VOL. VIII.

RALEIGH, N. C., WEDNESDAY MARCH 12, 1873.

CAUSE OF OSBORN HUNTER'S DISMISSAL, have a class and be installed as one of ted five dollars with the Mayor, yester-FROM THE OFFICAL RECORD OF THE the teachers of the institution. He is day, by request. The arrest was made PROCEEDINGS OF THE OLD BOARD, ETC.

"There are pupils coming in, in the department?" Deaf and Dumb departments, almost from class. "And, mecessorily, some of the an early date." classes were small and would not history

the employing of a teacher for them r. spectively. After consulting with the teachers, I concluded to divide all the pup is into six classes, and yester-bay wal to-day we have been examining the pupils and attempting to classify them into six classes, as near as possible. I do not know but what we will have to make one for the purpose of making it better for Mr. Hicks's. the teachers, and for the pupi's themcives, the change was made. Mr. Tomlinson turned over the institution to me yesterday. There was nothing unpleasant occurred but, on the contrary, everything was done in the most harmonious manner. Mr. Tombinson will remain here until the first of next month, to assist meall he can. He has promised to make any suggestions and to give me any valuable information he possesses that he can, in-consideration of which the Board has very justly tendered him the use of the building which he now occupies until the

first day of next month " "You have been connected with this

nstitution before, I understand P" "I was raised in the institution. I encred it as an spprentice, in the printing office, twenty-three years ago. I was engaged there, without juterruption, for about ten years. I went away, and having returned, remained in it during the war. Then I went into business for myself; and I have been in that business until elected to this position. I have been connected with the institution in some capacity-Treasurer or something else-for about tweety years, with the exception of about LWO YERES."

then will the new Steward take charge ?"

"On Monday next." "What changes will take place on the

first of April ?" "None, except one in the Mechanical Department. The watchman and one howold I am. I could not tell," teacher in the Deaf Mute Department, The old watchman, Samuel Bridges, noti fied me yesterday he had found another place and has since left, and now I have a temperary watchman in his place. The new and regularly elected watchman, Robert Wyche, will come in on the 1st of had worked for the old gentleman, and I ted to go off to night. April. In the Colored Department, Os born Hunter, Jr., the former teacher there, was removed by the old Board, as you can see for yourself, by examining that

as follows: WERREAS, Charges pro errof against Ouborns Hunter, Jr., have not been sustained by sufficient proof, with the exception of the first, to-wit : slandering an officer of the Institution, to which charge he has confessed blesself guilty, and although the said Ochorne Bunter, Jr , has made a full and unreserved. spology for his misconduct, nevertheless the Board do not deem it proper to retain to its

service, as a teacher, one who had maliciously uttered a falsebond. Therefore, he it resulted, That the said Onthe colored Institution for the Deaf and Dumb and the Blind, said dismissed to take effect as soon as a competent man eas be secured

fill his place Passed January 14, 1873 "The old Board did not succeed in findog a competent person to fill his place, and when the new Board came in Mr. Tillinghast was transferred from the white deal, dumi- and blind department to that of the colored. The vacancy is the white department is filled by the election of Mr. W. D. Cooks,"

"What her become of the old Matron

of the colored department I" "She was dismissed at the same time of costs; Geo. Brown, Ben Jones, James to soture the services of a competent person to fill her place. He succeeded in doing so and the new Board has accepted the rear part of it, modestly slipped be that person, too," "Who is it !"

"Mrs. Mury florings. She will not be able to enter upon the discharge of her

Deaf, Dumb, and Blind Asylum, himself for a teacher that at the com- Examenation Thes. Williams, white, mencement of the next session he is to simply now on trial,"

"Mr. Nichols," is quired a reporter of "Didn't the Legislature make an ap the SERTINEL, last evening, "why have propriation of five thousand dollars for you reduced the classes from eight to six ?" the erection of a building for the colored

INTE VIEW WITH MORDECAL AND GRIP PICE.

The SENTINEL's representative had an interview in jail, yesterday, with the two negroes, Mordecai and Griffice, sentenced ancher teach two classes yet. It was only to be hang, for the burglary committed at

"Well, Mordecai," inquired the reorter, " what have you to say as to your nnocence or guilt ?"

Mordecai: "I do not claim to be guilty, Mason Baldwin, Bryan sones and Greenwood were the ones who did it. They said they were going out to a holie at Linn'Adams'; and they asked me and Griffice to go with them. It was over about a mile or two from Hicks'. There here at Bledsoe's caftie yard, down here the other half." at the Governor's palsee. Bryan made

Arbury. "How old are you?" "I den't know how old I am. I reckon

"Where were you raised F" "I belonged to Mr. Mordeval.

"You are not guilty ?" . "I don't acknowledge being gutlty. That was not our determination to go to Mr. Hicks.' We started to go to the trolic. I liked the old gentleman. We were going two miles beyond. Baldwin, Jones and Greenwood, these are the men who done

the damage." Griffice said he had nothing to say but what Morelegai had stated...

"I was raised by Mr. Grifflee." How old are you?

"I was bore in 1948." This was all sidier of them had to say

md, therefore, the interview terminated

DR. EDWARD WARREN SAYS, in regard o his accepting a position in Egypt: "I sician to his staff, with the consideration, borns Hunter, Jr., to dismissed as a teacher of do., of a Licutement-Colonel, the privilege of practicing medicine and surgery in the city of Cairo, an ample sum to pay my expenses to traveling to that country, and a liberal salary while there. Among other things it is expected of me, for the time, to deliver one or two lectures weekly on chemistry,"

WONDSHIPUL CASE OF ABSENTMENDED ness.-There is an "interesting" young colored girl to juli, Victoria Poole, whose story is as follows: Bhe was walking down Payetteville street when she was scouted by a pious looking dry goods clark who intimated he would like to see Hunter was, by the old Board. The late her at his place of business, after business hours-to arrange about some washing. She went there, about eight o'clock in the evening, but noticing a mustber of men in hind the counter; and seeing she would have to walt, took down a built of homespun, and rolling up her shawl, ant down on top of the two. His was in this position when another gentleman than the one also was in quest of espired her. He wanted to know what the was delay there. We invite attend on to the double asser or hold and secondar or now. He and, secure to revailing for purpose, de- and single column advertisements of this mentioned at length the medico chirargio'clock on next Friday meeting. MOBILs, ALL, May 27, 1809. Dr. W. H. Turr:

Dear Sir.—I should be pleased to advartise your medicines and will cheerfully give you a cood notice of your Expectorant as I have need it with great satisfaction. V-vr respectfully,

Proprietor of the Mobile negister.

THE SHIELD OF HEALTH. Debility opens the door to discuss. Nor is this all. When the door has been opened and the terrible intrufer has entered, physical prostration renders I's progress to the citadel of life comparatively easy. Therefore bur the door, and if possible, keep it barred; or if the enemy has already secured a foothold, rally the strength of the system and a sist nature drive out the foe of health and life. The means of doing this is w thin every one's reach. Brace up he ph sique with Hostet ter's Stomach Bitters when there are clement in the air you breathe or the water you drink that are morbi or unwholesome. This is barring the door. Epidemies and endemics will assail in vain the living foctres; that is thus protected. It may "laugh a siege to scorn." But if this precautionary measure has been neglected, the seed of disease can be ejected by the sarre potent vegetable agent that would, if taken earl or, have prevente. their obtaining an entrance into the system The stim its log, levigorating, regulating and purifying properties of this with glixir render Virgii Nance being pretty severely cur on ta most formidable aptagonist of all debili the face with a pocket knife, in the hands taking disorders. The rapicity and certainty with whice it vanquishes fever and ague rheumathen, tillions colle, Indigestion and nervous c mplaints, is due in no small degree to the strength it imparts to the muscular abre, the nerves and the membranes which line the atomich and the lower, it may be safely said that a course of the Bitters commessed now will be a sure protection agains most of the complaints incident to the season

The Star says there are capitalists is Boston who have expressed a willingness to invest \$125,000 in votton factories in Wilmington as soon as the people of that bury show that they are in carnest in this

Election in BRUN-wice.-The qualified voters of Branswick county vote on Monday poxt on the question of the county purchasing the fersy over Bruns-wick river and making it a free ferry. This is in pursuance of an act of the last session of the legislature. MARRIED-
