8th-T. D. Jonzeres, of Bancombe

THE OSE TERM With the lessons of the last few you before the American people they cannot well hesitate in their convictions as to which is better for the nation, one term or orn. As the law now is, or rather, for want of a law of limitation, Grant of any other President may continue in office or an indefinite period if either the prople by their votes shall retain him, or if his corrupt and tyrannical use of dation through the buyonet, by inch a judge as the infamous Bond predise, or by stuffing the ballots by the aid of would cheer up the weak kneed. nteen year old negroes or by importog them from other States, shall force

meelf upon the people, We should suppose that the thinking. flecting people had already seen enough ant's course to make them the hear advocates of militerm. If in the preshiptory of the government they had ust, surely the experience of the last e years would be sufficient to make feen that there was now good for the one term fimit. Grant him ing a candidate for re-election was to ed the following statement: g this second struggle, and I would sire to know whether a majority of my |ne low-citizens were willing to aid my

We do not believe this to be his reason He layer office, he loves its power and its smolements. Power has an latoxicaing quality, and avarice, And latest folly of man's sinking age,"

And what do we see in Grant's course do his organs conduct the campaign?

Are they diligent in their efforts to diffuse light—to lay before the American people there been, any semblance of "a reign of his book: "Not a page, not a stauza, there been, any semblance of "a reign of his book: "Not a page, not a stauza, er a proper verdical So far from his, they deny every charge of official corruption, incapacity, or tyranny; they todiously cloak the stop-adous faults of Frant that otherwise would be as glaring as the day; they amail the opponents of Grant with all manner of defumation behood and slander, and distort, per

rest and misrepresent the plainest facts. The people will believe what has been red. Neither threats nor denials will vall. The people have been robbed, national honor has been lowered, national corrupted, national justice out d, and if Grant is elected, it will not be by a majority of the American people roting as they honestly think, but it will be another ploNaritum -a triumph of the administration had done its utmost to force, fraud, bribery and surruption over obtain the largest possible majority. The the hannet waters of the Union Grant is s such as to constrain every friend of vir. Whilst the vote has increased 4,000, the the best mon of his party. He is the can- United States, what follows? Why, that grace that has attended his Sauto Do- And yet radicals pretend to crow over the go lob, as well as the disgrace the this crimes and short-comings call loudly one only for a change of rulers, but for t law forever preventing any man to be

Adopt the one-term principle, and you stial office to prostitute its at power to the manufacturing of a blic continent and of creating a rge army of retainers who by fraud, vio and bribery shall fasten upon the an with a peoper respect for our national fame can see the Presiden inking, into a common scold, a common lamer, a common drunkard, a commo or of party, crawling bimself "in et mire of politics and throwing spents," without a burning ir, it was a sad day for the charac our country. Let us aid in riddin ne of the lucubus. He rest buy nightmare upon the ene

ELECTION IN MAINE. It will be seen by refer

graphic column that this State, as was expected by all, his gone largely radical.

In 1868, Grant's note as 20 425, 803 nour 42,777—Grant's apportly, 25,036.

The telegraph now informs us state per dical majority will be about 15 000-a illing off some 13,000 on the Grant vote, sad that too is spite of all exertions,

sets based upon any vote since 1868. erant was only elected by something 3 000 in a State that voted some 114 -00, it would seem pretty clear that radirent into power. Look at the recent

North Carolina: Grant in 1868, received 85,718. Seymour 84,559. In 1872, Caldwell's majority is scarcely 2,000—a decrease of radical strength of 10,500 votes West Virginia. Grant 29,073. Sey nour 20,271-Grant's majority 8,802. The only Grant man who was a candidate

Vermont, Grant 44,167, Seymon 13,045 -radical majority 32,129. In the te election it did not exceed 27,000 adical toss over 5,000.

So we have this result, comparing the ote of Grant in 1868 with the vote of

" " West Virginia, a v Vermont, Poy 3 medalities

Total radical loss, aned to the tune of thirty-nine thouand votes, since the Great Incapable as ended the throne. If these figures are not encouraging then we know not what TALL LYING.

We published a calm, intelligent state cent sent us by a valued correspondent of the outrageous conduct of Billy Hea derson and Walser, both members of th Grant Ring, at Salisbury. The radicals have since endeavored by down-right the New York Times-the busest of sheets—was foremost in the effort, repre-senting that Henderson was assaulted and

had to fire in self-defence, and that Wal ser was nearly beaten to death. The ommissioners of Salisbury have publish-From the 22d of August to the helieved the charges made against him.

The New York Heroid reports him as sayling: "I reluntantly consented to enter
burroom,) in which no deadly weapon
was used, and which were confined to the st have done so at all if I did not feel a nor after said fights, have we know seen, or heard of any mob, riot, or organi gation of persons of hostile intentions The civil authority has, ever since the war

The civil authority has, ever since the war, isees supreme, and all the parties concerned in the aforesaid affrays were promptly urrested and required to give bond in the sum of \$500 each for their appearance at the next term of the Superior Court, and, in the meantime, for their preservation of the public peace toward each other, as well as the citizens of the State. At which court they will all be indicted, and punished according to law. No resistance was made to the execution of the legal process—a single officer arrested them. The civil authority has at no time been "powerless," or sven "reals od." Nor do we apprehend any suc-tate of things. Should such an emer ency ever arise-when the civil author ty becomes "powerless" in the suppres-ston of disorder—there will be a prompt appeal for sid to the authorities of the United States.

J. S. McCubrins, John J. Shaver, J. S. McCunniss, John S. Charles, John A. Srider, Robert Murphy, J. J. Bricker, Janu Foster, Ja. John H. Veirle, J. M. Coppie, Commissioners of Salisbury, N. C.

A SIMPLE CALCULATION.

In 1868 Grant carried Vermont by a majority of 33,000. The majority in the slection of last week will not probably exceed 26,000-a falling off of 6,000 votes upon the Grant vote, and that too after acrease of the popular vote is estimate to holders nominee, and his counce at 4,000. Then we have this result miv votes 60,000. There are over 4,000 000 votes polled in the Union. If th lows everywhere, he' would be defeated Vermont election. Such victories in all ry has sustained through him in the the States will only end in the election

PEACE, PHACE, PHACE. The Long Branch Republican journal consure Mr. Greeley, first, because during the war he desired peace. Read what the then Republican president preclaimed:

to war he desired peace. Head what it is a Republican president proclaimed:

EXECUTIVE MANSON.

WASHINGTON, July 18, 1864.

To whom it may concern?—Any propion which embraces the restoration sucu, the integrity of the whole Uniond the abandonment of slavery, as and considered by the executive govern-ment of the United State, and will be met by liberal terms on other substantial and c listeral points; and the bearer or bear-ing the state of the bearer of bear-times of the state of

Mr. Greeley and Mr. Lincoln acted to-cether. Subsequently Mr. Lincoln, with Mr. Seward, went down the Potomac in a resed of war to consult with Mr. Stephens, d of war to consult

BAIRY NOTES.

post held upon large sections of opens mind. It has advanced a portions of Europe and several eats, it is said, have been conthe European mind, It has advanced, grantly in portions of Europe and several Generalization, it is said, have been considering the question of its full recognision of the full recognision of the full recognision of the full recognision of the full recognision. Austria the bejief is wide spread that nd they were extraordinary, on the part religious revolution is preparing itself in the Administration to maintain its Europe. It began, like the reformation trength in that State.

We warn our readers against radical appearance simultaneously in Bavaria. Baden, the Shipe Provinces, Austria, Switzerland and the North of Germany. ver 300,000. If the radical vote falls off In Austria they number over 145,000 Thus for none of the higher dignitaries of the Routelt Church have joined them, but ral strength has diminished since Grant they number many men of great skillty and the United States.

> The caterpillar has done immense dan age. They began their work of destruc tion in Florida about the 20th of August and since that time have steadily advanced northward upon their course of desc lation and ruin. The Georgia papers say the devastation is terrible. Hundreds are hopelessly ruined. The lose is estimated at from \$75,000,000, to \$100,000,000.

eloquent preacher of the Church of Saint Sulpice, and Notre Dame, whose visit to 11,000 this country a few years ago was so much 5,000 talked of, provokes no little editorializ-13,000 ing. His wife is an American lady-s widow of remarkable charms. His name 39,150 before he became a Carmelite monk, was In four States then the Grant power has Charles Loyson. This name he will resume. He is a man of extraordinary powers, and of no doubt true plety.

A grand Convention of the colored people of the United States favorable to the election of Greeley and Brown is to be held in the city of Louisville on the 25th inst. The call urges the attendance of all colored men who oppose official correption and the contralization of power in the bands of a few men against the will and interest of the masses of the lying to make party capital out of it, and people, and in favor of the "one term" principle, as a means to purify the gov

rament and the civil service of the coun

try. It is a patriotic appeal to the col-

ed people of all sections. English households of this century have powers and distinguished reputations Every one who reads knows of Sidne Smith, the congret, humorist and wit. He had a brother of excellent parts who was only a little less gifted than himself. Then there were the two Bulwers, Edward and Henry, both men of rare taste, cut ture and gitts. It is not generally known even among those who really appreciate the faultiess workmanship and exquisite poctry of Alfred Tennyson that he has a rother, Frederick by name, who is poet born, and has written a volume of verse that exhibits the most conscientious execution, the most delicate sensibility to grace and music, and a power of expres healthy thought, and that thought well attered." It avers that " while reveling n luxuriant fancies," he can nevertheles upress himself " with a grace and terse ness which Pope himself might have envibooks of travels of twenty-five years ago. will remember Mrs. Trollope's book on America that gave so much offence to our oride. She has two highly endowed ons, Authory the well known novelist,

occured to us that such dual-greats was worthy of brief mention. A NEW SECT. - A new religious sect has A New stor.—A new religious sect has been started in Iowa, and have purchased about 30,000 acres of land on the Rock Island and Pacific railroad. They number about 1,500, call themselves "Annuiana," and are all Germans. Property is held in common, and the affairs of the society are managed by fifteen trustees. mount from the cooperative store yearly, ad no member is given any wages or oney for personal expenses. They own rge flour and woollen mills on the Des Moines river, and are noted for their hon-esty and fair dealing. As marriage is not encouraged, though not forbidden, among ham, and they are not receiving any name they are not receiving any name they are not receiving any name to the sect will probably die out a a few years.

and Thomas, who has produced some ad-

mirable pictures of Italian life, that are

mid to rival his more famous brother's

pictures of English life. He is also the

thor of some very remarkable histories.

The Philadelphia Frees says that all the gentlemen in that city whose names were furnished to lits reporter by the organizer of Dunous movement as bolouging to it, have come out and disclaimed any connections with it whatever. It is clear that Dunous, like Sir John Faltstaff, has "misused the King's press damonbly." His forces at Louisville were of a character that must have made even the blatest Slanton heartily assumed or no summoned host of the respectable men he summoned to his aid refused to answer to his call, and he was compelled to enroll in his service at army that very much resembles the moties are with gathered around the redoubtable Falstaff near Coventry.—
