LOCAL DOTS.

The Board of City Commissioners meets this (Monday) evening.

The matter of water works for this city again being discussed. Nicholas John intends to run a " Jenny Lind" table.

We are glad to learn that Capt J. Q. DeCarteret still continues to improve. Mr. J. C. L. Harris, editor of the Ero s about to build a residence.

The city is very quiet and orderly. Or Friday night the police made no arrests. On Saturday afternoon our office was the recipient of a vist from Aunt Abby

The resignation of J. P. Prairie as nember of the Board of City Commis doners will not be accepted. At the hop at the Yarborough House or

Friday evening only one gentlemen was so unfortunate as to tumble. Quiet is said now to reign at the in

tersection of Blount and Lenoir streets in the eastern ward. Just after each rain when the dust i ffectually laid the street sprinkler come

It is estimated that 1558 hats and pair of boots have been bet in this city on the esult of the recept election.

long and tries to improve on it.

A number of young gentlemen of this city contemplate spending sometime his summer in Asheville. Dr. Wm. Little, of this city, is one

he Vice-Presidents of the N. C. Medical Society, and Dr. James McGee is the Secretary. Preparations are being made to cele-

brate the anniversary of Oak City Coun-

cil, F. of T., of this city, on the 17th The Grand Lodge of the LO.O.F. will meet in this city on the 17th of July.

A number of prominent Odd Fellows rom abroad are expected to be present. Mr. Nelson A. Blake has on hand a large quantity of the best Boston ice, which he will sell at very reasonable rates. Give

him a call. The "dog question" is seriously agits ing this community. A newspaper man was stampeded by them on Friday night, "Our voice is still for war,"

N. B. Broughton, Esq., will preside over the department, in the Banner of Temperance, devoted to the interest of the Knights of Pythias. It will be an teresting feature in the paper.

The Executive Committee of the State Agricultural Society was in session Satur day morning. The premium list is afmost arranged. We learn that the premium are very liberal.

TEMPERANCE LECTURE - We learn tha Ovide Dupre, Esq., one of the most talent ed lawyers of this City, will, deliver a Sept. 4th. Mr. Dupre is a finished schola: and effective speaker and will, we have no doubt, have a full house to hear him

NEW CONFECTIONERY STORE.-Mr. N L. Brown will, in a few days, open a first class confectionery establishment on Fayetteville street, at the old stand of T. H. Briggs, Esq. Mr. Brown is well known and highly respected in this community as a gentleman of sterling integrity, in domitable energy and thorough business qualifications. We feel sure he will meet with that support and patronage which he so well deserves.

Connection.-We have received a note from Mr. G. T. Stronach, contradict ing the announcement made in our Fri day's issue, that Mr. C. D. Upchurch Deputy U. S. Revenue Collector, had eized a barrel of whisky from him. We obtained the information upon which the announcement was based, from Mr. Up church, and cave it as a local item, not with any intention of reflecting upon Mr. S. If-however, by any chance, we misunderstood Mr. Upchurch, we tender on

CHOS-FIRE.-On Saturday, A. J. Rutjes, proprietor of the National Hotel in this city, was before his Honor Mayor Whitaker, charged with committing an assult upon one George Wilkinson, s errant in his employ, on Friday evening, and George was, at the same time, ar raigned for committing an assault upon Mr. Rutjer. Both parties were bound over to appear at next term of the Wake county Superior Court in a bond of \$200 copper stewpan put four ounces of refined each. It seems that on the exening in sugar, the very thin rind of a large fresh question, Mr. Rotjes struck and kinked mon, and a pint of cold water. When theorge reversi times for not answering the sugar is dissolved, add one pound of the call as promptly as Mr. R. thought he When they are quite bender, add to them clerk's office, one of them came very near striking him on the best. After this Wilklason berook himself to flight.

RALEIGH, N. C., MONDAY, MAY 27, 1872. General A. J Dargan, of Anson county,

is now in our city. Harwoop W. Guion, Esq. an emmin lawyer and author of The Count, received the next highest vote to Mr. Ashe at the Charlotte District Convention.

STRAWBERRY PESTIVAL On Tuesday rening the ladies of the Baptist Church of this City will give a Strawberry Festival at Tucker Hall A large crowd will be present and a pleasant evening be had.

Cor. D. M. CARTER.—This gentleman has been nominated for Congress in the First District by the Conservatives. He is a fine lawyer and a gentleman of superior abilities. .

Cobb has been nominated by the Rads well known to need any words of recom mendation at our hands.

Danville (Va.) Times in a recent letter to that paper, speaks of the character of the land lying on the road he travelled from Roxboro' to Oxford "as springy, post oak land that is not well suited to the production of fine tobacco." And yet Mr. "Viator," it was on this very road that the "fine tobacco" was made that took the highest and second highest premiums at the Danville Fair last year. Mr. James B. Hobgood, who lives six miles from Oxford, was the fortunate man, and he received two premiums, one of \$50 and one of \$25, thus beating Caswell, Rockinglam and Person in this State, and Virginia on her own soil, "Viator" must not judge by appearances always, "Be sure you are right, then go ahead," is very good morto for even a traveller.

W. M. ROBBINS, ESQ. This gentleman we learn has been nom the campaign.

Hargrove declared in his speech in the sourt-house, on Tuesday last, that he was 'not only a n-publican burst black one, and thanked God that they (the colored people) were all free."—Weil might a fel-iow leaguer say "a-m-e-n" to this grand effusion—But we thought the radical can-didate for Attorney General claimed to be a white man.— Robesonian.

e is said to be the highest lift in the Inited States, a lift of about 28 feet. At present the locks are a little out of repair, but the Company, Col. Heck & Co. to whom all the dams, locks and water to whom all the dame, locks and water-power belong, have over fifty men at book on the fiver, under the skilful su-perintendance of Caps. Exline, whom we found to be very obliging and gentleman-ity. The water power at Lockwalle in im-metose, and is within theil, a fortune to the command. mense, and is within itself, a fortune to the company. They now have a steam boat pixing between Lockville and Buck-horn, a distance of 12 miles. At this latter place they have one of the richest iron mines in the State. We were inform-ed by the superintendent that they are erecting three iron firmaces there; and that by fall they expect to have their bear plying between Buckhorn and the "Gulf," a distance of over 30 miles. Chatham county knows not be natural resources and advantages; with Deep River or one side and Haw River on the other, and the Cape Fear as an outlet to the ocean, she Cape Fear as an outlet to the ocean, she is wonderfully blessed. There is no county in middle or western N. C. so favorable

in middle of western N. C. so ravorated situated.

We have digressed from our subject, but will now return. The inhabitants of Lockville appeared surprised to see so large a number, about 200 in all, come in upon them so suddenly, and without a warning voice, save that of the locomotive, to announce our coming; for a short time, even chest John could not proceed with his accion; however, they received us bordially and assisted in selecting a grove, making seats and tables from which we partook of a bountiful report from which we partook of a bountiful report name. It was a pleasing sight to see the children running in every direction to see objects of interest.

Capt. Esline kindly tended to the

PROM WASHINGTON. Washistron, May 24. Scatter West appeared to day before the Committee on Finance and contended for a reduction of the duty upon cotton barging. The Com-

mittee agreed to report a reduction of twenty five percent.

Gen. Young succeeded in getting through the House to day an appropri-ation of a hundred thousand dollars for public buildings at Atlanta.

The Senate committee on finance con-

solidated the tax on distilled spirits from sixty five to seventy cents, but have made reductions in other respects as to make it about the same aggregate as proposed by the House; and have further amended the triff and tax bill, by making the uni-form tax on all tobacco twenty loar cents per pound instead of twenty. They have stricken out the section providing onethird of the daties on imports which may be paid in currency. The bill will come

up in the Senate to-morrow.

The FreeIman's Bureau gets seventy four thousand dollars and closes the 20th of June. Its unfaished business is transferred to the war department,

CONGRESSIONAL WASHINGTON, May 24. SENATE-TRE report of the conference committee post office appropriations was adopted. A new committee on conference was appointed on until service between the United States and Brazil.

There was an executive session on the treaty. House-The election committee report-

seat and paying his contestant \$2,000, which pused.

Kerr sailed up the Seaste bill providing for the redemption and sale of lands held by the United States, under the several nets levying direct taxes, and moved a galaxitute for such tell, providing that all the lands now owned or neld by ngs under the act of June 7th, 1862 and the insurrection ry states, may be redeem ed to the original or their representaof the tax and comes, with interest thereon at 10 per cout. The applicants are to pay the value of all permanent improvements that may have been made by other persons after acquisition of the property by the United States. Property not claimed within two years in to be wild at public nuction. The act is not to apply to property used, in whole or in part, for Na usual Cemeteries or other public purps we have sof property from the Uni-States, who have lost, through inability t

by the government. The substitute was agreed to and the bill passed,

New York, May 24.—The National Workingmen's Convention to nominate President and Vice-President of the Uniwho was elected tempotary chair-The usual committees were ap d. A call of to roll showed delpointed. A call of the form aboved regates from thirty States to the number of over two hundred. A permanent or ganization was effected by the election of Cot. G boson, of New York, as chairman a Cot. Gibbons, on taking the chair, cutogized Gran's recent action in regard cutogized Grant's recent action in regard to the eight hour law. He reviewed his policy and said he was the only man who could be trusted by the working classes. A series of resolutions were reported, embodying the following pribalpies: Reduction of the Nation debt—the unconditional scittlement of the Alabama claims—calorcement of the eight hours law low rate of interest as common National law. Encouragement of ship building giving the United States mails exclusively to American built ships, and 4 5 of isw. Encouragement of ship building giving the United States mails excitatively to American built ships, and year pathy with nations stroggling under opplession. L. M. McGree, of New York, recommended Persident Grant for renomination. The Misseuri delegation recommended Horsic Greeley. On taking the ballot, Grant received two hundred and four votes and Greeley five vote.—
The nomination of Grant was then smalls, manimous. Benator Henry, Wilson was then nominated for Vice President by the following ballot: Wilson one hundred and sixty, Edward D. Morgan, twenty-five, Colinx twenty-five, Grant and Wilson were notified by telegraph of their nomination. A committee was appointed to prepare an address to the working men. A moltion was adopted to have a ratification meeting at Cooper Institute. The evening session was occupied in discussing the question relative to the strike. Seven dead hodies from an emigrant ship were sent to the Morgue to day. The inquest will, it is said, develope the fact that their deaths were caused by districes, superinduced by inferior provisions.

Stokes' case was postponed until the

Stokes' case was postponed until the third Monday in June, to give time for searding a commission to London, a motion for which was granted.

In the Methodist General Conference to day the committee on Episcopacy, reported a resolution that one of the new Bishops take his residence at or near each of the following places: Beston, Cincin sati, St. Louis, Chicago, Atlanta, San Francisco, Ossaba, Councie Blaffs or St. Paul. After considerable discussion, the report was adopted. The new Bishops eport was adopted. The new Bishops sure consucrated to day.
