FOR TREASURER—Major John W. Graham, of Orange.

This ticket is a very strong one, and will receive the support and endorsement of the people. They are all men of high character and intelligence.

An excellent Platform of Principles has been adopted, which we will publish to-morrow.

Judge Merrimon addressed the Convention on yesterday in a speech distinguished for ability and eloquence. We may be able to publish an outline of it hereafter.

Freemen, voters, tax payers of North Carolina, the proper men have been chosen by two thousand delegates after due consultation and discussion. It remains for you—one and all—to go to work and elect them.

IMPORTANT NEWS!

Just as we go to press the news comes from Cincinnati that Hon. Horace Greeley, of New York, has been nominated for President, and Hon. Gratz Brown, of Missouri, for Vice-President.

This is very decidedly the strongest ticket that could have been nominated.

IMPROVED LOTS FOR SALE.—See advertisement of Mr. A. F. Page, Cary, N. C.

THE EDITORS return thanks to the Managers, for an invitation to attend a "Social Hop" to be given this evening at the National Hotel.

OUR FOURTH PAGE.—We hope our readers will not neglect reading the matter on our fourth page. We purpose making it readable and enjoyable. We may here say, that we select our matter with exceeding care, desiring to elevate and improve all concerned.

TO OUR ADVERTISERS.—We have changed the general arrangements of our paper so as to make it a more desirable advertising medium. Every page now contains interesting reading matter that will tend to make one page as good a place for an advertisement as another.

FIRST OF MAY was celebrated by our colored fellow citizens.

THE *Visitor* Fire Company paraded on Wednesday, the Raleigh Brass Band discoursing some agreeable music for them.

IMPORTANT SALE!—The Lougee property in this city will be sold on Saturday, 4th inst., at the court-house door. Sale begins at one o'clock. m2d4t

THE KNIGHT'S COMPANION is the title of an exceedingly neat little semi-monthly paper, devoted to the order of the Knights of Pythias, edited and owned by John T. Britt, and published at Goldsboro', for $1.50 a year. We wish it prosperity.

PIC NICKING.—The colored children of one of our city schools had a pic-nic frolic on May day. They paraded our streets with banners, and fife and drum. Amid the press of business this notice was omitted in our issue of yesterday.

BASE BALL.—A match game was played yesterday afternoon between the Academy and City base ball clubs, in the Baptist Grove. The scoring stood: Academy 18 runs, 9 fly catches; the City club 15 runs, 8 fly catches.

THE MASONIC MONITOR.—This monthly publication has been received. It is neatly printed by J. A. Bonitz, at Goldsboro', N. C. We hope friend B. is meeting with satisfactory support in this enterprise. Bonitz seems to be a "live" man.

ENGLISH IMMIGRANTS.—We observe among the arrivals at the Yarborough House within a day or two, are some families of English immigrants, who appear to be persons of means. North Carolina needs and greatly desires a good class of industrious immigrants—people who will aid us in developing the vast resources of our state.

OUR NEW ADVERTISEMENTS.—We would direct the attention of our readers to the advertisements of Messrs. Primrose, Petty & Newsom, W. C. Stronach & Co., and Julius Lewis & Co. Also to advertisement of W. H. Jones & Co., and the Penitentiary Notice. Also see the Quarterly Reports of the National Bank, Citizen's Bank and State Bank.

HIS LIGHT RESTORED.—Our friend Ned Battle, one of the most of Conservatives, was so rejoiced on yesterday over the news from Greensboro' that he was able to read a letter without his spectacles, a thing he has not been able to do for years. He that was blind—almost—can now see. It is to be hoped that some of the *politically* blind may be made to see before the August election is at hand.

A RARE CHANCE—FOR SALE!—The valuable property next door above the State National Bank will be sold on Saturday, the 4th of May, at 12 o'clock, if not sooner disposed of. The lot extends from Fayetteville street to Wilmington street. Building (new) two stores and 120 feet deep. Terms easy. For further particulars apply to PHIL. THIEM.

MEMORIAL SERVICES.—General Wade Hampton, whose arrival in our city we announced yesterday, will deliver the Memorial Address on the 10th of May. An address of this sort upon so touching an occasion by so distinguished a patriot and soldier, is highly appropriate. No man bore himself better in the long fight than General Hampton, and none of the survivors have suffered more. Long live the illustrious South Carolinian!

THE SOUTHERN BAPTIST CONVENTION. This large and imposing body meets in this city on the 9th inst. Rev. Dr. Pritchard, pastor of the Baptist church, is extremely busy in making all the necessary arrangements. He informs us that the families of the city have responded nobly, and that the large delegation will be handsomely and hospitably entertained. On Wednesday he received information that eighty delegates, in addition to those before heard from, would attend. A large delegation will be here from Baltimore. There is a great deal of talent and no little learning in this body of clergymen. The reporters for the press of Baltimore gave it as their opinion, that the debates in the Baptist Convention held in that city in 1868, were the ablest and most interesting which they were ever called upon to report. There are few abler ministers in our land than Doctors Fuller, of Baltimore, Poindexter, Burrows and Jeter, of Virginia, Jno. A. Broadus, Winkler, and Reynolds, of S. C., and Mell, of Georgia. Dr. Mell is the prince of presiding officers—incomparably the best we have ever seen. Probably the three greatest preachers that belong to the Southern Baptist Church are Drs. Fuller, Winkler, and Broadus. Dr. Reynolds, of Columbia, S. C., we should take to be the most erudite.

CURRITUCK.—We received a communication on yesterday from a gentleman living in Currituck, of the date of March 21st. Where it has been all this time only the mail agents or post masters can tell. We regret the delay, as the matter it contained had reference to the Greensboro' Convention, and comes too late to answer the purpose intended.

"I wonder what causes my eyes to be so weak?" said a fop to a gentleman. "They are in a weak place," replied the latter.

"Marry me, my dear girl, and you will have seen the end of trouble." "Which end, sir?"

THE GREENSBORO' CONVENTION.

Immense Outpouring of the True Men of the State.

SOME TWO THOUSAND DELEGATES IN ATTENDANCE.

Judge Merrimon for Governor.

FIRST DAY'S PROCEEDINGS.

The largest, the most imposing, the most intellectual and the most respectable Convention ever assembled in North Carolina, convened at Greensboro', on Wednesday at 12 o'clock. Such an outpouring of the representative men of the Democratic-Conservative people of the State never before took place. Eighty-five counties were represented, all, with three or four exceptions, in person and some of the delegations as remote as Cumberland were unusually large. The attendance of prominent gentleman was greater than on any other similar occasion we can remember.

The Convention was held in a neat and commodious wigwam erected at considerable expense for the occasion, in a beautiful grove near the depot. The building is brilliantly lighted by thirty large windows and has three spacious entrances and was well ventilated. It was tastefully decorated with wreaths and evergreens, and everything was successfully done to render comfortable the great mass of people in and around the building. Fully *two thousand* delegates were present at the commencement of the proceedings. We have as yet not been able to obtain a list of the delegates, but hope to do so. Ample accommodation was afforded the press, amongst whose representatives we noticed the following:

Capt. W. Biggs, Tarboro' Southerner; Jas. Osgood, Journal of Commerce; W. H. Pleasants, Richmond Despatch; S. C. Smith, Greensboro' Patriot; David Barnes, Wil. Ledger; Dr. H. E. Manning, Roanoke News; J. A. Bonitz, Goldsboro' Messenger; C. W. Harris, Battleboro' Advance; Capt. T. C. Evans, Hillsboro' Recorder; Julius Wright, Statesville Intelligencer; J. B. Walters, Richmond Whig; Geo. D. H. Hill, Southern Home; W. J. Yates, Char. Democrat; — Murray, Washington Express; W. A. Hearne, Char. Dispatch; E. R. Stamps, Tarboro' Enquirer; Capt. Thigpen, Reconstructed Farmer; Dr. G. E. Matthews, Norfolk Journal; E. J. Eglehard, Wil. Jour.; J. M. Arnold, (col.) Wil. Post; C. B. Green, Durham Tobacco Plant; Nat. Atkinson, Asheville Citizen.

At 12 M., the convention was called to order by Hon. D. M. Barringer, upon whose motion Hon. T. C. Fuller was unanimously elected temporary chairman, and Messrs. Nat. Atkinson, of the *Asheville Citizen*, Henry A. London, Jr., of Chatham, Dr. H. E. T. Manning, of the *Roanoke News*, and W. W. Gaither, of Caldwell, were elected temporary secretaries.

Mr. Fuller, on taking the chair, spoke of the distinguished honor conferred upon him in being called upon to preside, even temporarily, over such a body of the intelligence and worth of the state. He spoke of the convention as a grand upheval in the interest of popular rights and civil liberty, and presaged the downfall of radicalism. Mr. Fuller spoke eloquently and at some length, and was frequently interrupted by loud applause.

Mr. Barringer moved that a committee of two from each congressional district be appointed by the chair on permanent organization.

Col. W. L. Steele desired a call of the counties to ascertain who were present.

Mr. Barringer then moved the appointment of a committee of two on credentials.

Hon. J. H. Haughton did not suppose there was a bogus delegate in the house. He hoped the call of counties would be dispensed with and that the convention would proceed to kill radicalism. (Cheers.)

Maj. Sparrow moved for a call of the counties.

Capt. J. J. Davis opposed the call and moved that every conservative democrat present be considered a delegate.

The motion to call the counties prevailed and eighty-five were found to be represented. Clay, Cleaveland, Graham, Gates and Swain were the only counties not represented.

Capt. T. C. Evans moved that the representatives of the press present be invited to seats. Adopted.

Gen. A. M. Scales moved that a list of delegates present be called for for publication. He desired to let the people see the character of the men present. Adopted.

This list cannot be furnished as many of the delegations failed to hand in their lists.

On motion, Gen. S. F. Carey, Gen. M. W. Ransom, Gov. Vance, Hon. Josiah Turner, Jr., Hon. J. M. Leach, Hon. F. E. Shuber, Hon. T. L. Clingman, Hon. Jno. Manning, Hon. A. M. Scales and Hon. John Kerr were invited to seats on the platform.

Mr. Barringer moved that the chair appoint a committee of two from each congressional district on permanent organization.

Gen. T. L. Clingman was now loudly called for. He said the present convention was the grandest he had ever seen. He was very severe on the plundering radicals and spoke of them as a set of the worst radicals ever known to history. Gen. Clingman endorsed the Cincinnati movement and considered it the duty of conservatives and democrats to sustain it. He was frequently interrupted by applause.

Gov. Vance was next loudly called for but urged the convention to patience till the permanent organization be completed.

The chair now announced the committee on organization, as follows:

1st. District. Major Thomas Sparrow, of Beaufort, and D. M. Carter, of Beaufort.

2nd. J. H. Haughton, of Craven, and L. W. Humphrey, of Wayne.

3rd. J. A. Engelhard, of New Hanover, and A. M. McKetham, of Cumberland.

4th. Gen. W. R. Cox, of Wake, and H. G. Williams, of Nash.

5th. J. M. Worth, of Randolph, and R. C. Robbins, of Davidson.

6th. W. J. Yates, of Mecklenburg, and C. M. T. McCauley, of Union.

7th. R. F. Armfield, of Iredell, and Jno. S. Henderson, of Rowan.

8th. David Coleman, of Buncombe, and Wistar Tate, of Cherokee.

On motion of J. H. Haughton, at 2 p. m., the convention adjourned till three o'clock.

AFTERNOON SESSION.

The Convention met pursuant to adjournment.

The committee on permanent organization then reported as follows:

President:—Hon. John Kerr, of Caswell:

Vice Presidents:—1st. District. T. J. Jarvis, of Tyrrell.

2nd. District, Wm. Robbinson, Wayne.

3rd. District, Dr. C. T. Murphy, Sampson.

4th. District, Roger Gregory, Granville.

5th. District, J. A. Gilmer, Guilford.

6th. District, Col. J. A. Brown, Mecklenburg.

7th. District, W. W. Long, Yadkin.

8th. J. J. Erwin, Burke.

Secretaries:—P. E. Duffy, Guilford; W. W. Gaither, Caldwell; H. A. London, Jr., Chatham; Dr. H. E. T. Manning, Halifax; Nat. Atkinson, Buncombe.

The committee also reported the rules of the House of Representatives for the government of the convention. The report was adopted.

Hon. Jno. Kerr on taking the chair delivered one of the best speeches of his life. We will not in this hurried report attempt a synopsis of the Judge's speech, or of that of Gov. Vance, that followed, reserving to another occasion a pretty full report of both. Both speakers endorsed the Cincinnati movement and urged the co-operation of the true men of the south in the movement.

At the conclusion of Gov. Vance's speech,

Mr. Haughton moved that the chair appoint a committee of one from each congressional district on a platform of principles to report to the next meeting of the convention.

Gen. Cox moved that all resolutions touching the matter of a platform be referred without debate to the proposed committee. Adopted.

Maj. Engelhard moved to make the proposed committee two from each congressional district. This amendment prevailed, and the resolution as amended was adopted.

Mr. Waring moved that a resolution of cordial greeting be sent to the Cincinnati convention.

After debate, this motion was ruled out of order, and the matter was referred to the committee on platform.

Col. J. F. Hoke moved that in voting for candidates each county shall vote her strength in the House of Representatives.

Col. Steele moved to amend by making the basis of voting the actual strength of the Conservative vote given for Judge Shipp—1 vote for each 100 votes cast for Shipp, and one vote for every fraction over fifty.

Considerable opposition was made to this amendment by Jesse J. Yeates, Giles Mebane, D. F. Caldwell, Mr. Stamp, of the Tarboro' *Enquirer* and others, and Mr. Steele withdrew the amendment.

It was announced that the votes would be based on the new apportionment.

Col. J. F. Hoke moved the convention do now proceed to the nomination of a candidate for governor. Adopted.

E. K. Withers, Esq., nominated Hon. A. S. Merrimon.

Gen. A. J. Dargan nominated Hon. D. M. Barringer.

——— nominated Hon. J. M. Leach.

Augustus Graham, Esq., nominated Josiah Turner, Jr.

Mr. Turner said he desired no office whatever. He had been engaged in the grateful task of pulling down villainy and in an endeavor to redeem his State, and desired to continue the fight. He asked his friend, Mr. Graham, to withdraw his name, which was accordingly done.

Col. J. A. Gilmer nominated Judge Shipp.

There being no further nominations, it was moved to adjourn till 9 o'clock to-morrow. Adopted.

A motion for a recess for twenty minutes was rejected.

Mr. Waring withdrew the name of Judge Shipp by instructions.

On motion, a recess of ten minutes was taken to allow delegates to consult.

At the expiration of ten minutes the convention was called to order.

Chas. McKesson, Esq., of Burke, protested against the vote being now gone into. It was the wish of delegates to consult as to the merits of the several aspirants and he thought it premature to go into the nominating till the platform was reported and adopted. He moved to postpone the vote till to-morrow.

Col. Foulk and Mr. Haughton concurred with Mr. McKesson.

Mr. Turner moved to lay the motion to postpone on the table. He saw no use in postponing the vote, for whoever got the nomination would be heartily supported. If said he, you nominate my friend Gen. Barringer, we will all shout "all right;" if you nominate my friend Gen. Leach, all will say "all right," and if you nominate my friend Judge Merrimon all will cry "all right." (Cheers.) I know no east and no west in this matter, he went on to say. I would be willing to take all the candidates out of Albemarle sound or out of Cherokee, if the right sort of men. There was no necessity for postponement. The merits of the several candidates had been discussed for a year, and nothing further remained but to make the selection.

The motion to postpone was tabled.

W. M. Robinson moved the vote be taken by ballot, but withdrew it in consequence of a storm of disapprobation.

The convention then voted as follows. Whole number of vote cast 198, necessary to a choice 53—Merrimon 70, Leach 22, Barringer 12, as follows:

THE BALLOT.

For Mr. Merrimon.—Alamance 1, Alleghany 1, Beaufort 1, Bladen 1, Brunswick 1, Buncombe 1, Camden 1, Chatham 2, Caswell 2, Chowan 1, Clay 1, Craven 3, Columbus 1, Cumberland 2, Davie 1, Edgecombe 2, Forsythe 1, Franklin 1, Granville 2, Greene 1, Guilford 2, Harnett 1, Haywood 1, Henderson 1, Hertford 1, Jackson 1, Johnston 2, Jones 1, Macon 1, Madison 1, Martin 1, Mitchell 1, Montgomery 1, Moore 1, Nash 1, New Hanover 3, Orange 1, Pasquotank 1, Person 1, Pitt 2, Robeson 2, Rockingham 2, Rutherford 1, Sampson 1, Surry 1, Union 1, Wake 4, Warren 2, Washington 1, Wilson 1, Yancey 1—51 counties, 70 votes.

It was moved that a committee be appointed to inform Judge Merrimon of his nomination and request his immediate appearance in the convention, but the hour being late the committee were instructed to request the attendance of Judge Merrimon to-morrow morning.

The chair then announced the following committee on platform.

COMMITTEE ON PLATFORM.

WASHINGTON, May 1.—It is officially announced that this government will not modify its case, but should England propose, when she is a belligerent and the United States neutral, to waive consequential damages, on account of the vessels escaping hence, the United States will waive the money consideration in this instance.

One million three hundred thousand dollars of three per cent bonds have been called in.

The debt statement shows a decrease of twelve and a half millions. Coin in the Treasury nearly one hundred and nine millions, currency fourteen and three-eighth millions.

The President has signed the bill for free tea and coffee. It goes into effect on July 1st, and results the tariff on the stock then in bond.

CONGRESSIONAL.

WASHINGTON, May 1.—SENATE—House bill for a depot for the Baltimore and Potomac railroad was reported.

A bill repealing the prohibition of promotion in the staff department of the army, passed.

Naval appropriation resumed.

Trumbull, from the committee on judiciary, reported a bill authorizing terms of the United States District Court to be held at Fort Gibson, Indian Territory.

HOUSE.—A bill removing the Kansas tribe of Indians to the Indian Territory and selling their lands to settlers, passed.

The tariff discussion resumed, Kelly gave notice that he would move to strike out the enacting clause at the proper time.

Conner, of Texas, made a free trade speech.

FROM CINCINNATI.

CINCINNATI, May 1.—The Missouri delegation stands nine for Trumbull and two for Davis. The Southern States all represented, but the Northern and middle States make a much larger show. Several prominent Democrats are here watching the progress of affairs. Illinois is here in full force. The Revenue plank is unfixed.

The small arm chair, sent for the convention President, was occupied by John Adams when he signed the Declaration of Independence. It is quite plain black, with gilt decorations, upholstered in snuff colored reps.

There was playing by a brass band from St. Louis, stationed near the door.

At signals there was a general entrance of delegates, among them several colored men from the Southern States.

The floor of the hall is nearly filled by delegates.

There is but a meagre attendance of spectators, of whom there are not four hundred in the galleries, which would accommodate twenty-five hundred.

Groups are gathered in various parts of the house in animated conversation, evidently discussing the still unsettled points of difference. It is authoritatively stated that Fenton left town this morning. His friends are mysteriously reserved as to the reasons for his departure.

Col. Grosvenor, of St. Louis, called the convention to order. In a brief speech, he claimed great importance of this convention, the largest in numbers of delegates and the truest representation of the public sentiment ever assembled; that sentiment which always does and always shall rule the country. The wisdom of this convention and the wisdom and will of the people at the next fall election will make it more successful. I need not make the usual appeal for harmony to men who abandoned their connection with a successful party to stake their political future upon this movement for reform. He nominated for temporary chairman, Judge Stanley Matthews, of Ohio. It was carried unanimously. Matthews said: It is no idle affection when I say it is impossible to express the deep sensibility with which I receive and accept the unexpected honor conferred upon me. I am unprepared to preface the assumption of the duties of the chair with such remarks as are appropriate to the chair. No one could get people to say what would be the ... was that the ... it is the voice of a large and influential portion of the people that they no longer be dogs to wear the collar of party. (Cheers.)

We have heretofore been members of the republican party. Be not ashamed to have to own that name. The past of the party was commended in its work of sustaining the Union against secession. Its work had become a part of the fundamental law, and with it the principle of equality of all before the law had been established. He considered this convention, their rebellion against the republican party, the highest eulogy of principles of that party, for it shows that the party has high courage to set about the work of reforming itself, (applause,) the parties cannot live on past reputation. It was because those who control the Republican machinery and principles have deserted them from their true purpose that this movement had been initiated.

The war has ended and peace has come, so ought the end of military rule, (cheers) and everything that keeps alive and fans the embers of the dead past.

The convention adjourned till ten o'clock to-morrow morning, after resolving that each State delegation shall elect delegates equal in number to double the votes of each State in the Electoral College.

The New York delegation had an exciting meeting. 165 delegates were present. It was resolved that the New York delegation casts its vote for Horace Greeley until delegates requested the delegation to retire for consultation, after which the vote shall be cast for Greeley, subject to the direction of the delegation.
