VOL. VIII

RALEIGH, N. C., WEDNESDAY, JULY 23, 1873.

HOME AFFAIRS. Suprme of urt.

A Good Idea.

The city commissioners have agreed to allow the hogs in the city to run at large during the watermelon season. This is a good idea, for we know of no better scayengers than a balt a dozen fine "pokers,"

A man from the country, driving an ox eart loaded with wood, ran over a pretty little rat-terrier dog and killed him instant ly. We don't think that dog ought to have been killed.

Returned.

Judge Tourgee has returned from Philadelphia, where he has been for some time under surgical treatment. He had a surgical operation performed which has greatly improved his eyesight.

Executive Committee. There will be a meeting of the Execu tive Committee of the State Educational Association at the office of the Superintendent of Public Instruction on Thursday at 5 o'clock, p. m.

District Conference.

This, body will assemble at Cary or Thursday morning, and remain in session until Muniay Prominent ministers from other darricts will be present. The citizons of Cary are preparing to extend a hearty welcome to all.

---Died at Morganton.

Mrs. Hagler, wife of Mr. John S. Hagler, the agent of the Southern Express Company at Salisbury, died in Morganton on Thursday last. Mrs. H. was a confirmed invalid and was of a visit to the moun tains with the hope of restoration to health.

The Railroad Commissioners.

The commissioners appointed by the last Legislature to settle the affairs of the Western North Carolina Railroad and to take into consideration the propriety of the sale of the road, held a meeting in Morganton on the 28th inst. As their sessions were held with closed doors we can give none of their proceedings. The meeting adjourned, subject to the call of the chairman.

Mr. John Nichols, Grand Master of the Musagic Order in North Carolina, has re selved an invitation to be present at the delication ceremonies upon the completion of the new Masonic Temple, by the Hight Worshipful Good Lodge of Penn sylvania, which takes place in Philadelia phia on Friday, September 26th. Inte the intention of the Grand Lodge to make the occasion a marked one in the history of the craft. It is expected that all the bour of 8 o'clock a, m., until the hour Grand Lodges in the U. S. will be repr sented on the occasion.

School at Cary.

San DEATH.—In Franklin county, a tew days since, Mr. Daniel F. Bewman was hauling up wheat, and oue of his lit-Machildren was with him, riding on the wagon. Mr. Bowman had driven through a gate which he wanted to shut, and leaving his little child on the wagon went back close to it. The horses become frightened and ran off, and the child, who was but two years old, not being able to retain its scat on the load of grain, was precipitated to the ground, the wagon most instantly. - Lynchburg News.

KILLED BY LIGHTSING,-During thunder storm, on Friday, Mr. John C. Overstreet, a prominent and estimable citizen of Bedford county, was struck by lightning, and instantly killed, at his resi-dence, about six miles from Liberty. He was sitting in his chamber talking with his family, several of whom were badly stunned by the bolt, but fortunately not dangerously. He was a good man, universally extermed; was considerably advanced in years, and leaves a large family, though no small children.—Lyachbury

THE Chors. - Correspondents from Franklin county say the corn, crop promises to be an unusually good one. Thus far there has been enough of rain for corn, but not enough for tobacco. Owing to the want of good seasons for planting and the usual destructiveness of the cut-worm, but tew planters have obtained a good stand of tobacco. The wheat crop in many instances-proved to be better than antici-We are now in the midst of the out harvest, and there never was a much better crop in this section,-Lynchburg

BLOOD THIRSTY NEGROES.-The. thirsty in their threats and deportment, I bear, for several days past, and a special police force in consequence has been sworn in. They awaggeringly say that as the negro marderer of the Desire family was nged last Friday, a white man who killed a negro, notoriously in self-defence, must suffer a like pumshmen. On Sat urdays the negroes usually congregate in ree about tidewater villages, as d hence able is anticipated to-morrow at Chuckatuck. Your correspondent, however, feels that if the whites present a hold front there need be no dread of a negro outbreak. - Whig correspondent.

NORTH CARGEINA AND HER ORES. -- Mr. T. Sterry Hun , of the Institute of Tech. sology, Buston, Massachusetts, writing to ltimore American, speaks of the Ore Knob Capper Mine, in Ashe county, as being "unprecedented in the annals oppor mining in this country." Mr. Hunt thinks "this great mine will in time make Bultimore the leading copper mark

of the United States," This was a more creditable battle to The mine was opened in 1835 and 1836, North Carolina than any battle fought on by a company of residents of a neighboring county, and yielded large quantities of ed fight; it is one about which our people rich ores, but difficulties grew out of the should be better informed. Until the conflicting interests of rice barge quinber rich ores, but difficulties grew out of the SENTINEL has recently easied public atten. of small proprietors, and the mine was closed, not to be re-opened, as the event proyed, until last March. Some notion of the value of the one may be gained from the fact that the material now raised from the lode, at a cost of not greater than that of raising coal, is to-day worth at the Baltimore smulting works from \$125 to \$200 per ton. The amount of ere raised from the shipe since the commencement of operations this spring, and now lying on

the ground, as cetimated by measurement

last week, was about 1,400 tons, equal to about 400 rons of metallic copper. Professor Kerr, the "tate Ge Geologist speaks in equally glowing terms of the within three miles of Germantows, in Stokes county, a distance of forty miles, no had bring eleven feet thick, and o good coal at only a few feet from the surface. In the same region, to-wit; in Rockingham and Stokes counties, and in Yadkin and Surry counties, there is a very irage amount of iron ore, much of it being of very high quality. In addition to this, along the route of the proposed Dan Riv-er Bailroud, there is, as Professor Kerr says, a succession of limestons bads for more than thirty meles of the route, from the southeast corner of Yadkin through Foreythe and stokes to where the line will strike the Danriver. So it would be dif ficult to lay out a route of the same length anywhere in the State which would open so great and varied sources of incines and wealth to the country, and of profitable employment for the road. All this is besides and independent of its value as a connecting link in a grew trank line for through freight and travel tion on account of its valuable ores, to wit: Orange occur; Recent lawestign tions on the land lately owned by Mr. H. Weaver, lying on Holling's Creek, about a mile and a half Northwest from A convention of young men who part the village of Chapel Hell, have uncorrect their hair in the middle is shortly to be iron ore. The quality is said to be unexorganized for the consideration of the tionable and the quantity ineahauntible. question as to whether they have so rights. It is expen all adapted to the manufactur of steel by the Benner process .- Wil Joseph ..

IMPORTANCE OF HEALTY BLOOK,-Every loop of blood that circulates through the roine armitmally benesses a solid purilels of the body. Flock, home and much are mendy solidified blood, and upon the quality of the blood depends the condition of the whole physical system. Unless the liquid material by which the issuan substance is renewed and enstained is gure and autritions it is imm wealth would infallibly be certical possible that the body can to healthy and strong. One of the most important peoperties of Musiciar's Stemark Bitters is that gradually white has had a good our this represent the condition of the vital fluid victioner, but it is getting stale, and now the journalists of the floathwest are trying by reteration to promissize a brand new item about a three works'-old white buby where is repoilty turning black.
