LEGISLATIVE SUMMARY.

Mr. Norwood introduced a resolution providing for a joint select committee on the State debt and liabilities.

d sease amongst cattle.

The joint committee raised last session to examine into the affairs of the Treasurer's office reported though Senator Dunham, a member of that commispapers of the office have been may publish for the benefit of our distant of Representatives. The Speaker red admirably kept, but that several readers the flathent message of the Govto the laws regulating the receipt and dis

report was ordered to be printed. lected enrolling clerk.

The Senate was in session but thirtyfive minutes yesterday, when it again he is writing a work on the "Art of joined the House to finish counting the War." rote for Governer, &c.

But little of general interest transpired ave the introduction and adoption of a esolution by Mr. Badger, of Wake, petiioning Congress to remove the disabilities of certain citizens of the State. The original resolution jucluded only the names of the Hos. W. A. Grabam, W. N. H. Society and Burton Craires. The resolution was adopted under a suspension of the rules, after the names of a number of prom incut gentlemen of the State had been included. Mr. W. J. Wilson, the Enrolling Clerk of the last Assembly, was re-elected to that position. At 11:30 the two Houses seembled in boint session and at the conclusion of the count of the election returns of August last, the speaker announced that the counties of Gates, Jones, Macon, Rowan and Watauga had not sent in returns. A resolution, effered by Mr. Brown, of Mecklenburg, was adopted wash will be found very useful: Take half directing the Secretary of State to send to fashionable form of amusement just at the sheriffs of those counties for the miss- present. drachm bicarbonate of ammonia, and ing returns, and also a resolution by Sen-five and a half ounces of rose water, then ator Seymour raising a joint committee to ing returns, and also a resolution by Senadd the tincture. Apply it gently to the examine all the returns and report what action the joint assembly should take in ed romp. reference to informalities, &c. The joint assembly adjourned until the 4th of next month, and the result of the count will

> WE OWE YOU ONG -Our brother Mills s pleased to publish the following kindly editorial in our behalf :

THE SENTINEL. - This paper has resp-TION IN RALEIGH.—Hickman Lodge, Good Templars, No. 1, of this city, will have a public demonstration on Thursday, the 28th instant (Thanksgiving day). Speeches will be delivered at Metropolitan Hall by distinguished citizens. This is the banner lodge of the United States, and is composed of some of the best and most influential citizens of this place. Let everybody turn out.

| Construction of the best and most influential citizens of this place. Let everybody turn out. | Dissortion of the last cent due him. When an effort is papers: made to overwhelm a man with persecu-tions, then his debtors should hasten to

vines, was led to administer it in several cases of croup. He mixes a teaspoonful of sulphur in a grass of water, and gives a teaspoonful of this mixture every hour.

The eff at is described as wonderful. The The eff of is described as wonderful. The disease is cured in two days, the only following from the New York World of free distribution of your paper.

The Santary Committee respectfulls The Sanitary Committee respectfully report that in connection with Dr. Liantard, veterinary surgeon to the Board, they have examined "the new phase" of the epidemic among horses. The difference of the senses spoken of as droj sy and glanders are sequelæ, or results of the former affection, and resembles purpura hemorthagies or scuryy of the human subject. skelter communication, calls his asme intention times, discussing his head, his heart, his wit, his talent, his boidness, his impudence, his rheteric, his metaphor, &c., &c. If that article is a fair apecimies of the work of a "Good Templar," we implere the kind hearted editors of that paper not to put us into their new boilding, nor be danb us again with any such miserable mortar. If we differ in opinion, state the difference lucidly and respectfully. We are anxious to know and believe the truth, in regard to temperate and every other virtue. But we cannot afford, in these stirring times, with thousands of noble themes before us, to come down to a personal controversy on so small a subject on the editor of the Biblical Recorder.

PRIMITIONO OFFICERS OF THE GENERAL ASSEMBLY.—The Wilmington Journal of the 19th inst, contains the following handsome allusions to the recently elected and filthy stables. Another and powerful exciting cause in excessive medit action of the excessive medit cation dering the fever and too carry exposure to cold, wet, and fatigue, will a presiding enters again. capes from the vessels into the callule The blood is so deteriorated that by the gentlemen referred to:
