HURBYGUAPHS.

Bishop Paine, of the Methodist chu was on our streets on Tuesday.

The Wilmington papers are enthusinst on Katie Putnan's playing, and agree fally with our estimate,

An accident occurred on the Richmon and Danville railroad on Tuesday night, by which an express messenger was killed,

We are unable to give particulars. It began to snow last night, and at the time of writing is still at it.

\$75.000 In Cass Fon \$1 .- We call the attention of our readers to the advertisether column of the Nebrask itate Urphau Asymm. Here is a chance for a fortune in a Public Legal Drawing, and at the same time help a noble and

worthy instatution.

----A SUBSCRIBER I - the DAILY DENTINEL. ot Max Meadows, Va., complains that he does not get his paper regularly. Will the Post Office Department please look into the matter ! The paper is regularly mailed from this office.

SENATEL

bill as above. IRC. 11, 1872.

The chair announced Meases Reap Waring and Ellis of Columbus, is the ach of the special commission a the affuns of the putitentiary. Also Messes Crames, Todd and Nichelson m the committee on engressed bills. Mr. Merrimen from the committee on constitutional reform, reported a bill to an nd the constitution of the State. On motion of Mr. Merrimon, the bill

was taken up, ordered to be printed and made the special order for 11:30 o'clock Rep realizing committees were submitt d by Meases Merrimon, Troy, Eliis of Catswha, Love, and Cowley.

PUBLIC PRINTING. Mr. Ellia of Catawba, from the commit Mr. Ethics Conserved room an commission tee on printing reported a bell to regulate the compensation of the public printer, and moved the mappension of the rules to put the bill on its passage. Coocurred in. Mr. Eilis, explained that the only change make in the law of last session

sar. Eilis, explained that the only change made in the law of last ession was in increasing the pay for composition from sixty to eighty couts per 1,000 ems, leaving the presswork as it stood at fine leaving the pressorie as it stood, at it y cents pertoken. The bill was unanimous jy recommended by the committee, he said, and the necessity for its immediate

assage arose from the fact that the preontract expired on Friday sext. The increase was the result of a thorough examination into the subject, the commit-tee having consulted practical printers in other parts of this State and out of the State. Mr. Waring followed in support of the

The price paid the present printer actoriously inadequate and the comwas notoriously mittee believed they had fixed upon a price just to the State and only fair to the

Pending the consideration of this bill the special order for 11 1-2 o'clock was ed-the bill to provide for the election of Superior Court Judges by the qualified voters of the several judicial

Friday.

Mr. Waring explained that the employ-ing prioter was bound to pay his journey-

men a certain price for s ting type, &c., and that any margin he could look to must be in excess of that sum. Mr. Respens opposed the bill. The peo-Mr. Respense of that sum. Mr. Respense opposed the bill. The peo-

Mr. Murphy admired the gashing pa-iotism of Mr. Respond heart. It was rue it was new born, but still it was the Mr. Mu

no ices admirable. cords as ascenting to a sum nearly double the proposed rates of printing in days not long ago. In fact, that Semator knew is bis neart that the present price was raise ous to the printer, and that the sum pro-posed was hardly adequate to save the winter from loss.

Mr. Merrimon regretted that the comtheir labor filty couts per 1000 ems, leav-ing a margin of ten cents for the public internet the county passed it saveral readings.

Legislature of North Carolins. Sectoring companies on a footing with Revised Code was taken up and, on mo-to above and the sector of Mabour, ed., was tald on the Mr. Worth explained the object of the The bill to amend the act in relation to

Mr. Murphy offered a substitute reiminal proceedings was taken up and, on orion, indefinitely postponed. Mr. Pressen was associated as having uling the entire general inborporation Mr. Worth opposed the substitute. The con confined to his toom by sickness for

The second stations requirement. Mr. Wicks thought not. Mr. Murphy and that if so, the was a quirement tappenible to the character, he has was a most a copy of the New York tuw and was a deal letter, and merined as 1 intended to prohibit the Er-material of corporations. If quited from ar State law to show its absurdities, Mr. Gudger opposed threabstitute.

constitution dir etci the emeridiant general has, and if the present one asperfect it was the dut isture to anend it, its object of the statute was good and more gand box re-sulted from it in conomising the time of the General Asympty. It

I we channot incorporate under it there an a real-city in applying to the General H we chan Mr. Norwood said there was a difficulty

further the construction percent of the percent incorporation has except the incorpora-tion cannot be effected under the general haw. Repeat the general law and you place it beyond the power of the L git isture to pass any special act at all. Yo may pass a special law, he repeated, if the general law be found insufficient, but the constitution prohibits the Legislature from doing so if there be no general law He thought the matter better as it stood eral law could be amended where The get

Mr. Worth concurred with Mr. Nor wood, Mr. Stilley also concurred in Mr. Nor

wood's giews. Mr. Love said he was the first man who ver introduced a general incorporation bill into the General Assembly, the one in question, and it was drawn from the law of Penbsylvania, the purpose being, as had been done in that blate, to perfect it so its defects became developed. He showed districts, which, on motion of Mr. Powell was postponed till 111-2 o'clock on Friday.

Friday. The printing bill was then resumed. Mr. King opposed the bill. He favored the letting out of the public printing to the lowest bidder. It the lowes

hibited from passing special acts only when a general law existed. If there was

pie were not in a condition to bear laws which would enable the public printer to make money out of them Mr. Weich offered an amendment to pre-

the interests of the people in the hands of Mr. Eilis, of Catawba, accepted the superner c-u.t clarks without regard to gualification. He cited the dangerous Mr. Murphy admired the gashing pa-

But he could not overlook the fact that Mr. Respons was on ce-cords as assenting to a sum nearly double

printer from loss. mistee had not accompanied the bill with a report of the facts which induced them to recommend this apparently extraordi-nary increase. His understanding was that the journeymen printers received for for the relief of Simon Goodwyn, fax col-

been co-dified to his foom by sickness for the past several days. The hill to regulate the salaries of the Governor and Treasurer was taken up. [The hill gives the Governor \$3,000 per solution, and the Treasurer \$1800.] M. Bortano moved to refer the hill to the commuted of Salaries and Pess." Mr. Martison huped the reference would not be made. The bifft had been once telered to thit committee but as it. A. Marrison input the biff had been once referred to this committee but as it appeared that the committee would take some thems, before acting on TRUMARTER, at

knew that if the measure was not perfected before the adjouroment it could lesting the no fraction on the statute not be done at all. Mr. Goodwyn urged the refe

the committee in comstly of a on jected the motion by a vote of ye s 58, Dudley, col., moved to amend by strik

g out "3000" and insert " 4000." Mr. Morrison took the floor in advocacy f the bill. He was surve that the genof the bill. ained to make this a party measure. The

Hain

ible" and, with characteristic truth, cred-ited the introduction of the measures to Judge Merrimon's by filer and a cousin to the defeated candidate for Trees Now every one knew he was no kin Judge Merrimon, but he pleaded guilty to the second count in the indictment. He

would erv "shame" upon any man who would introduce and advocate a measure of this kind influenced by party consid erfulteration. Mr. Morrison read the following list

ries of Governors in other States ; Louisiana, \$5,000 ; California, \$7,000 Nevada, \$6,000 ; North Carolina, \$5,000 ; Arkan as \$5,000; Virginia, 5,000; Ken tocky, \$5,000; Massachusetts, \$5,000 Penns ita a, \$5,000; Alabama, \$4,000 Georgia, \$4.000; New York, Mio, \$4,000; South Carolina, Indiana, 48,000 ; Miunssota, \$3.000 ; New dorse , #8 000; Tennessee, \$3,000; Iowa, \$2,500; Main: \$2,500; Mis ouri, \$2,500; Kan s., \$3,000; West Virginia, \$3,000; Forida, \$1,000; Illinois, \$1,500; Oregon, \$1,500; Wisconsin, \$1,250; Delaware, \$1.333.33; Connecticut, \$1,100; Muchi-prn, \$1,000; Notrana, \$1,000; New Hampshire, \$1,000; Rhode Island, \$1,000;

Vermont, \$1,000. Here were great and wealthy States paying much smaller mainris to their governors than North Carolina crushed under a debt of nearly \$40,000,000. Here the State, utterly prostrate under an enormous load

of debt, making no effort to relieve herecil, was paying her Governor a much larger salary thein that of New York. Mr. Morrison continued for some time up-Mr. Marrimon considered the requir means of the general law-which must be strictly conformed to-a better safeguard on the plain necessity of the passage of this measure. It was an economy dictated by ound prudeaue and common sense, and which the tix-payers of the

Mr. Gudger moved to amond the amondment by striking out the "\$4,000" and in-serting "\$3,500." Mr. Cramer called the previous ques Budicy, cel, spike in apposition to the signal bill and in favor of his amend-Mr. Murphy's substitute was rejected.

The bill then passed its third readin, Mr. Gorman charged that the bill was strictly a partison measure. The gentleman ( dr. Marrison) in giving

MISS JEANIE PATTERSON .- This lovely and accomplished Southern young lady plained. gave another very pleasing entertainment in the Hall of the House of Representatives on Tuesday evening. The audience was "select though tew," we regret to say. Releigh should do better than that," Her recitations gave great satisfaction. She recitations gave great satisfaction. She outlies left it extremely doubtful with him whether eighty cents per thousand Lecture, No. 2, and Jeptha's Daughter. We regret to say that we have not the pleasure of a personal acquaintance with this lady who appeals so tenderly to the best sympathies of the Southern heart. We trust that wherever she may go she will meet with a warm, generous and appreciative reception. May heaven's blessings wat upon her and those orphan brothers for whose welfare she is making

such touching sacrifices.

AND THE BIRLE CAUSE .- During the re cent Convention of the N. C. Conference of the M & hurch in Paysteville, a special Committee was appointed to reort on the Bible cause. This Committee made a report setting forth in brief the sults of the Agent's labors during the nine months he has been in the field. Conference recommended that the American Bible Society should employ an additional Agent for N. C., as the field is too large to be successfully cultivated by one Agent. The following resolutions

were unanimously adopted.

Bessfeed, That we heartily approve the efforts of the American Bible Society to supply the word of God to the destitute

mines in N. C. Resolved, That we will co-operate with Ineversel, That we will be optimize an ar-prise and that he is hereby ordinally invi-test to visit our Pestaral charges in ad-vancing the interests of the Brisid cause.

The Rev. P. A. Strobel, the State Agent addressed the Conference in a brief, but partisent speach, Bathop Paine responded in an affectionate address; endoring fully the American Bible Society, as one of the noblest institutions in our land, and assuring; the Agent of his personal good will, and that of all the members of Conference in his ardnous work.

Dr. C. F. Drems, of New York, rose to may that he was in frequent intercourse with the officers of the B.D.e Society in New York, and he jelt it due to brothes Strobel and to the Conference to say that to be printed. protest S. sujoyed the full confidence of the officers and that they were much grat itisi with the ability and indusiry with which he had performed the ducies of his

FROM WASHINGTON.

FROM WASHINGTON. WARIINGTON, Decomber 10.- The Sec-renary of the Treasury sent a conditionic-tion to the House of Representatives to-day recommending an anamoliment to act to regulate and accure asfe keeping of public money entrusted to disburning offi-cers of the United States, posed in 1860. The Secretary encloses the draft of a bill as as to include every check or signet, with every distancing officer in the provision, making is a pesial offence to convert to his own use of a lend, with or without interest, the public moneys, and also mak-

interest, the public moneys, and also making any banker or oroker or other person

ing any binner of binker or other person, who shall knowingly inceive bans of pul-ble monors from distoursing officers, lists is to be tried for embezalement. Lathe case of the United States against Hariwest, the pensior latter ensue of the third section of act 1866 has been held by the Supreme Court of the United States to be lumited in its terms to the officers named in the act and cannot be constructed to apply to any others; hence the red

to apply to any others; hence the recommendation of the Secretary to include ommetidation of the Securary to in every clerk, agant or person. In the case of Kellogg againsa-mouth, which was before the Su Court of the United States on Monda

Court or day granted leave to file one polition, and ordered that argument on the motion for a rule to show came against Judge Dariel be heard on Thurs-day.
