LOST LAND WARRANT  
This is to give notice that I intend making application to the Commission of Penitentiaries for a Duplicate Land Warrant in lieu of one issued to Martha S. Shaw, widow of Calvin H. Shaw, Co. H, 1st Regt. Maine, for 100 acres of land, which was issued about the year 1850, and was lost in the mail between Augusta and Bangor sometime in the year 1850 or 1851, and has never been recovered.

# MISCELLANEOUS.

In pursuance of an act of the General Assembly, ratified the 23rd day of January, 1872, I have caused to be published the following certified copy of an act to alter the Constitution of North Carolina.

AN ACT TO ALTER THE CONSTITUTION OF NORTH CAROLINA.

SECTION 1. The General Assembly of North Carolina do enact, (three-fifths of all the members of each House concurring) That the Constitution of this State be altered as follows, to wit:

Amend section six, of the first article, by striking out the first clause thereof, and inserting the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section seven, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section eight, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section nine, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section ten, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section eleven, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section twelve, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section thirteen, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section fourteen, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section fifteen, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section sixteen, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section seventeen, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section eighteen, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section nineteen, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section twenty, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section twenty-one, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section twenty-two, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section twenty-three, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section twenty-four, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section twenty-five, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section twenty-six, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section twenty-seven, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section twenty-eight, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section twenty-nine, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section thirty, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section thirty-one, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."

Amend section thirty-two, of the first article, by striking out the words "The General Assembly shall have power to regulate the public schools, and for perfecting the system of free public instruction."
