REMARKS.
Fruit on Wednesday morning in excellent condition.

R. M. Furman Esq., the clever editor of the *Louisburg Courier*, and Col Walter Clark, of Halifax, paid us a visit recently. Furman was on his way to see his "son-in-law," and Col Clark is attending the meeting of the Board of Directors of Raleigh & Gaston railroad.

Col. W. H. Tucker, after a long absence, has returned to the town. He is as hearty as a "Buck."

We return thanks for a season ticket to the First Grand Annual Fair to be held at Goldsboro, beginning on Oct. 23d.

The *Sentinel* circulates in nearly every county in the State. Advertisers, if they are wise, will bear this in mind.

We have received a very handsome pamphlet of over fifty pages, containing the "Sales, Regulations and Schedule of Premiums for the First Grand Annual Fair of the Farmers and Mechanics Association of North Carolina, to commence on Tuesday, Oct. 23d, and continue four days, \$5,000 in premiums are offered, R. T. Fulgum Secy. There is to be a Tournament on 25th. Three prizes are offered—a watch worth \$100, saddle and bridle worth \$40, and a pair of Silver Spurs worth \$10 to the best rider.

Remember the sale of the beautiful property, "Hilfield," takes place at 12 M. in front of the Court House on the 15th inst.

RESTAURANT.—By a reference to our column of new advertisements it will be seen that Mr. A. W. Fraps has reopened his restaurant. Fraps' reputation as a popular and successful caterer is too well known in this community to need any notice. He will now, as in the past, most fully the requirements of the public. He daily receives supplies of oysters in the shell, which are served in all styles. To fact every thing the shape of oysters, and liquids which can be had in any first-class restaurant can be had at Fraps'.

GETTING ON.—Some writer who is evidently well informed, is exposing quite thoroughly, in the *Banner of the South*, some of the many errors into which Cook has fallen in his life of General Lee. In the *Banner* of Sept. 25th, there is an article on the battle of Gettysburg, which "shows up" the many inaccuracies of Cooke. We hope sometime, when the campaign is closed, to copy some of the main points of this criticism. Virginius writers have been prone to injustice whenever North Carolina troops have been concerned. The article referred to exposes to some extent Cooke's blindness in regard to our gallant Lee. He is in the terrific three days battle of Gettysburg.

THE PROGRAMME.—We were promised a complete programme of the ceremonies upon the occasion of the Firemen's demonstration on next Monday, but the promise was not fulfilled. The following, we have been informed, fills the bill in sum and substance:
On Monday next at 2 p. m., the Hook and Ladder and Rescue Fire Companies of this city meet at their respective quarters and proceed to the depot to meet the Bollingbrook Fire Company, and will conduct them to Metropolitan Hall where welcoming addresses will be made by Judge Battle and Mayor Whitaker, from thence they will be escorted to their quarters at the National Hotel. On Tuesday morning at 6 o'clock, the Fire Companies of this city, with the Bollingbrook Company, will proceed to the N. C. Depot where they will receive the Charlotte Companies who will be escorted to Metropolitan Hall, welcomed and then escorted to their quarters at the National.

On Tuesday at 1 P. M., a grand parade will take place.
At 4 o'clock p. m. an address will be delivered at Metropolitan Hall by Major Geo. W. H. Adams after the address a splendid supper will be served at the National.

On Wednesday morning at 10 o'clock, a grand parade will take place.

GLORIOUS NEWS—GEORGIA ALL RIGHT.

Through the courtesy of Capt. S. T. Williams, Political Editor of the *News*, we are able to lay before our readers the latest news received from Georgia, up to 12 o'clock M., on Thursday, 34 counties give Smith, Democratic candidate for Governor, over 19,000 majority. Some of the strongest Radical counties have been heard from, and only one went for the Radical nominee. Smith's majority will reach thirty thousand—so the telegrams say.

LOCAL DOGS.
There was a slight frost here yesterday morning.

J. Y. Bryre, Esq., of Charlotte, is in the city at the National Hotel.

Bets on the Presidential contest are running high.

Oysters are now plentiful in our market.

The attention of our readers are directed to our new advertisements.

Since Gassett left there is no "straight out" left in this locality.

The *Kesh Hashanah*, or the Jewish New Year, was observed in our city on Wednesday evening.

The citizens of Western Ward are disturbed at night by the frequent discharge of fire arms.

Col. John Page, of Buncombe, the "straight-out," has been in close consultation with the radical lights heretofore for the last three or four days.

We understand that Messrs. W. J. Hawkins, A. B. Andrews and S. F. Phillips will soon erect handsome private residences in this city.

The postal money order system between this country and Germany, as also did the new law in regard to revenue stamps, went into effect on Tuesday.

A small white lad had his leg broken by being knocked down by a runaway horse, on yesterday, near the bridge over Walnut creek, on the Holleman road.

Day before yesterday the following convicts were paroled out of the Penitentiary by Gov. Caldwell: John Judger, colored, from Buncombe, sentenced for assault and battery on Isaac Linnis, Buncombe, sentenced for five years for bigamy.

The object of the recent gathering of radical politicians in this city has just been disclosed. They have been discussing the practicability of establishing the tobacco issue of a paper. It is said to be done they will do it.

We are glad to learn that the Superintendent of the State Fair is daily receiving notices of entries of articles intended for exhibition. Yesterday he received notices of entries of stock and articles from Orange, Rowan and Edgecombe counties.

A Weldon (N. C.) merchant was in our office yesterday, and gave us the most surprising information that every merchant in that town advertised in the village paper—*Baltimorean*.

That beats Kingston and some other places we note of.

A Gross OUTRAGE.—Yesterday (Thursday) Primus Haywood, colored, went to the freight office of the Raleigh & Gaston Railroad and behaved in such an outrageous and insolent manner that the clerk, Mr. William Hicks, was forced to order him out. Primus refused to go and when Mr. H. endeavored to enforce his order, Primus showed fight, drew his knife and inflicted a gash over Mr. H.'s left eye, and took to flight. He was soon arrested and being carried before Justice of the Peace, Wicker, was bound over to appear at the N. C. term of the Wake Superior Court in a bond of \$300.

COLORED LIBERAL REPUBLICANS.—Alfred Williams, colored, a delegate to the Louisville Convention, has called a meeting of the Executive Committee of colored Liberal Republicans of North Carolina, to convene in this city October 10th.

Price, Jr., New Hanover; John Lewis, Cumberland; S. A. Bubac, Green; Alfred Williams, and S. J. Cross, Wake—Secy. of last.

THE PRESIDENTIAL ELECTION LAW.—We learn that Dr. Meuninger, Secretary of State, in the absence of any special law, bearing upon the Presidential election, has deemed it advisable to obtain the views of prominent legal gentlemen of both political parties, with a view of obtaining uniformity of action and election returns, at the several precincts throughout the State. In the opinion of these gentlemen the 4th Section of Chapter 45 Laws of 1868 is still in force, to wit:

"This election shall be conducted and the returns made as nearly as may be directed in relation to the election of State officers and representatives in Congress, except as herein otherwise expressed."

In this view the law of 1872, chapter 185, is applicable to the election as far as may be. Dates which in this law are designated by the State election should be appropriated in the ensuing one; Regulations should, begin at once in accordance with sections 6, 7 and 8 of the Act of 1872.

MEETING OF THE STOCKHOLDERS OF THE RALEIGH & GASTON R. R.—On yesterday, (Thursday), at 11 o'clock, a general meeting of the stockholders of the Raleigh & Gaston R. R. Company was held in the office of the Company in accordance with a resolution passed at the regular meeting in July last. B. F. Moore, Esq., was called to the chair, and W. W. Vass and Thomas Badger were appointed Secretaries.

The roll being called, it was ascertained that shares were represented in person and by proxy.

The President of the Company, Dr. W. J. Hawkins, read a dispatch from Gen. Bradley T. Johnson, of Richmond, Va., stating that the train on which he was coming was delayed by an accident to the engine, and that he could not get to this city before 3:30 p. m. He also stated that a number of stockholders, living along the line of the road, were on the same train. Here a lengthy debate arose between Messrs. Clarke, Gething, Grace, Davis and others, upon the question of asking a recess to await the arrival of said train before transacting further business. All the motions tendering in this direction were voted down by stock votes.

Col. T. B. Venable offered a resolution to accept the amendment to the charter of the company, passed at the last session of the General Assembly. A motion to table the resolution, made by Mr. Gething, was voted down. The amendment provides, in substance, that each share shall have a vote, instead of a vote for each of the first ten shares and then one for each additional share as at present, and doing away with the requirement that directors must reside within the limits of the State; also that the stockholders shall elect the President as well as Directors.

R. F. Moore, Esq., made an elaborate argument against the acceptance of the amendment.

Messrs. J. B. Batcher and G. W. Grice followed in advocacy of it.

Capt. J. J. Davis also opposed it.

The resolution of Col. Venable was then put a stock vote and adopted by a large majority.

W. J. Hawkins was elected President of the Company for the ensuing year, and the following gentlemen were chosen Directors:

Messrs. G. W. Grice, W. W. Chamberlain, J. B. Batcher, Walter Clark, Geo. Little and P. C. Cameron.

The meeting then adjourned to meet again at 4 p. m. As we go to press, before the meeting takes place, it is supposed to give notice of the proceedings until our next issue.

Charles Louchein, the young man who was recently shot by constable, Reedy, Jr., of North End, Sunday morning, being who was shot on the 1st inst.

FROM GEORGIA.
Macon, Oct. 2.—A light occurred at the polls here to day, growing out of another attempt by the negroes to take forcible possession of the polls, a device which they have successfully practiced here during the last three elections. Very early in the morning they assailed the City Hall and marched to the polls, where they were met by a large force of police, and a struggle occurred in the dense mass, and then a discharge of bricks came from the negroes, followed by an order from their leader, Jeff Long, to fire upon the whites. In the course of a few seconds about fifty persons were discharged from both sides, by which one white man was killed, and some five or six negroes wounded, two of whom are since dead. The attack came from negroes, and these general facts are substantiated by numerous affidavits before the Honorable Judge Cook of this Circuit, who was in the Court House in a column, under the command of their captain, lieutenants and sergeants. There they found a common crowd, principally whites, and common-law crowd upon them, and forcing them from the polls. A few boats of bullets occurred in the dense mass, and then a discharge of bricks came from the negroes, followed by an order from their leader, Jeff Long, to fire upon the whites.
