The Great Medical Discovery

DR. WALKER'S CALIFORNIA

VINEGAR BITTERS.

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. One bottle will convince the most skeptical of their curative effects, or we will pay a thousand dollars for a case they will not cure or help. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, as they operate on the Digestive Organs.

DYSPEPSIA OR INDIGESTION.

Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative properties.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

DR. WALKER'S VINEGAR BITTERS are a gentle Purgative as well as a Tonic, possessing the peculiar merit of acting as a powerful agent in relieving congestive or inflammatory diseases of the Liver, Stomach, Bowels, Blood, Kidneys and Bladder. Over Bitters are mild and pleasant to the taste, and are composed entirely of Vegetable Roots, Herbs and Barks, without Alcoholic Stimulants. CAROLINA PUMP COMPANY.

SOUTHERN INVENTION.

Home Manufacture.

Submerged Glass Cylinder Double-Acting Force Pump.

PATENTED AUGUST 1869, BY A. BALDING

The undersigned, having the exclusive right to manufacture and sell the above Pumps in North and South Carolina, have associated themselves together under the name, and style of the "Carolina Pump Company," and having established their Manufactory at Fayetteville, N. C., are now prepared to furnish Pumps at short notice. Subscribers have at last triumphed in the production of a Pump admirably adapted for Wells and other purposes, that will force water any depth or height, which, by attaching hose, at once becomes a local Fire Engine of great power, throwing 30 to 100 gallons per minute.

This Pump combines simplicity and durability, in which the water will never freeze or become stale, as the cylinder is always submerged, and no water remains in the pipe when the Pump is not in operation. The Pumps works almost incredibly light, always bringing the water fresh and sparkling from the bottom of the well; and there is no friction, the cylinder being glass, the packing cannot wear or rust, the valves being round, made of fine glass, working on glass seats, can neither rust or get worn. These Pumps are peculiarly adapted for supplying tanks in upper parts of dwellings, cottages, hotels, building cabooses and for railroads, streets, gardens, distilleries &c. They can be attached to steam or water power.

Any ordinary mechanic can put them up by printed directions always sent with the Pumps. We have hundreds of testimonials from persons who have used our Pumps, who express great satisfaction; in fact they are a success and will sustain all we claim for them.

Buy one and save live insurance. Special attention given to all orders. The entire depth of well must accompany each order.

CERTIFICATES.

SHERIFF'S OFFICE,
FAYETTEVILLE, N. C., April 28, 1871.

Mr. C. Troy, Sup't Carolina Pump Company:

The Pump you sold me surpasses my most sanguine expectations. It does all you claimed for it. Area Four Hundred and Fifty square inches. Water coming half of the time through water-supply pipe, the balance through pump, which is a sure high force and a half story house. My family would not be without it for any consideration.

D. W. HARRIS,
Sheriff Cumberland County.

CLERK'S CHAMBER,
FAYETTEVILLE, N. C., March 16, 1871.

Having had Water in twenty years' experience in gold mining, using various kinds of pumps, I have no hesitation in saying that the Carolina Pump is the best I have ever used. It is easy to work, and no sticking trouble, and putting the hose over the fence, the pump at once becomes a most effective implement of defense against any ordinary fire. We therefore recommend it very highly. The above recommendations and use of the pump

From The Southern Home, Wilmington, N. C.

Your respectable house has impressed us, since you have published nothing or advertising but its name and we have seen in numerous instances the satisfactory results of a liberal use of printer's ink. We notice with interest the appearance and success of a little book published by you entitled "Don't," by Ruth Ashmore. It is a capital thing in its way, and we are glad to see that it is meeting with success.
