HURRYGRAPHS:—

A goodly number of our citizens have gone to Greensboro'.

Impossible—that the two W's should both preside in the Mayor's Court.

The contest for Mayor waxeth hot. Each candidate is confident of being elected.

Parson Sinclair, of Robeson county has been bitten by a dog.

"The man recovered of the bite,
The *dog* it was that *died*."

What brings "our beloved" to Raleigh? Where are our wiseacres? Who can tell? It is suggested that he is a candidate for—political martyrdom. If so, we hope he will not be gratified.

SENATOR RANSOM.—It afforded us much pleasure to meet this distinguished gentleman on yesterday. He was at the Yarborough House. He is in excellent health and spirits.

THE GRANVILLE DELEGATION, composed of Isaac J. Davis, Roger O. Gregory and John Williams, Esqrs., and Dr. C. C. Peace—all substantial and intelligent farmers, passed through our city on yesterday on their way to Greensboro'.

THE N. C. PRESS.—We had the pleasure of shaking by the hand, on yesterday, the following prominent members of the State Press; viz: Capt. W. Biggs, of the *Tarboro' Southerner*, E. H. Stamps, Esq., of the *Tarboro' Enquirer*, Major J. A. Engelhard, of the *Wilmington Journal*, Mr. Barnes, of *Wilson Ledger*, and Capt. James R. Thigpen, editor of *Reconstructed Farmer*, and one of the best farmers in this or any other State. Every one of them was ready to lend a vigorous hand in strangling the hydra-headed satyr of despotism.

DISTINGUISHED ARRIVALS.—A large number of gentlemen from various portions of the state registered yesterday at the Yarborough House. Among them we noticed the names of Col. E. C. Yellowley, of Greenville, Hon. Thos. Sparrow, of Washington, Dr. Chas. J. Gee, of Weldon, Col. W. P. Green, of Louisburg, Jos. B. Cherry, Esq., of Bertie, Walter A. Montgomery and Capt. Benj. M. Collins, of Warren. These gentlemen are delegates to the Greensboro' Convention. All seemed in high spirits and bent upon the the defeat of radical rascality generally.

OXFORD NOTES.—We learn that so much of the time of Granville Court has been necessarily devoted to the State Docket that no Civil cases, except the suit moved from Warren—Johnston vs. Skinner—which is appointed for Thursday, will be taken up.

Mr. D. C. Herndon, whose death we announced yesterday, has divided his large estate among his brothers and sisters. He very thoughtfully and generously gave $10,000 in cash to a blind brother who resides in Orange. His elegant residence that cost some $14,000, he bequeathed to his youngest half-brother, Mr. W. G. Herndon, of Atlanta, Georgia.

THE BEST CHANCE.—From the late t intelligence received, we rather think that Judge Davis' chance for President is best. It is reported, however, that the chances of Charles Francis Adams are improving. Gov. Curtin, of Pennsylvania, appears to have the lead thus far. Probably before we go to press we may receive information from Cincinnati that will show who is the favorite.

OFF FOR CONVENTION.—The editor, associate editor, and local editor have gone to the convention to try to do some further good for the State, and the office for the next few days will be in the hands of *one person* who will have to "run the paper" without any help. The reader will, therefore, make due allowance for any short comings. The *locum tenens* by working steadily at least twelve hours a day, will do what he can to give variety and interest to the paper.

A RARE CHANCE—FOR SALE!—The valuable property next door above the State National Bank will be sold on Saturda, the 4th of May, at 12 o'clock, if not sooner disposed of. The lot extends from Fayetteville street to Wilmington street. Building (new) two stories and 120 feet deep. Terms easy. For further particulars apply to PHIL. THIEM.

ap30-d5t

DISINTERESTED PATRIOTS.—It has been accurately computed that there are exactly two hundred and nineteen gentlemen at the Greensboro' Convention, who are animated with such disinterested patriotism that they are actually willing to make some sacrifices for the State, as the times are out of joint and the "ways" of the Radicals are so "peculiar." They would not have any one to suppose for a moment that they are actuated by any such selfish purpose as having "an axe to grind."

THE TOBACCO TAX.—It may prove a matter of interest to our tobacco planters of Wake, Granville, Warren, Person, Orange, Caswell, Rockingham and other counties, to learn something concerning the calculations made as to the tobacco tax which will be doubtless fixed at twenty cents on the pound for all sorts. It is thought in Washington that by reducing the tax on plug tobacco twelve cents, and increasing that on smoking four cents, that the consumption of the manufactured article will be much greater. The following estimates seem to be judicious:

Present increased consumption under existing laws,	107,000,000 lbs
Increase on the plug interest by reason of reduction of tax (ten per cent) on 75,000,000 pounds,	7,500,000 lbs.
Increased consumption by reason of passage of laws stopping consumption of leaf and illicit trade in manufactured tobacco,	8,000,000 lbs.
Total consumption for the fiscal year ending 30th June, 1873,	122,500,000 lbs.
This amount (122,500,000 lbs.) at 32c uniform,	$35,000,000
1,000,000 cigars,	7,000,000
special licenses,	1,000,000
	$35,000,000

INFECTION IN THE AIR.—At this season the vegetable world takes a new lease of life; but to the sensitive and delicate members of the human family it is a time of danger and often of great suffering. The moisture which rises from the earth and hangs suspended over it in the form of morning and evening mists and fogs, holds in solution, so to speak, the malarious elements which produce fever and ague, remittent fevers, rheumatism, and many painful nervous disturbances, and which aggravate dyspepsia, biliousness and all minor affections of the stomach and the bowels. This, therefore, is a critical period of the year, a season when the renovating, refreshing and purifying operation of the mightiest of all vegetable tonics and alteratives, Hostetter's Stomach Bitters, is salutary to the weak, and the best security for the continuance of the health and vigor of the strong. Now is the time not only to protect the system against the common ailments of the season, but to prevent the disorders incident to a warmer temperature. Let not the exhausting heats of the summer months find you unprepared to meet them. A course of Hostetter's Bitters, commenced now, will put all the physical energies in fighting trim, double the capacity of the internal organs to repel the assaults of disease, refresh the brain and clear it of all hypochondriacal cobwebs, and place the whole physique in an attitude of defence, with every available point fortified and guarded and as nearly invulnerable to unwholesome influences as it is possible for the human structure to be.

A MELANCHOLY BREAK DOWN.—There are lively break-downs that make an audience laugh, and there are sad and sorrowful breakdowns that make the kind hearted grieve. To the latter class belongs the enervation of body and mind which is usually called "general debility," or "nervous weakness" and which, when neglected, too often terminates in atrophy and death. A wholesome medicated stimulant is the one thing needed in cases of this description, and science and experience unite in pointing to PLANTATION BITTERS as the true specific. The fact that it combines the properties of an invigorant with those of a regulator and alterative, in exactly the proportions necessary to produce a radical change in the tone of the system, and the action of the digestive and excretive organs, is an unanswerable argument in its favor as a general restorative.

"G. M. D."—Don't stand aghast with awe and fear, eyes wide open, hair on end and fingers tightly clinched with the idea that these mysterious symbols are cabalistic signs and represent some secret organization of masked demons, who carry terror and dismay with their midnight prowlings and disperse on the dawn of morning. No! They are only the initials of Dr. Pierce's Golden Medical Discovery, that pleasant medicine which has acquired a National reputation and proved so efficacious in Coughs, Colds, Bronchitis, Consumption and kindred diseases. For these complaints it has no equal. Sold by all druggists.

WASHINGTON NEWS.

WASHINGTON, April 30.—There was a half hours' session of the cabinet to-day. Nothing important. Secretaries of the Treasury and Interior and the Attorney General were absent.

It may be regarded as certain that consequential damages will not be claimed before the Geneva Arbitration.

CONGRESSIONAL.

WASHINGTON, April 30.—SENATE—House amendments to the Texas Pacific railroad were concurred in. The bill goes to the President.

Bill authorizing the southern claims commission to report from time to time, instead of on the opening of each session, met with considerable opposition, and went over.

Bill appointing the commission to proceed to the Mexican border and inquire into depredations passed.

Sawyer's bill extending the time wherein agricultural colleges may avail themselves of the benefits conferred by the act of sixty-sixty, to two years, passed.

The vote to reconsider the vote by which Morrill's amendment was defeated, was 28 to 28. Colfax voting aye, carried the reconsideration and the amendment was adopted.

The bill on free tea and coffee passed, to take effect July 1st. It was amended so that that the stock in bonded warehouses shall have duty refunded. It goes to the house for concurrence.

HOUSE.—The bill reported by the committee on agriculture for planting forest trees, was defeated, 81 to 88.

The tariff discussion was resumed.

Pierce's bill makes the refusal of privileges to schools, hotels, cars, steamboats, stages, churches, cemeteries, theatres or concerts, on account of color, or any one advising the same, a misdemeanor, punishable by fine of one thousand dollars and imprisonment for one year, and gives the person refused an action on the case for one thousand dollars damages. It gives jurisdiction to the United States Courts, and makes a neglect of duty by the officers of the Courts likewise a misdemeanor. It repeals the word "white," in all laws, and makes the exclusion of colored jurors a misdemeanor, punishable by a fine of five thousand dollars.

FROM CINCINNATI.

CINCINNATI, April 30.—The convention will be temporarily organized on Wednesday at noon, and immediately adjourn; when the state organizations will be formed at the respective headquarters. Each state will be entitled to four delegates at large and two for each congressional district. States not fully represented will be allowed to cast full vote by those present. The tariff programme appears to allow the people to speak through members of Congress to be elected.

Jacob D. Cox is a probable compromise candidate, as between Davis and Adams. The streets are crowded, flags flying, especially in German quarters.

There is a vast arrival and the city is full. Interest is increasing. Judge Stanly Matthews will be temporarily chairman. Nothing further has been settled. Davis stock is advancing, though the Illinois delegation is much divided, but at a meeting it was agreed that Davis should have half of the vote and the rest scatter between Trumbull and Palmer.

FROM MATAMORAS.

MATAMORAS, April 30.—Skirmishing around the city. Wounded are being brought in. The black flag floats over the fortifications. General Cevellos, now commanding here, is the man who took old and young men from their homes in Merida, Yucatan, in 1869, and shot them without trial.

FROM BROWNSVILLE.

BROWNSVILLE, TEXAS, April 30.—The city is overflowing with women and children from Matamoras, and revolutionary sympathizers expelled by Cevalla. Gen. McCook has picketted the river to preserve neutrality. Citizens have organized themselves into extra police, anticipating influx of marauders.

FROM TALLAHASSEE.

TALLAHASSEE, April 30.—The Supreme Court to-day decided that the Governor's impeachment is still pending, and that Lieut. Governor legally holds the office as acting Governor.

FROM EUROPE.

LONDON, April 30.—The *Times* of this morning in an editorial upon the present phase of the Alabama claims question, congratulates the United States government for proposing that the liability of neutrals shall never extend beyond the direct consequences of breaches of neutrality, thus, says the *Times* paying the way for a satisfactory settlement of the differences now existing between England and America.

MADRID, April 30.—Marshal Serrano has issued a congratulatory proclamation to the troops under his command. He states that the loyal people of provinces infested by the insurgents in their zeal to uphold the government who have taken up arms against the insurrectionists. The Marshal also announces to his troops that nearly all the Carlist bands in Arragon have been dispersed or defeated by the loyal force.

PARIS, April 30.—Gouston was convicted of participation in the murder of the hostages, and was shot to-day.

SALE OF VALUABLE LAND IN WARREN COUNTY.

In pursuance of a decree made and recorded at the November Term, 1871, of the Circuit Court of the United States, 4th Circuit and District of North Carolina, in the suit of James A. Newland and his wife, Sallie Elizabeth Amis, Samuel Butterworth and Julia McR. Amis, plaintiffs, against Peter R. Davis defendant, I shall proceed to sell at the door of the Court House, in the town of Warrenton, on the 4th Monday of May, 1872, the tract of land described in the pleadings known as "Largo" in the County of Warren and lately occupied by the said Peter R. Davis, containing 1,300 acres more or less. The said tract of land was conveyed by deed of mortgage by the said Davis to the plaintiffs Sallie A. Newland, Elizabeth Amis, Samuel F. Butterworth and Julia McR. Amis, which deed was proved and registered in the proper County on the 15th day of September, 1-69.

The land will be sold, subject to the contingent interest in the said mortgage deed mentioned, to the highest bidder for cash, the purchaser to give bond and sufficient security to pay the annuities decreed to the plaintiffs amounting in the gold to $1,400 per annum during the lives of the four annuitants respectively, as the same may hereafter become due, and in addition thereto the purchaser shall pay in cash the sum of $4,931 43-100 of which $2,800 is principal and bears interest at six per cent each paid, which sum of $1,931 40-100 includes the annuity which fell due the 6th December, 1871. The purchaser shall also pay the costs of the suit.

The title of the land shall be retained until the said annuities shall be satisfied.
