ADVERSITY IS THE THIAL OF

Mr. Greeley " fell on sleep," and her imcit rested with God who grave We have learned from the New York ant, tender devotion to his in And now that the great per, death, both laid her low, and the hand's heart bath been so sharply rated and bruked, we read with uou nal interest this passage from bis pen :

Great grief makes sacred shose upon whom its hand is laid. Joy may elevate, abition glorify, but sorrow alone can

rdiable domestic affliction, comes the news of his overwhelming political defeat, and he is forced to witness the destruction of his own hopes and to see a cruel wound inflicted upon his nation's honor and life. But he will soon recover, we cannot doubt, om the last blow, however long his bleed from his sorrowful bereavement. He is no common 'man, and sonl will soon become as calm and selfis to suffer and be strong." His favorite presenter has told him, that " the brightat crowns that are worn in heaven have been tried, and smelted, and polished, and glorified through the futuace of tribula-

desired to be President of this great couny. It was a very landable ambition But we believe him to be a true patriot. and that he would profer defeat if by it he could better serve his country. We elieve that much of him, and we believe that it is indeed a great national misfor tune that he was not obesen to the highest office. He might console blusself with a very striking snying of Cato; that he dd rather that posterity should inquire why no statues were erected to him, than why they were. Mr. Greeley has already ed a good deal in the way of of being the ablest of American jour aslists, and of having schieved what the immortal Millon aspired to, "to leave a name for magnanimity, for mercy, for great, generous, kind heartedness, that beones to few of the children of men. Let his enemies bring out the footish, wicked ces of others and paim them upon a creditions public as his; let them even parade his impulsive and hamb words against us, we will still remember his bold and beautiful set in becoming the surety of Jefferson Davis, the "struck eagle" at whom every evenomed shaft was aimed, we may expect him to carry out, if possiat a time too when the cries of vengeance were colored through the Northern skies. Santo Domingo job will certainly be rehis great influence as a pseificator and the idea of annexing it. It is said that he friend of the South, losing thereby tens of intends to consider all his acts, including the south to oppose or denounce them. Yet Mr. Turner dared do the south to be the San Domingo business, as having it. He sent forth daily his exposures the San Domingo business, as having the sent forth daily his exposures and denunciations right from their paign and pleud so carosatly, persuasively elequently for Amnesty and Reconciliation. There is no effort to content the will not forget that it was Horace Greeky sthe first of all Northern military secretaries recently told a friend military secretaries recently told a friend to invest money in real estate in San persuasively. Days go, as it would certainly be annex.

or own shield and stand bravely by him. raing for his dear wife, disappointed rations and hopes, what virtuin, true man would not rather be the decated candidate than the victorious tyunt-Cate dead than Nero fiddling, !

It may have been, and doubtless was, an error to nominate him, and yet it apared wise in the Democrats to confirm ils nomination at Baltimore. We had some out of a long, wasting, exhausting We had been subjected to seven wearying years of persecution and bleed-ing. We had been pilinged, standered political gangrene was eating away the very vitals of the nation. President, Cabrant, Coopers, Judiciary, down through all the ranks of officials had because more or become, until the monay of France ever since his visit to Pais, during the reign of Napoleon III. Illis life had been threateued in the Boistone State appeared an opportunity, golden and ranking the ranks of officials had because appeared an opportunity, golden and ranking the sainte Chapelie and the Palas de Bostogue by a Pois; and his altazism had simply been condemned by a Prench jury to penal savivated. When he visited the Sainte Chapelie and the Palas de Bostogue by a Pois; and his altazism the Sainte Chapelie and the Palas de Bostogue by a Pois; and his altazism plant of the Sainte Chapelie and the Palas de Bostogue by a Pois; and his altazism plant of the Sainte Chapelie and the Palas de Bostogue by a Pois; and his Palas de Chapelie and the Palas de Bostogue by a Pois; and his Palas de Chapelie and the Palas de Bostogue by a Pois; and his Palas de Chapelie and the Palas de Bostogue by a Pois; and his Palas de Chapelie and the Palas de Bostogue by a Pois; and his Palas de Chapelie and the Palas de Bostogue by a Pois; and his Palas de Chapelie and the Palas de Chapelie collitical gangrene was eating away the light on the matter :

and admirable sacrifice. They o to the great height of the hour and tha and wisely performed his part, and neither roaches nor carpings ought to be fluor at the wise old man. We are defeated it is true; but, friends, countrymen, our rinciples are not dead; they still live, bringing out in such neat style. ad ampesty, peace, reform will continue lover of country then re-consecrate himself to the great and noble work of saving the ark of the constitution, and if our the Union flying over us.

BRIBE NOTES.

Stanley, the discoverer, who is still in found Livingstone," has achieved quite a riumph over 'the Geographical Society that pooh-poohed him at first and doubted all he claimed to have done. They are to give him a dinner at last in recognitson of his services, and to make some atenement for the gratuitous insults they offered him. It is reported that the English people take a great interest in hira, and he has been the recipient of many kind attentions as well as expressions, lishers, and his book will sell for one guinea, or \$5 of our currency.

Co-education of the sexes, we regret to the whole thing most heartily. They ought to be called 'Schools for Scandal."

In the North the progress of the system the past, Its friends will stand closer to see, is making headway. We abominate is marked. Four colleges in New England among them the University of Verthe Swathmore college, in Pennsylvania; Oterlin and Antioch colleges, in Ohio ; distinction on account of sex. There is one institution of the sort, also in Maryhope that this system will never prevail to shield themselves from the scorn and contempt the damable set excites in the In the South

American readers generally have but little idea of the enormous war debt France agreed to pay Germany, That such a vast sum as was exacted could be paid at all by a country of the size of France, and that too after so dimetrons That war was a very expensive business. Only think of a nation's being able to pay any war, besides carrying on its government, and remodelling and increasing its army and navy. Verily, France is still a very

Prance is to have a somewhat novel trial. It is another test of the question years ago..." This is a capital edition, coplously lustrated, of one of Dickens' admirable novels. The story of little Nell, in this England preparing his book, "How I novel, is alone worth the price of the CYCLOPHDIA OF THE BEST THOUGHTS OF

CHARLES DICKERS.-Complied from His Works and Alphabetically Arranged, by J. C. de Fontaine, E. J. Hale & Son. Nev York. Number three of this interesting work has been received. It is a very entertaining book, and even the greates admirers of Dickens, and who is not, will be astonished to find how very many of the "best thoughts" he had. It is a valable contribution and deserves extended Sampson Low & Co., are to be his pub-lished by our favorite New York house, the members of which are North Carolinians to the core,

THE DAILY SENTINEL.

We are glad to announce that this four its influence, greater because of its bold gland among them the University of Ver-mont; Cornell university, of New York; ical party. That it is a terror to the rads. their attempts to injure Mr. Turner, personally and pecuniarily, abundantly attest, The villainous and slanderous intimation the State universities of Indiana, Illinois, that Mr. Turner was cognizant of, or had Michigan, Wisconsin and Iowa/crike no something to do with the destruction of the SENTINE office, is but another dark and internal attempt of unprincipled and reckless characters to brake down the inland, in Carroll county. We sincerely fluence of that paper and Mr. Turner, and ninds of all honorable men for the leaders of a party whose teachings instigate, if they do not justify, aron and every other wickedness known to the catalogue of

There are some few weak-kneed, timid, milk and water Conservatives, who are wont at times to assert that Mr. Turner's bold denunciation of thieves and thievera war is almost marrelleus, and les does our party harm instead of good, speaks loudly of the very great ignorant; they are either corrupt or very productiveness of the Kingdom. Immense diced against Mr. Turner, or they are very sums have already been paid. This week \$40,000,000 are to be paid, and so on in regular iostalments until the end of the year, when the scormous sum of \$400,000,000 are to be figured at the popular iostalments until the end of the year, when the scormous sum of \$400,000,000 are to be sufficiently and as but few, if any, North Carolinians ever worked before, He has saved the State thousands in the sides of which the scormous spirit which will be proposition to be well as done a great good in exposing the Emperor of Germany, popular which will be proposition to be well as done a great good in exposing the Emperor of Germany, popular which will be proposition to be well as done a great good in exposing the Emperor of Germany, popular which will be proposition to be well as done a great good in exposing the Emperor of Germany, popular which will be proposition to be well as done a great good in exposing the Emperor of Germany, popular which will be proposition to be well as done a great good in exposing the Emperor of Germany, popular which will be proposition to be well as done a great good in exposing the Emperor of Germany, popular which will be proposited as a supplied with the supplied of the popular which will be proposited as a supplied with the supplied of the popular which will be proposited as a supplied with the supplied of the popular which will be proposited as a supplied with the supplied of the popular will be proposited as a supplied with the supplied of the popular will be proposited as a supplied with the supplied of the popular will be proposited as a supplied with the supplied of the popular will be proposited as a supplied of the popular will be proposited as a supplied of the popular will be proposited as a supplied of the popular will be proposited as a supplied of the popular will be proposited as a supplied of the popular will be proposited as a supplied of the popular will be proposited as a supplied will be proposited as a supplied will be proposited as a supplied will be proposited as a of dollars and done more to build up and strengthen the Conservative party than Only think of a nation's being able to pay any other five men in the State. He has such a heavy indemnity after a terrible not been rewarded according to his de serts. The people think he deserves some thing—the politicisms are jealous of him. By certain office seekers and those who up in radical speculations and other ras-calities, Mr. Turner is denounced as being too extreme, too severs on those who hav comewhat rife in America twenty-three Mr. Turuer will be kindly remembered and blessed by the good people of North Carolina, when these self-righteons carpers us !" A person who calls himself M. are forgotten. He will yet be rewarded Adalbert de Bourbon, who is a son of a for noble survices, notwithstanding it has

pursued by Mr. Turner The through the SENTINEL toward the unscruof his ancestor, Louis XVI. Naundorff, the clder, was the most famous of all the Bourbon pretenders. M. Jules Favre is to conduct the case for the present pretender. Several volumes have already been written in defence of the claims of Naundorff to be considered the "Lost Dauphin."

And now that Grant has been re-elected we may expect him to carry out, if possible, some of his pet schemes. His famous State at all hazards. They were formidable state at all hazards and had a corrupt covernment. in numbers and had a corrupt government Nor will we forget how early he exerted newed, Gen. Grant has never abundanced with bayonets to back them. Under such

CHICAGO, Chicago has gained one thing by the that busy, enterprising city. A year has declave issue. The President's desire for ansexation does not seem to extend to Mexico, which would be far more profit able than isao Donnago, and which is now little else than a refuge for desperadoes who subsist by preying on the Texan cit. community; and yet a finer and larger city is rapidly tusing to completion where one year ago was a charred and smoking neap of ruins. The bustle of lusiness and the songs of workmen has taken the place of sobs and lamentations, and kap great desciation. All of which shows the abounding energy and hopefulness of our people, and is an earnest of future growth and glery. Chicago deserves the congratulations, and has won the respect, of the whole country. If she keeps on at her present rate she vill not have ashes enough left for her sinners to sprinkle their heads with.—Golden Age.
