Professor Anderson's entertainment on Tuesday night was very pleasing. The tableaux were charming.

There will be no speaking to-night (Wednesday) at Metropolitan Hall, as announced. Judge Merrimon has left the city. If he returns in time, he and Ovide Dupre, Esq., will address the people on Saturday night.

Woodson "pays his money" but don't "take his choice." He failed to get the silver watch at Prof. Anderson's pleasant entertainment on Tuesday night. He buys four tickets every night. That is a move in the right direction—"independent journalism."

NORTHERN ENTERPRISE.—A gentleman from Granville tells us that Mr. W. K. Davis, of Boston, who bought the hotel property of Dr. Blacknall at Kittrell Springs, has fitted it up in a style not equalled by any hotel South. We rejoice to see such men settle among us, and trust he may induce others of his friends to follow his example. Quail, turkeys, snipe, rabbits and foxes abound in great abundance in Granville, Franklin and Warren counties. So gentlemen fond of the sport of gunning can find no better place than Davis' to spend a few weeks. He is fully supplied with horses, saddles, wagons, guns, dogs and all other things necessary for sportsmen, and whoever spends a week with Davis cannot fail of being satisfied with this entertainment.

ATTRACTING ATTENTION—Loud talking in church before service begin.

THE Wilmington *Star* says that Mr. John F. Robinson reports 12,468 persons as visiting the show at Raleigh. This is a "whopper." From what we can learn some two or three thousand were present. But for the rain the crowd would have been very large.

E. F. PAGE, Esq.—By a reference to another column it will be seen that this gentleman was united in matrimony to Miss Daisy, youngest daughter of Maj. J. C. Turner, of Salisbury, in Baltimore on the 23d inst. The above is chronicled in this column in order that we may add our good wishes to those of the large circle of Mr. Page's friends in this city.

Our Western mail was unavoidably lost on Tuesday evening. In carrying the form to the *Advocate* office a small portion of the type got pied, which caused so much delay as to prevent the saving of the mail. Accidents will happen, and as we have to print six hundred yards from our "bomb proof," delays must some times occur these short days.

Editorials crowded out.

THEO. N. RAMSEY, General Deputy for the Good Templars of North Carolina, has returned to the City from his visit to Eastern North Carolina. He met with great success at every place he visited. He travelled in one week upwards of one thousand miles; delivered four temperance lectures, and organized three Lodges of Good Templars. He reports the Order flourishing in every part of the State he has visited. He will continue his campaign in the East.

HENDERSON.—Two new stores are going up. Kittrell keeps a good house. Col. Wilkerson will soon open his new tobacco ware-house. On Monday afternoon Ovide Dupre Esq., of this town, made a strong and eloquent speech for Greeley and Brown. On Tuesday, as we passed, Saunders, the colored Maryland orator, was about addressing the people. He has spoken several times in Granville, and gentlemen of intelligence, inform us that he is a speaker of real ability.

OXFORD.—Court is still in session, Greasy Sam presiding with all of his accustomed dignity, fairness and ability. On Monday one of Grant's main pillars in Granville, a negro County Commissioner, whose name escapes us, was on trial for stealing tobacco from Mr. Burwell. The evidence is said to be overwhelming, still the jury hung fire. There are two or three houses in course of erection. The Presbyterian Feast was a success every way. Our neighbor, Woodson of the *News*, was on hand, as he reported, and sustained his high reputation. The merchants are very active, and are doing a driving business. The corn crop is turning out even better than was expected.

MAYOR'S COURT, Oct. 30, 1872.—Ann Dunn and Susan Dunn, charged with robbing Willis Trice, wagoner for Mr. Mull Holland, of Chatham county, of sundry articles to-wit: two sacks, two dress patterns, lot of fish, bladder of snuff, curry comb and frying pan, appeared before the Mayor this morning. The testimony of Willis Trice proved; that he was very drunk—that he had been in the house of the defendants—that he knew nobody—didn't know whether he carried the articles with him to said house—he asked permission to stay all night—and he didn't ask, but was asked—in fact, that his brain was so thoroughly saturated with mean whisky, he couldn't tell a plain, straight-out story.

Defendants said Willis brought the articles, found on their premises, to the house himself—he brought no dress patterns, and that the articles before the court, were all he did carry.

Mr. Holland said, the testimony of Willis differed materially from his narrative at camp, this morning. Defendants were discharged, and Willis counselled, *ala Watts*.

DEATH OF MAJ. A. HAMILTON, POLK.—We regret to learn that Maj. Polk, son of the late Gen. Leonidas Polk, died at Hartford, Conn., on 18th inst. The New Orleans *Picayune* in announcing his death says:

The deceased was nearly forty years old, and possessed many of the qualities that distinguished his eminent father. During the war he held the rank of major of artillery. He married a few years before the war the daughter of a prominent citizen of Hartford, Ct.

Bishop Polk had but two sons; and the survivor, we learn, resides in Memphis, where he is engaged in the commission business.

Maj. Polk was a citizen of Asheville, in this State, where he was held in the highest esteem. A friend who was intimately acquainted with him, furnishes us with the following memorial sketch.

Messrs. EDITORS:—Permit me to say a few words in addition. Capt. Polk was the son of the late Bishop Polk, and was serving on his father's staff in the celebrated Kentucky campaign, when he experienced an attack of sunstroke from which he never entirely recovered. Capt. Polk was remarkable for clearness of intellect and decision of character. He was a man of strict integrity and straightforward honesty. One thing may be mentioned to illustrate his manhood. Notwithstanding he had to avoid the least excitement, in consequence of its deleterious effects on his system, yet time and again, he ventured into active service during the war, only to experience an aggravation of his terrible malady.

In a word, Capt. Polk was a true Southern gentleman, and the community of Asheville has suffered a great loss in his premature death. B.

TEMPERANCE DEMONSTRATION.—We learn that there is to be a grand temperance demonstration in this city on the 28th day of November, (Thanksgiving day.) Distinguished speakers are to be present and deliver addresses. The meeting is to be held at Metropolitan Hall.

LEE MONUMENT ASSOCIATION.—The ladies of the country are called upon to lend their aid to the perfection of a plan for defraying the expenses of the "Lee Monument" now in process of completion by the talented and accomplished Virginia artist, Mr. Valentine.

It is a subject which addresses itself to every one who admires greatness in man, and is one which comes peculiarly within the province of the women of our country.

In order to give them an opportunity to aid in raising funds for the purpose, a piece of music composed by Prof. A. Lutz, of St. Louis, Mo., accompanied with a striking likeness of the *great hero*, entitled

IN MEMORIAM—R. E. LEE,

will afford to each purchaser a token in remembrance of the part she has taken in this grateful tribute.

It is obviously an easy and modest way for every one who sympathised with the great and peerless hero, who sleeps in the chapel of Washington and Lee University, to manifest that sympathy; and to those who admire only his greatness, to make a record of their magnanimity.

The ladies of the country are invited to a consideration of this "graceful tribute" to the memory of Gen. *R. E. Lee*,

SOL. SMITH RUSSELL—THE POPULAR ACTOR PLANNING AN OCCUPATION OF THE SOUTH.—About the 10th of November, Mr. Russell leaves for an extended Southern trip, which will occupy him at least ten months, commencing at Cairo, and embracing Kentucky, Tennessee, Mississippi, Alabama, Florida, Georgia, Virginia, the Carolinas, Pennsylvania and Ohio, with, in all probability, short tours in Louisiana and Texas. His entertainment takes the form of a monologue, something like Charles Matthews "At Home," or Winchell's exhibition. It will contain a great variety of impersonations, brief comic lectures, songs, &c. From the style in which it is written, and his well known personal character, the entertainment is sure to be not only an agreeable one, but one with which the most fastidious taste cannot find fault. Mr. Russell has for the past seven years travelled with the Berger Family and the Peak Family, and in his vacations has frequently tried giving an entertainment of the above character. His attempts have met with such success as to warrant him adopting that line of business permanently. He is accompanied by Mr. James E. Stewart, a pianist from Detroit who has won no small fame as a composer, both of songs and instrumental pieces.—*St. Louis Democrat.*

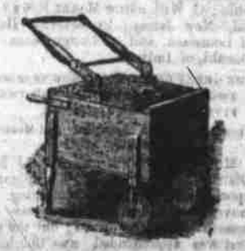
PERFECT SAFETY! PERFECT LIGHT! BEST OIL IN THE WORLD.

THE TIP TOP WASHER.

(Patented Feb. 28, 1871.)



THIS MACHINE COMBINES SIMPLICITY AND DURABILITY,

ACKNOWLEDGED TO BE THE BEST REGARDLESS OF COST.

PRICE $12.

The most perfect Washing Machine yet invented is the TIP TOP MACHINE, which for utility and durability can never be surpassed, if equalled. The public have ever demanded a simple machine which all can easily understand and keep in order. No invention has ever met with more favor or success in so short a time, than the Tip Top Washer has. For the reason that it is cheap and durable, not liable to get out of order. It is self adjusting, easily operated and easily handled, being mounted on rollers. It wears clothing much less than any other Machine or process as it washes the dirtiest clothing perfectly clean by a rapid succession of pressures or squeezes, thereby saving them from the wear and tear always sustained by the old process of washboard or roundar. This machine requires no washing fluid or chemical operation. None but common soaps need be used to make your clothing white or clean. This Machine will not damage the most delicate fabric or tear off buttons; yet it will wash any sized piece of clothing from a bed quilt to a pocket handkerchief. It will pay for itself every year in the love saving of clothing. This alone should place the Machine in the hands of every family whose economy is at all desired. If you wish to save labor and preserve your health, try it. The Tip Top Washer needs only a fair and unprejudiced trial to convince the most skeptical of its complete success. We invite from them the most rigid test and only ask that our directions be strictly followed, which will accompany each machine sold. Every machine is warranted and in every case the money will be refunded on return of the machine in good order if it does not give perfect satisfaction and has been used according to directions. This Machine needs only to be seen to be appreciated.

A few active agents wanted. Upon receipt of $12 we will send one of our machines to any desired point. Parties dealing the machine will remit us the amount per express or by registered letter and we will forward them the machines immediately.

Persons desiring to act as agents will address us for further particulars. Communications solicited from Manufacturers.

This is strictly a

HOME LIFE COMPANY.

Its officers and Directors are citizens of the State, of high character for business capacity, enterprise and probity. It offers every

SUBSTANTIAL BENEFIT

that Northern Companies do, with the great additional consideration that the capital is kept within the State, and, therefore, helps to build up and foster home institutions.

Another important fact to be considered is, that the Wilmington Life has thus far obtained a very much larger interest for the money invested at home, than any of the New York Companies receive for their investments, according to their sworn statements before the Commissioner of that State.

Those unquestionable facts should commend this Company, above all others, to our people. Let it be borne in mind that millions of dollars received for Life premiums have been sent North since the war, which at once drains the South and enriches the plethoric capitalists of the North. If there was no other consideration, safety, fairness and cheapness being equal, why North Carolinians should insure at home, this were more than sufficient.

THE WILMINGTON LIFE

has excellent special features.

It places no restriction on residence or travel; it makes no extra charge for female risks; and its Policies are incontestable after Five Years.

Its business is managed economically. Its risks are taken with great caution. Its investments are made judiciously.

Its motto is:

ECONOMY, PROMPTNESS, FAIRNESS.

MEDICAL.

BALTIMORE LOCK HOSPITAL.

BALTIMORE, MD.

OFFICE—7 SOUTH FREDERICK STREET.

DR. JOHNSON,

Physician of this celebrated Institution, discovered, when in the Great Hospitals of Europe, viz: England, France and Elsewhere, the most certain, speedy, pleasant and effectual remedy in the world for all diseases or abuses of the system.

Weakness of the Back or Limbs, Strictures, Affection of the Kidneys or Bladder, Involuntary Discharges, Impotency, General Debility Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Pollution of the Heart, Timidity, Trembling, Diseases of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those terrible Disorders arising from Solitary Habits of Youth—secret and solitary practices more fatal to their victims than the song of the Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible, destroying both body and mind.

MARRIAGE.

Married persons, or Young men contemplating marriage, aware of Physical Weakness, Loss of Procreative Power (Impotency), Nervous Excitability, Palpitation, Organic Weakness, Nervous Debility, or any other Disqualification, speedily relieved.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS

Immediately Cured and full Vigor Restored.

This distressing Affection—which renders life miserable and marriage impossible—is generally paid for by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands this subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived of the pleasure of healthy offspring, the most serious and destructive symptoms of both body and mind arise. The system becomes deranged, the Physical and Mental Functions
