HAH TURNER, Jr., Editor

HONDAY, NOVEMBER 18, 1872

A NEGRO IN THE CABINET. For the past week our exchanges has rant having in his coming Cablast a tive of the negro element o eston, of Ohio, is the con To such an extent has this Ade sed that this distinguished so als has been "Interviewed" by tio of his race, not only hi ablic good by accepting the appoint at if tondered, but his firm conviction but the President elect owes his race mark of recognition of their services ig him a second term of office, and that he (the President) can give it in a no more adequate way than by offering to the bitter end. The Japanese govern

Langeton is right from his stand-point, The "colored troops" have fought nobly they have a right to look for spoils beyoud a few subordinate places in the va-tions departments of the government. ogram, progress, has been the howl of the radical party from the time they gained a footbold up to the present; and The tale of progresslop under their sway seed not new he written, for stready fine make up one of ver gave succeeding generations a shuda negro into the Cabinet. That a poble fulfilment of that sentiment (or axiom if you will) contained in Declaration of Independence, that are born free and squal, Honorable John M. Langston to the table on the We can almost imagine re hear the harmonious rustling of her dy brocade as she sweeps along lannng upon the arm of the swarthy s ates Again fancy paints him bowing ver she hand of the charming Princes lie, and with that debonuir air which great men know well how to secume o some gallant speech.

We repeat, Langston, or rather his race, ave claims upon the President elect and party, and we hope they will be vigor sly arged. The present Cabinet may be improved but cannot possibly be made

NORTH CAROLINA JOURNALISM. We really think that the journalism of ur old State is looking up. Within a ay months several men of purts have ounted the triped. In fact it is cause for gratulation that so many able, scholarly men have entered upon journalism as a profession. The State preas could boast of many honored names,-Hill, Milla

prihard, Yates, Bruner, Creany, Pobl, Duffy, McSween, Harris, C. R. Jones and others, who wielded forceful and able pens. During the your severa gentlemen of unusual eleverness have become elenti-fied with journalism. Capt. S. T. Williams, of the Raleigh News, Hussy, of the Hickry Eagle Williams, of the Battleboro' Advance, Manning, of the Weldon Nesse, Hines, of the Greenvill - Executor, Foote, of the Warrenton Gazette: are major in dditions to the editornal State stall. Quite recently four gentlemen of excellent ability and fine culture have become editors -an accession we sincerely rejoice in. We refer to Juo. D. Cameron, Esq., of the Hillsboro' Besender, Col. W. L. Saunders. uphold the right, and to give many real and pleasing contributions to the

BRIEF NOTES.

hobby will present itself in a day or two

St Louis is to have a Woman's Right Convention on the 21st inst. Julia Ward Howe is the presiding genius of the ent. This energetic but misguided male is sending out sirculars relative to the movement. Matters we believe, apper aining to the next presidential canvass in 1876, will be discussed.

The Partuguese Government has signed ession with an English company apowering it to construct a telegraphic able between that country and Brazil This undertaking has for some years on raged the attention of the capitalists and scientists of Europe. The work stablishing the line will commence in short time. The line is to run from some point in the Province of Pernam co via Madrid and St. Vincent to Por

The general scramble for office wil make the political pot bubble and built at a fearful rate for the next three or four the. In the appointments for the ew Cabinet Mr. Everts, of New York, is oken of as the successor of Secre tary Pish, while Judge Peru Settle, of this pessor of Justice Nelson on the bench of the United States Supreme Court.

Japan and Cores are about to engage hostilities. The Japanese have official le demanded tribute of the Coreans, and the latter refused to pay, and made known their intention of resisting such payment ment is somewhat loth to set about enforcing the demand by an appeal to arms. as the Chinese will undenbtedly interfere for Grant on more than one occasion, and in behalf of Coreans, and already is there an ominous activity in the Celestial dock yards. China and Corea combined would perhaps be more than a match for the

Philadelphia wants \$10,000,000 to car ry out with becoming dignity and eclat the coming Centennial Celebration. Here is what the Commission says about the matter: "This sum Congress has provided bluckest chapters of history which shall be raised by stock subscription, and that the people shall have the opportunity of subscribing in proportion Sound the slogan again, and population of their respective States and Territories. The Commission looks to the unfailing patriotism of the people of every section, to see that each contributes Its share to the expenses, and receives its share of the benefits of an enterprise in which all are so deeply interested. It would further escuestly urge the formation in each State and Territory of a Centenpial organization, which shall in time see that country ass ciations are formed, so that when the nations are gathered toowenith can getlier in 1876 each commo view with pride the contributions she has made to the national glory."

THE LEGISLIATURE.

Before another number of the SENTINEL sames, the Legislature will have convened. elepted officers and gone to work. There is not so much work before this as the last Legislature. The Conservatives have a better working majority than they had in the Legislature of 1871-72. In the last the majority was too large --

have tweaty-four majority on joint ballot, We were glad to bear an old member say that he was determined that the per diem question, which so much vexed the hast Legislature, should not give to uble to the present body.

The present Legislature has many members of experience and ability who were banned and not allowed to legislate for the country until the disaffection of Greeley, Trumbull, Tipton, Schurz and others, brought amnesty for all save a few of the ablest men of the South, such as Graham and W. N. H. Smith, who fought and spoke against secession until the war was inaugurated. The people who now look for wisdom and just legislation will not be disappointed in the present General As-

A DESERVED COMPLEMENT,-The edito of the Raleigh Spirit of the Age appears as follows of E. J. Hale & Son, book publishers and stationers, 17 Murray street, New York:

issued many books written at the South, and though the writer of this article has never seen either of the Meurs. Hale, he Hillsboro' Beerder, Col. W. L. Saunders, of the Wilmington Journal, Rev. Juo. S. Long, of the Newbern Liberal, and Johnston Jones, Psq., of the Charlotte Observer. A "ganthaman, whose name escapes m, reported a writer of clevernes, has recently taken charge of the Prodyterian published at Psysterille. We need scarcely add that we wish the gentlemen mentioned, and those not named, the most unmassured success and happiness. May they long live to maintain public liberty and uphold the right, and to give many and they king live to maintain public liberty and uphold the right, and to give many and uphold the right, and to give many and uphold the right, and to give many ment, good taste, considerable culture, when the sentence of the character of the house. Dignated, able, docided and bold in the defence of truth, it was a journal which communided the respect of friend and for alike, for it always reflected the spirit of Christian gentlemen. A good book publisher should have sound judgment, good taste, considerable culture, ment, good taste, considerable culture, extensive influence and a spatiess reputa-tion, and all of these qualifications this house is so fortunate as to possess, and we repeat that we rejoice that the South has such a publishing house in the North, and are glad to know that it is in u pros-

\$4,000,000 in this read. This is all gone: North Carolina, and we know, that in his "Nov. 14, 1762. We have now been util age, he cherishes for our old mother necessarily in the same ardent devotion and affection."

Miss C. now day, as they were before the election regards Sally more in the light of a true They are as vivid, they are as important and confident at triend than in that of a to the South, to the whole country as be

Luigi Amat Di San Filippo E'Sorso, ho died at Nice, France, on Friday last, was one of the Cardinal Bishops, and next in order of senerity to the cardinal sec-ond, Dean Patrizt. He was born at Cag-liari, June 21st, 17:66; was raised to the urple by Pope Gregory XVI. in 1837, nd in 1832, six years after the accession I Pope Pius IX., was appointed Bishop I Palestrins, Italy. He held several high ignities at the Court and in the Church of Rome, among them those of Vice Chancellor of the Holy Roman Church and of Arch Priest of the Liberian Basilly bassalic of Santa Maria Maggiore. Cardinal Amat's health had for some time been failing and his death was not

THE FROZEN SHIP. One screen evening in the middle of August, 1775, Capt. Warren, the master of the Greenland, whale ship, found him self becalmed among an imm

latitude. On one side, and within a mile One of the most sagacious of American statesman was wont to say that one was the best working majority for any legislacould reach, showing that the ocean was

to this canal that a ship made its appearinte and devotion, was spared, and escaped
ance about noon. The sun shone bright— with but a few slight burns.—*Heanseille* ly at the time, and a gentle breeze blew from the north. At first some intervening icobergs prevented Captain Warrens from distinctly seeing anything but her masta; but he was struck with the der Cockburn, the Br strange manner in which her sails were disposed, and with the dismantied aspect of her yards and rigging. She continued to go before the wind for a lew furionity, and then grounding upon the low icebergs remained motionless.

Captain Warrens' curiosity was so much excited that he immediately leaped fator his boat with several scanes, and rowed his boat with several scanes, and rowed to which he fell could not persuade the towards her. On approaching he observed that her hull was miscrably wall Jackson rests does not cover the reweather beaten, and not a soul appeared on the deck, which was covered with snow

has been ever since trying to kindle b ing. There is no reliefspot without uttering a word had body of a female reclining tention." Her countenance retained the freshuess of life, and a contraction of the

limbs showed that her form was inaui mate. Seafed on the floor was the corps of an apparently young man, holding of an apparently young man, holding a steel in one hand and a flint in the other, as if in the act of striking fire upon some tinder which lay beside him. In the fore part of the vessel several values were found dead in their berths; and the body of a boy was found croached at the body tem of the gaugway. Neither provision me fuel could be discovered an where; but Car, Warrens was prevented by the ut Capt. Warrens was prevented, by the expensitions prejodices of his a same from examining the vessel minutely as he wished to have done. He there fore carried away the log book alreads mentioned, and returned to his own ship and immediately steered to the south ward, deeply impressed with the awful example which he had just witnessed of the danger of navigating the Polar sea

on returning to England he made va isappeared in an unknown way, and, b comparing the results of those with the ofermation which was afforded by the written documents in his possession, he ascertained the name and history of the imprisoned ship and of her unfortunat master, and found that she had been fro be see father of the next House of kep-resentatives, having been elected for the first time from the Berkshire District.

OUR DUTY. The quation is now usked, what is left to be done since the cause of the Demo to be done, since the cause of failed, and cratic Conservative party has failed, and their candidate suffered defeat? The answer seems to be roady enough; hole to your principles. Hold to your presen

by temporary decurity. Wrong never

Scasion, Our duty is rity; to abate not one jot of our claim to be recognized as the advocates of all tha is worth a struggle. The differences be tween the two parties were defined with sufficient precision; on the one Centralization, hand usurpation of powers not granted by the Constitution, extravagance corruption, and to the South, oppression, and denial of equal rights. On the other hand, the guaranteed rights of the State ui colored servant, named Sally, who has within the constitution, the supremacy of been in her service for over thirty years. the civil laws, reformation of the civil ser vice, parity and conomy, and universal amnesty and reconciliation. These ques-tions remain untouched by the results of the contest. They are living issued to day, as they were before the election fore, and remember that though the masses of the North scemed to endorse principles and measures so repugnant to the spirit of republicanism, and so hostile to all plans of harmony and reconciliation, yet it must not be lorgotten, that there are men at the North whom all the blandishments of power have never from their allegiance Carl Shurz, Trumball, hundreds of others able, zenlous, and incorruptible, still look apon the American Constitution in its purity as worth defending, still think our liberties worth preserving, still regard our country as the last hope of rational freedom. Dishearcened they may be, desired the constitution of the constitutio

feated they are not, and in the opposition which is sure to assaul the abuse of newly

enlarged power they will not be back ward to show their strength. There is

work enough for all to do, unless the Democratic Conserative party accepts its defeat in the spirit of slaves, from whom all manhood has departed, and such we are

manhood has departed, and such we are sure is not its composition.—Hillsboro Recorder. A MOTHER SACRIFICES HER OWN LIFE TO SAVE HER CHILD .- Night before last about six o'clock, the inhabitants of our neighboring city of Henderson, Ken tucky, were shocked at the occurrence of could reach, showing that the ocean was completely blocked up in that quarter, and that it had probably been so for a long period of time. Capt. Warren did not feel altogether satisfied with his situation; but there being no wind, he could not move either one way or the other, and he therefore kept a strict watch. oulid not move either one way or the other, and he therefore kept a strict watch, knowing that he would be safe as long as the lectergs continued in their respective places.

About midnight, the wind rose to a gale, accompanied by a thick shower of show with a succession of tremendous thundering, grinding and crashing noises, gave fearful evidence that the lee was in motion. The vessel received violent shocks every moment; but the baxiness in the atmosphere prevented those on board from discovering in what direction the open water lay, or if there actually was any at all on either side of them. The night was spent in tacking as often as any cause of danger happened to present itself, and in the morating the storm shoted, and Captain Warrens found, to his greatley, that his ship had not sustained any serious lajury. He remarked with surprise That the accumulated legbergs, which had on the preceding evening formed as prise flatthe accumulated leabergs, which ind on the preceding evening formed an imponetrable barrier, had been separated and disarranged by the wind, and that in one place a canal of open sea wound its course among them as far as the eye It was two miles beyond the entrance its flight. The child, by her sacrificing
