RALEIGH, N. C., FRIDAY MAY 2, 1873.

We dined recently at Davis' Hotel at Kittrell, on the Raleigh & Guston Railroad. A gentleman declared it the best. public house in the South. We called on him to name a better house in the North, and he conferred he could not do so. Davis is ambitious to excel in everything he

the world, and wrote many interesting undertakes, and hence his success, letters to his paper, giving his experiences

and observations. William Charles Macready died a day or two since London where he wis born in March 1893. He was, therefore, over eighty years of age at his death. At Esq. Mrs. John E. Crow is a daughter He reached the highest place that any was considered the greatest dramatic perthe rival of Kemble and Kesn, and the French thought him only second to Tal-

tended notice tq-day. In our notice of Penitentiary matters, Chief Justice Sharkey, of Mississippi, has just passed away at an advanced age, chased of W. M. B. ylan was stated to be He slied in Washington. He was a man tof sterling worth, plain, unostentatious, and kindly. He was one of the ablest men his State has had.

> Jno. R. Thompson, for years the excelent editor of that once favorite Southern Monthly, the Literary Messenger of Richmond, and for the last several years one of the editors of the New York Evening Post W. C. Bryant's paper, we regret to learn from the telegram in another column, s dead. He was an agreeable writer, author of some five verice, specially the Barial of Latane," and some lines on the death of Gen. J. B. Stuart, and a gentleman of fine literary taste ann culture, We believe he was a Virginian by birth.

The Alleged Revenue Fraud.

The rumor of frauds in the revenue departments of this and other districts of Mutual Advantage. Steadman Lumsden, who had the first and middle fingers of the right hand out the State is the subject of general conversation in the streets and elsewhere. All we know of the matter is that such things are talked of, and that in this district an treasury one per cent, upon the gross preinvestigation has been ordered from Washington City. This investigation is and has been for some time in the hands of Supervisor Perry, and the department at Washington awaits that gentleman's pleasure before proceedings further in the matter.

next 6th inst. A board of directors is to The manner and character of the alleged rauds we understand to be as follows. We will use the names of the revenue officers of this, the Pourth District, to extend to other districts and affort other officers.

The Assessor, M.J. Willie D. Jone going on? There is no pay for the office, no privileges or immunities and no pre- makes return of the persons liable for tax fits, so far as we can understand. And and the amounts they are liable for. This W. S. Pearson, of Burke, has been com- yet the caudidates are at work and return is made to the Supervisor, P. W. Perry, and by him to Washington, where the whole amount is charged to the ac-Read the advertisement of Mr. S. H. for collection, Col. Young gives the colcount of the Collector, Col. I. J. Young Belley, now at the Yarbrough House with lection of these taxes in charge to his cellent citizen of Granville, was over to lection of these taxes in charge to his 232 of March last, by the Nutbush Carpenter work, Thos. Norwood, Shor Himself. Cherry, colored, seed the new gas mediane. We have seen and deputies, who are bonded officers as to by carelessly handling a pistol. The ball examined it and feel no hesitate; in saying him. These deputies, in the course of Church of which he was a ruling elder. Work on clock, J. W. Cole, intered his right car and came out near that it is not only equal to other gas collection, make return of insolvents and the crown of his head, inflicting rather a lights, but will lay in the shade those others for "abatement"—that is, of pertol, but not a dangerous wound. shominable and dangerous kerosene lamps soms unable to pay by reason of insolas well as tallow candles. Examine the vency, not carrying on the business taxed, Presiding Edder, and of the North Care machine at the Yarbrungh House and &c. These returns go through the hands of the Assessor and Supervisor for approval, up to Washington, where the collector is credited with the amounts. It frequently occurs that after "abstement," orders for the celcheated brands of eigars, the parties in whose case it has been "Raleigh Favorite" and "Pride of Oak, made, pay the tax, and this of course man, had the misfortune to have his left City," at their manufactory, No. 33, Pay. should go through the regular channel to hand budly injured in a such muchine last effection street, first floor above Simpson's Washington to be charged against the Esturday avening. It was thought at first Drug Store. The reputation of these gel- collector. And now for the alleged frends. that amputation would be necessary, but the same thought that his hand may be chraid brands is well known. Sold The deputy collectors, it a said, have area, though it will probably never be wholessic at the factory, and retail by all for three or four years post been in the of any service to him.—Durkem Telefon of the "Raleigh Favorite" habit of returning persons for "abstering ment," who have paid the tax demanded, and pocketing the stoney. It is further The Pic-Micsaid that sums of money paid for taxes

Maj. Gales in Wilmington

Our elequent townsman well sustaine his reputation for graceful oratory and handsome rhetoric on the occasion of his recent address before the Odd Fellows. Both the Star and Journal have kindly notices. The latter says of it :

Mujor Gales' well deserved reputation as an orator properly attracted a large and appreciative audience. Many ladies raced the occasion, and 'in numbers and character the attendance was all that was desirable. The Order attended in full re-

galla.
Of the address any encomium of ours will be inadequate. We have heard nothing of its kind superior in its elements of oratorical power and success. All that an actor has since Gafrick's day, and was regarded by many critics as the greatest of English tragedians. His "Hamlet" the caremony, the happy couple left and the color of this actor of English tragedians. His "Hamlet" the caremony, the happy couple left and the color of this actor.
