Kerosene Murder!

It is a matter of growing astonishment that the almost

DAILY RECORD OF LOSS OF LIFE

and property through

Kerosene Explosions,

does not provoke some sort of special legislation upon the sale of dangerous Fluids throughout the land.

WICKED FRAUDS in the sale of DANGEROUS OILS, are still daily perpetrated, and their authors go unhung though their victims (constantly increasing in number,) are called to meet the

MOST HORRIBLE DEATH

known to man. These victims are for the most part women who if they escape death, are obliged to undergo what is hardly less cruel to a young and beautiful woman,
