in each Department shall loan the money to be invested in said Department."

SEC. 51 also provides that:

"The 'net present value' of the liabilities of the Company, under policies issued to members of each department, as fixed by the standard of valuation of the Com.any, shall be invested, and kept invested within such department."

(The "Net Present Value of the Liabilities" is the amount required to safely re-insure all the policies in a Solvent Company, as defined by the laws of New York, Missouri, and other States. It is the whole of the receipts, less the amount needed to pay the expenses and losses as they occur from year to year.)

Of the wisdom and *safety* of the plan adopted by the Association, the Hon. Elihu Wright, of Boston bears testimony as follows:

"As the true theory of the reserve on any policy is, that it is a savings' bank deposit, or self-insurance, applicable only to that particular policy itself, when it becomes a claim, and only needs to have its principal secure and its interest sufficient, it would not seem possible to have it invested too near the locality where that particular policy will become a claim.

To this feature of local representation and investment, the Association largely owes its

UNPARALELLED SUCCESS.

No company in the world has obtained so large an amount of insurance in the same period of time.

The facts embodied in the following table prove our assertion. It was submitted to the General Board of Directors by Hon. Wm. Barnes, Consulting Counsel and Actuary of the Association, and will be found of interest. The data embraces the leading Companies doing business in New York, and included in the Insurance Reports of that State for 1869—the latest date for which accurate figures are now accessible. It shows the amount of insurance accumulated by each Company during the period set opposite to its name.

Gross income during 1870,		2,185,293 51
Increase,		$699,875 27

The increase in the business of this Association for 1870, as will be seen by the above statement from the President's report, leaves

TWENTY MILLIONS & F DOLLARS,

The Net Increase

Of the business of the Association, in 1870, was larger by nearly

$20,000,000.00

than that of any other Company.

The following table, comparing the net increase of the business of eight leading Companies, is copied *verbatim* from the "Spectator Life Chart."

This chart was compiled by the editor from *official* returns for 1870, and embraces all companies which were authorized to do business in the State of New York in that year:

	Net increase in 1870.

MISCELLANEOUS.

The Great Medical Discovery!
Dr. WALKER'S CALIFORNIA
VINEGAR BITTERS,
Hundreds of Thousands
Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE
FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Renovators," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. *Such Diseases are caused by Vitiated Blood,* which is generally produced by derangement of the *Digestive Organs.*

DYSPEPSIA OR INDIGESTION.

Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They Invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

'TIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.
