HOME AFFAIRS.

APPOINTMENTS.—We announce the following appointments for H. A. London, Jr., the Greeley and Brown Elector for this District:

Nash County, Nashville, Thursday, Sept. 26th.

Ferrell's Saturday, Sept. 28th.

Wake County, Carey, Sept. 30th.

Other appointments will shortly be announced.

COTTON MARKET.—Reported by Lynn Adams, Grocer and Commission Merchant, South Market Street:

RALEIGH, Sept. 27.

Price of cotton in our Market to-day:

12 M.	16 3-4 cents.
4 P. M.	16 3-4
Sales,	35 bales.
Receipts,	62

Tone of the Market, firmer.

THE REVIVALS.—The religious interest in the Methodist and Baptist churches still continues. Thursday night last six persons joined the Baptist Church, who will be baptized Sunday night next, and the pastor, Dr. Pritchard, stated that the Rev. James B. Taylor, of Pa., would arrive here to-day to aid him in the meeting. Mr. Taylor is said to be an excellent preacher for meetings of this kind.

WAIFS AFLOAT.

Rhode Island church organs are run by water-power—nothing new. How would it work at the other end of the meetin' 'ous, where there is occasionally the flow without the power?

An inn-road—The well-beaten path to the tavern.

Good game for a conductor on a street railway—Oscar.

Railway aphorism—Every milk train has a cow catcher.

When is water most liable to escape? When it is only half-tide.

Can people who listens at keyholes be said to go private hearings?

The line of business some strong minded ladies take up—The mason line.

Filkins says that there are three sexes—the male sex, the female sex, and the insects.

An inquirer is informed that we know of no female dates, although maadates are plenty.

Somebody says the Mississippi has raised one foot. When it raises the other it will probably run.

There have been 417 babies published in Chicago since the fire—311 of them females. Hail to the new She cargo!

An undertaker's office recently bore this cheering inscription on the front door: "Gone for a dead man—back soon."

Native of the Emerald Isle—Is it me bare feet that's throublin' yer? Bless yer honor, an' ain't I sportin' a pair of Cork soles!

A Danbury poet named Button has written a poem. The first line reads: "I am sitting alone on an islet." Pretty good for Button.

STRANGE CONDUCT.—A few days ago there was a sudden change in the schedule of the mail trains on the North Carolina Railroad without the least notice being given to the public. In consequence of this strange procedure on the part of the authorities, persons almost along the entire line of the railroad last Monday were put to much inconvenience. The change has never yet been officially announced that we have seen or heard of.

STAINS.—If you have been picking or handling any acid fruit and have stained your hands, wash them in clear water, wipe them lightly and while they are yet moist strike a match and shut your hands around it so as to catch the smoke, and the stain will disappear. If you have stained your gingham or muslin dress or white pants, with berries, before wetting the cloth with anything else, pour boiling water through the stains and they will disappear. Before fruit juice dries it can often be removed by cold water, using a sponge or towel, if necessary. Rubbing the fingers with the inside of the paring of apples will remove most of the stains caused by preparing ink, also if it be washed out or sopped up from the carpet with cold water when it is spilled, can be almost entirely removed.

LOCAL DOTS.

Gen. Colston left the city yesterday morning for Wilmington.

Pespps is receiving splendid oysters in the shell.

Our Associate Editor is on a visit to his family at Oxford.

The Police Court was barren of items yesterday.

There are only two scarce things in this market—money and local items.

We learn that a colored Greeley and Brown Club will soon be organized in this city.

We hear that a big chicken fight is soon to come off near this city.

There will be a hop at the National Hotel this (Friday) evening.

A large bridal party from the country passed through this city yesterday.

A large number of four horse wagons came into town yesterday ladened with cotton.

W. S. Pearson, of Morganton, a Grant elector in 1868, is in the city at the National.

An effort will be made to get up a handsome private purse to be trotted for on the third day of the Fair.

The question of removing the market from Fayetteville Street to the Baptist Grove is being mooted.

What's become of the $100,000 Congress appropriated for a government building in this city? No signs yet of commencing work.

The latest statistics on the subject places the number of dogs in the city at 67,842, and still the Board of City Commissioners will take no steps to abate the nuisance.

A day or two since a large highland moccasin was killed on the door sill of the front entrance of the residence of Capt. A. W. Lawrence, of this city.

The heads of the various Executive Departments are now engaged in preparing their annual reports to be submitted to the General Assembly.

An old colored man, who lives about 8 miles south of this city, while chopping wood in the woods near his house the other day, found a bag of silver coin under an old log. The bag contained coin to the amount of $25.

Major J. A. Engelhard, editor of the Wilmington *Journal*, was the recipient of a serenade, at the Yarbrough House, Thursday evening, by the Raleigh Brass Band.

We understand that Mr. Brainard Whiting, of this city, is to have charge of one of the offices on the new telegraphic line on the Wimington, Charlotte & Ruther ford Railroad. Mr. Whiting is deservedly popular with all who know him, and will make friends wherever he goes.

A couple of gentlemen of color, residing just beyond the corporate limits of this city, a day or two ago repaired to a spot not far distant from their respective homes to settle a difficulty according to the code. Each had his second, and a couple of old Enfield rifles were the weapons chosen, but before the combatants were placed, one of them showed the white feather and no duel took place. There was a lady in the case and the "green eyed monster" was the cause of the quarrel.

WHAT'S UP!—As we have before announced there is a gathering of radical lights in this city. Windy Billy Henderson, Tom Long, John Pool, W. S. Pearson and a number of others of that ilk are on hand, and they, together with ex-Gov. Holden, Tod Caldwell, Ike Young, Long Perry and Sam Carrow, are constantly closeted. We wonder what rascally scheme they are concocting! In this conection we will allude to the rumor that a certain Superintendent of one of the State Institutions has been in communication with this piratical crew. This gentleman, during the session of the last General Assembly, professed to be very liberal in his views, and is indebted to the mistaken moderation of a democratic legislature for his continuance in office. The legislature, in deciding to retain him gave an earnest of its desire to take the administration of the affairs of the Institution out of the cess-pool of politics, but if its present head is engaged in dark conspiracies with the harpies above named, the sooner the approaching legislature puts the official axe to his head, the better it will be.

P. S. Since the above was put in type we have been informed that a part of the business of this conclave is to take steps to get up an electoral ticket for the "straight-outs," and to this end Col. John A. Fagg, of Buncombe, who was here a few days ago, was much consulted. The immaculate Judge Reade, of the Supreme Court, also has a finger in the pie, we are told.

FALSE IMPRISONMENT.—Zack Royal, a young man from Sampson county, informs us that he was arrested on the 27th day of November, 1871, without warrant or process of law that he ever saw or knew of. A deputy marshal, with pistol in hand, ordered him to get into the wagon where he was kept concealed for a day or two; no one was allowed to see him. He was brought to this city and lodged in jail without a hearing. He was in jail for about seven months.

FALL AND WINTER FASHION GLEANINGS.—Overskirts are of most varied shapes, are both long and short, wrinkled and smooth, are visible only on the back breadths of one dress, while that next it has merely an apron, and are uniform only in being as bouffant as ever. Simplicity of trimming, ends with the basque, for while it is a feature to have the upper part of the costume plain, and a certain *chic* is conceded to the jockey basque that displays fine figures, dress skirts are more abundantly trimmed than ever, are flounced from belt to bottom, and ruffles are sewed to these flounces, making literally ruffles upon ruffles!

The princess polonaise suit is two shades of *souris*, or mouse colored silk, blue sash linings and facings. The exquisite fitting front has but one dart, yet is tight fitting, and is edged with a narrow bias band of a darker shade. A half-wing Watteau on the back is faced with blue, and the abundantly looped and fringed sash shows a blue lining. The skirt has a straight gathered flounce half a yard deep, with narrow bias flounces of darker shade.

A dinner dress of blue-gray faille has two shades, relieved by the favorite blue facings. This is simply a basque with a demi-train. Five perpendicular bands, piped with blue, trim the front breadth. A deep flounce or organ-pipe pleats, caught up to show a pale facing, trims the skirt to the knee. The basque has sash loops and long-winged drapery that form an overskirt to the back breadths. A walking costume is two shades of *seal antique* faille has wide gathered flounces, scalloped and edged with yak lace (wool guipure) of the same quaint green shade.

The novelty in black silk suits is their trimming of ecru yak lace, with watered ribbon bows and sashes. Such garniture is rather conspicuous for quiet tastes and will not supersede the rich jet and embroidery with which black faille is now enlivened.

A new polonaise has simulated wing sleeves like the Dolman, is drawn in at the back by an under belt, and forms bouffant drapery with sashes on the tournure. This garment is made in black faille trimmed with yak lace, and is worn over a skirt elaborate with lace, flounces, and watered ribbon bows.

In St. Louis a man new to politics was asked what he would do—as he was no "speaker"—in case his opponent should take the stump. He replied that he "supposed he could hire a lawyer."

The "Dog Days" and their Danger.

At this season of the year the blood is apt to become impure, the appetite poor the skin sallow, the body enfeebled, the system relaxed, making it susceptible to attacks of chills and fevers, rheumatism, eruptions of the skin and the development of the effects of the injudicious use of calomel. All this trouble may be avoided by the use of a few bottle of Dr. Tutt's Sarsaparilla and Queen's Delight. It is harmless in its effects, but a powerful enemy to diseases. Try it, and you will find it a friend in need.

Dr. Tutt's Hair Dye acts instantaneously.

THE GALES OF ARABY are not spicier than the aroma which the fragrant Sozodont imparts to the breath. Nor is the heart of the ivory nut whiter than the teeth that are cleaned daily with that matchless fluid.

TO OWNERS OF HORSES.—No one who has ever used Dr. Tobias' Horse Venetian Liniment, will ever be without it; it is a certain cure for Colic, Sore Throat, Cuts, Bruises, and Old Sores. Warranted superior to any other; in pint bottles at One Dollar. Sold by all Druggists. Depot, 10 Park Place, New York.

BURNETT'S STANDARD FLAVORING Extracts are neatly put up in Unpanelled 2 oz. 5 oz. and 10 oz. bottles, and are for sale by the trade generally in every principal city and town in the United States, Canadas, and British Provinces, as well as in many other foreign countries.

HELP FOR THE HOPELESS.—You are weak, dejected, miserable, and nothing does you any good, so say. Don't despair. There is balm in Gilead. Have you tried Vinegar Bitters? No! Then why don't you? Whether your complaint be dyspepsia, biliousness, nervous weakness, constitutional debility, or any other trouble, Vinegar Bitters will revive and renovate your shattered system, as a genial rain refreshes the withered flowers.

FOR DYSPEPSIA, Indigestion, depression of spirits and general debility in their various forms; also, as a preventive against Fever and Ague, and other intermittent fevers. The Ferro-Phosphorated Elixir of Calisaya, made by Caswell, Hazard & Co., New York, and sold by all Druggists, is the best tonic, and as a tonic for patients recovering from fever or other sickness, it has no equal.

THURSTON'S IVORY PEARL TOOTH POWDER.—The best article known for cleansing and preserving the teeth and gums. Sold by all Druggists. Price 25 and 50 cents per bottle. F. C. Wells & Co., New York.

CHRISTADORO'S HAIR DYE, stands unrivalled in the world. No lady or gentleman of discrimination uses any other. It is the most perfect, reliable and effective Hair Dye in the world. Manufactory, 6 Maiden Lane, New York.

CARBOLIC SALVE, recommended by Physicians, as the great Healing Compound. Price 25 cents per box. John F. Henry, Sole Proprietor, 8 College Place, New York.

RISLEY'S BUCHU is a reliable Diuretic and Tonic for all derangements of the urinary and genital organs. The genuine, as formerly sold by Haviland, Harral & Risley and their branches, is now prepared by H. W. Risley, the originator and proprietor; and the trade supplied by his successors, Morgan & Risley, New York.

SYAPNIA is Opium purified of its sickening and poisonous qualities. It is a perfect anodyne not producing headache or constipation of bowels, as is the case with other preparations of opium. John Farr, Chemist New York.

PRATT'S ASTRAL OIL has a world-wide reputation as the purest and best illuminating oil. Over two million gallons have been sold for the past two years, from which no accidents of any description have occurred. Send for circular. Oil House of Chas. Pratt, established 1770, New York.

T. D. CLARCY & Co., Agents for South Carolina.

WE HAVE frequently heard mothers say they would not be without Mrs. Winslow's soothing Syrup, from the birth of the child until it has finished with the teething stage, under any consideration whatever.

THE SECRET of beauty. What is it? no longer asked, for the world of fashion and all the ladies know that it is produced by using a delightful and harmless toilet preparation known as G. W. Laird's "Bloom of Youth." Its beautifying effects are truly wonderful.—Depot, Gold St., New York.

If you feel dull, drowsy, debilitated, have frequent headache, mouth tastes badly, poor appetite and tongue coated, you are suffering from Torpid Liver or "Biliousness," and nothing will cure you so speedily and permanently as Dr. Pierce's Golden Medical Discovery.

LOVELINESS ON THE INCREASE.—A marked increase of female loveliness is the evident result of the immense popularity which HAGAN'S MAGNOLIA BALM has obtained among the ladies of America. Complexions radiant with snowy purity and tinged with the roseate hue of health are commonly met with wherever it is used. For the sallow and unwholesome appearance of the face and neck, which utterly counterbalances the effect of any personal attraction the owner may possess, it substitutes that clear, pearl like complexion which is such a transcendant charm in woman, and renders the roughest skin as soft as Genoa velvet. No one is more astonished than the person using it at the marvelous transformation which it effects in these particulars.

FROM WASHINGTON

WASHINGTON, Sept. 26.—Revised regulations will be issued from the Treasury for refunding taxes paid by banks and corporations upon dividends, interest and profits due to non-resident aliens prior to March 10, 1872. The old regulations required certain specified evidence, the new ones will provide for an allowance upon any evidence whatever, which shall prove to the satisfaction of the Commissioner of Internal Revenue that the money claimed was actually paid to a non-resident alien.

The Greeley ovation continues at every point. The following extracts are made from his speeches:

"Had he been a Southerner during the war, educated as Southerners were, he might have acted as they did, but as a Northerner, he had been one of the first to advocate peace when the danger had passed away, though not without securing the liberties of the blacks. There are white men still disfranchised and for them he pleaded.

We had been generous and just to the blacks, let us at least be just to the whites: If the people only knew the whole truth about the carpet-bag Governments, there would be no doubt of the result of this canvass.

The South had greatly sinned, but greatly suffered, and repented and should be forgiven. The robbers of South Carolina would be on a dead race out of that State in two days after they heard a new government was elected against them.

When he went bail for Jefferson Davis, his action was not for the man, it was an overture to the whole Southern people. Millions of men felt that an act of kindness to their section. For their sake he deemed it wise to do as he did.

Men say I shall be defeated, but I cannot be defeated. I may not succeed as a candidate, but the effort I am making to bring the people into more trusting relations with each other cannot fail, it must succeed."

FROM NEW YORK.

NEW YORK, Sept. 26.—Letters from Martinique report a loss of twelve vessels and three lives on 9th at St. Kitts. On the tenth, the brig Roseway of New York, with a cargo of corn, and the brig Salamander were wrecked. The barks Jane Richardson and Rosebud were both dismantled. A schooner was carried to sea and lost; a sloop was driven on the beach and an unknown bark foundered to windward of the Island. The hurricane at Barnadoes greatly injured the crops and drove ashore the brig J. Boyer, of New Brunswick, George and Grace Kelly, of Halifax, and two sloops. No lives were lost.

Stanley writes a letter to the *Herald*, declaring as false the stories relative to him by "Noe."

Forrester withdraws his petition for a writ of *habeas corpus* and consents to go back to Illinois penitentiary.

Faucher has qualified as Judge Barnard's successor.

FROM OHIO.

CLEVELAND, O., Sept. 26.—The Northern Ohio Lunatic Asylum has been burned. The lunatics are said to be saved. Three attendants were burned. It is feared that others are in the *debris*. The loss is three hundred and fifty thousand dollars.

The steamboat men's convention organized a national board and adjourned to meet in Philadelphia on the third Wednesday in Sept., 1873.

FROM CHICAGO.

CHICAGO, Sept. 26.—Rev. Peter Cartwright, the Pioneer Methodist preacher, is dead, aged 87.

FROM LOUISIANA.

NEW ORLEANS, Sept. 26.—State Auditor Graham is recommitted in the 7th District, the Court deciding that the Governor's pardon was unconstitutional.

FROM INDIANA.

SOUTH BEND, Sept. 26.—Colfax introduced Gen. Hawley at the Republican meeting here. Colfax used the occasion to disavow any connection with the Credit Mobilier or the credit immobilier, if there is one in the Union Pacific or Central Pacific, or Lake Shore, in the South Bend and Plymouth railroads, in oil wells or gold mines promising immense dividends that sometimes fail.

FROM ALABAMA.

MONTGOMERY, Sept. 26.—The Democrats and Liberals of this district have nominated Oates, Democrat, for Congress, Faber, Republican, for Board of Education.

FROM EUROPE.

PARIS, Sept. 26.—Gambetta, in a speech at Albeitville last night, demanded the dissolution of the national assembly of France.

FROM KENTUCKY.

LOUISVILLE, September 26.—The Colored Liberal National Convention has assembled. Twenty-two States are represented. The following letter from Greeley, was read with applause:

NEW YORK, September 9th.

GENTLEMEN:—I trust the day is at hand when we shall know nothing of any man's color, but esteem and trust him as he shall conduct himself as a man and a citizen. For the present, I acquiesce in the expediency of holding a Convention of colored men, but I hope they may not be needed this year. Trusting that your deliberation may strongly conduce to this end.

I am yours,
HORACE GREELEY.

TWO THOUSAND, TWO HUNDRED AND SEVENTY-O. E (2,271) ACRES OF LAND,

BANKRUPT SALE OF REAL AND PERSONAL PROPERTY.

On Tuesday the 8th day of October, 1872, at 12 o'clock, M., I will sell at the Courthouse door in Louisburg, to Franklin county, North Carolina, the tract of land on which Archibald Taylor now lives, about four miles west of Forestville, in said county, containing by said A. Taylor's schedule, 2,271 acres. This is a very valuable and productive tract of land, a large portion of which is in original growth, with about 500 acres of rich low ground in it. It also has all necessary outhouses, such as Barns, Stables, &c., and a storehouse for merchandising; also a splendid Dwelling House, barns and commodious, built as contractors work. On this land (being near Porter's Gold Mine) is a Gold Mine pronounced by competent judges very rich, perhaps the richest in North Carolina.

At the same time and place, I shall sell for cash to the highest bidder, between two and three hundred accounts, due bills, notes, receipts, &c., amounting to about $3,000.

Persons wishing to make a good investment of their funds would do well to have an eye to this tract of land, as it is very valuable.

Assignee of the estate of Archibald Taylor,
