LEGISLATIVE SUMMARY. In the Senate, yesterday, Mr. Grandy introduced a bill to revive the law proosedings for the protection of the State's interest in the Albemarie and Chesapeake Canal Company.

The committee on the sale of the Western North Carolina Radroad was empowgred to take testimony under outle. Mr. Murray introduced a bill to estab-

lam.

The only business of much hope stane which transpired in the House on yesterday was the session of Joint Assembly, in reference to the count of the vote for

RALKION BAPTIST FEMALE SENT-NARY.- The young ladies of this lostitu tion will give a concert of Yorai and Instrumental Music at Tucker Hall, on Frie day evening. Dec. 13, 1872. From the success of the former concerts of this School, we are sure that our cit zens, and strangers in the city, who may attend, will have a rich musical feast-Professor Bobimun and his accomplished lady assistant are eminently successful teachers; and their pupils show that they have been well trained.

The concert is free and will commence 4 7 1-2 o'clock.

VERY Good.-Our friend Col. Sannders, in one of his excellent letters to the Wilnington Journal, relates the following :

By the way, a good thing happened in the House of Representatives, day before yesterday during the joint session to compure the election returns. Mr. McGehee, rom the Joint Committee, made a very able report in relation to the effect of cer tain irregularities,&c., in the returns which gave to the radicals the benefit of every possible doubt. When the question was about to be put whether the report should be adopted, an innocent Rulical type and very samestly desired to be informed how it would affect the result! If it burt Caid. well's prospects it was a bad r-port. If it aided them, it was a good one. Of such m, it was a good one. Of such is the Radical party.

RESOLUTIONS OF SYMPATHY.-The fol lowing resolutions were passed by Raleigh Typographical Union at its last regular

WHENEAS, It hath seemed good to the Almighty Disposer of events to remove from the walks of life the late Horacu GREELEY; and whereas, the intimate re lations long held by the deceased with the printing fraternity render it proper that we should express our appreciation of his services to the country and his merits as

a man; therefore,

Resolved, That we deplote the loss of H-BACE GREEKET with deep feelings regret, softened only by the hope that his spirit is with those who, having fought the good fight here, are enjoying perfect happiness in a better world.

Resolved, That in his death the news-paper press of the United States loses one

of its ablest conductors, the nation a ripe state-man, the world a good man, and the poor and oppressed of mankind a warm friend. His life was an eventful one, illustrative of the fact that success ever ceptable minister, but he had remained in follows persevering labor, honesty and Louisburg as long as the law regulating integrity. In connection with our own the itinerancy allows. petent journeyman, accomplished editor That the relatives of the

deceased have our profoundest sympathics in this their sad affliction.

al hough passed twenty years ago, links act has remained almost wholly a dead letter. Very few suits were brought under it at the virenit, an , until the present, none have been carried to the Sepreme Court.

The result as been that infringements of design patents have become almost universal. No sounce did a pattern, devised and introduced at great expense, become popular in the market, than it was copied by other manufacturers, who thus, without risk, and almost without loss of business ewe ideration, enjoyed the fruits of the gestines and enter, rise of others. This became at last a serious evil, which seemed to threaton the very existence of American design, for no one could afford to employ a corps of artistics, and incur the cost of bringing new goods into the market, if his property in the result was open to be shared by all the world.

This was the slate of the treducers which the

Washington, December 8.—House—A number of bills were introduced and referred, under the call of the States.

Senste—The Ohio bridge bill passed.
A resolution for special committee of two, to emisider the question of cheap transportation from the Wast to the sensition board was introduced, bu being objected to, was had over.

Washington, Dec. 9.—House—Under the regular call, the resolution to amend the constitution was considered to authorize Congress to fix uniform time for state elections, to complete James River and Kanawaha canal repealing the tax on spirits made entirely from fruit, for ship canal near St. Phillip, La., to repeal the if in clad cath, civil rights bill was discussed and finally buried by reference to the Committee on revision of laws, to bridge Arkansas at Van Buren, to extend Southern claims commission for years. By General Young, to remove all political disabilities; also for the relief of the Catholic Church members at Daiton, Gh.
This was the state of the business which the Gorham company undertooks to remedy. They were, as swery one knows, forcemost and cornal may resolved and resolved the goods. Ludismayd by the growing pasture of inches were, as devery one knows, forcemost and cornal allows and severy one knows, forcemost and some pasture of the pasture of the pasture of the pasture of the pasture of change transportation from the Wast to being objected to the weather and beautiful forms and decentions, to employ these ward beautiful forms and decentions, to employ the sew and beautiful forms and decentions, to employ the sew and beautiful forms and decentions, to employ the sew and beautiful forms and decentions, to employ the sew and decentions the saw which the constitution was adequate to farmith the constitution was an extendition of the superior of the feather of the constitution of the pasture of the pastu

AND CASSIMERES. 4- PRIMR. SE, PATTY & NEWSON'S.

New Obleans, Dec. 2.—The fusion Legislature assembled in Lyceum Hall. Each member upon entering was served with a restraining order. The military etill hold Mechanics' Institute. Members predentialed by the custom house Board, reporters and custom house partizans are admitted. The parties claim a quarum. The cierk of the old bouse, whose duty it was to call the roll, has been incarcerated by the United States Marshal.

The Mechanics' Institute Legislature has been organized; and Lowell elected Sposker. The Sensiors holding over protested in writing against the manner of the Senate's organization.

Pinchbuck's third in Senate to-day that Warmouth and Weed of the Times, went to Pinchbuck's house at 12 o'clock list oright and offered him. \$50,000 and the appointment of a large number of officers the, Pinchbuck's would parene a course which they would point out. The resolu-PEACHES:

AN IMPORTANT DECISION BELATING

CHEESE: CORN CORN MEAL short, for all forms of ornamess atton. It was the intent of this set that the art of decoration should enjoy the fostering care and protection which has conferred such conspicuous benefits upon the American inventions in the mechanic arts; and m constraint this law in such man-ner as to give prastical protection to the de-signer, the Court has, doubtless, leat a valua-be impu se to the artistic culture of the coun-try.
