HOMEAFFAIRS

From a letter received from a subscriber

n Chatham, we learn that the prospects for a fine cotton crop in that section are good, and that it is generally the case all through that section of country.

Gen. D. M. Barringer.

This gentleman, we regret to learn is still in very feeble health. He left yesterday morning, for the White Sulpher Spring, Greenbrier county, West Virginia, where he will remain a month or six weeks.

Hook and Ladder Company, No. 1.

Members of this company are reminded of their regular monthly meeting this wening at 71 o'clock. They are notified o meet with caps and belts, as, at the close of the meeting, the company will parade for drill. The Citizens' Cornet Band will be in attendance.

Office of Superintendent of Public Works. One of the amendments to be voted on in August abolishes the office of Superintendent of Public Works. Who can ob-

ject to this except the incumbent?-Plant, At a salary of \$50 per annum we think there will be no great objection even from the incumbent.

The Ringing of the Bell,

As the ten-hour system goes into operathe city bell are changed. Hereafter it of the latter metal making its use extenwill ring as follows: At 7 a. m., 12 m., 1 sive. p. m., and 6 p. m.

Personal.

Mr. Geo. Harris and family, ten in nutnber, from Wilmington, arrived in this city vesterday afternoon, and have taken rooms at the National Hotel. We welcome our Wilmington friends to the City of Oaks, and would be glad to share its beauties and pleasures with as many more.

veyor, has just completed and delivered number he will resume his regular editoat the Mayor's office, a large map of that rial duties. He is glad to know that the pertion of the city north of Hargett street. The map is beautifully executed, and the cemeteries, colleges and seminaries, railroads and new streets are very accurately located.

Religious.

Rev. W. H. Bobbitt, Presiding Elder of Wesleyan Male Academy. the Raleigh District, North Carolina Conference, will hold the third quarterly meeting, for the present year, for Edenton be found to accorder golumn. The Prin-Street Church, on to-morrow and Sunday. According to custom, a love feast will be held at the church this evening at 85 N. C. as assistant. This step was rendered

Dry Elaough. While we are suffering for rain in Ratforms us that sax miles west of the city there was a good rain Wednesday night, and on Sunday evening they had a real summer shower. It rained hard for an hour and most of the time the sun shone brightly. An old negro, who is over pious, says "the town is so wicked it won't rain."

Primary School.

We direct the attention of our citizens o the advertisement of Miss Lou Stewart's Primary School for small boys and training of boys and wirls. Her school, complex. which begins on Monday, August 4th, is ituated in the Western Ward, near the Deaf and Dumb Institution.

Crops in Granville

We are giad to know that the people of Granville have been visited recently with wome most refreshing rains. Crops are very much improved. Corn and cotton are doing first rate. The out crop turned out at least to be quite up to the average for the last three years. Tobacco is doing well, although not more than half a crop has been pinetrel. From Henderson to Buleigh the erops are as good as we so. the yelk. This egg within an egg has member to have seen them. A good rain on turned over to the Library Museum. fell yesterday at several points on the Rai-

righ and Ganton road. The Associate had the pleasure of disng yesterday at the test hotel, as he sincorely believes, in North Carolina. At any rate, after having visited nearly all of our larger towns (we have but one city,) he gives it as his opinion that the hotel at Kittrell Deput, under the management of Mr. Davis, is the most admirably kept parageneary at which he has been entertained. It is an next or the nextest private residence when presided over by the most fastidions and elegant ludy. The table contains green delicary that the wayfacing their car desire, served in the most placed in nomination. admirable style. Now reader, if you seppipe for me moment that we are drawing a long how, the first time you pass up the Halelgh and Gartin road, try our of Mr. Davis' dieners, and you will admit that we ere a good judge of something to est. If that didightful old braggadorio, für John Faistall, could return to this world. in which he were had his share of good things, and could spend a few days at the Kittrell Depot hotel, he would be for semajoing and "taking often case in mine

ten," the remainder of Mr. Davis' butel

RALEIGH, N. C., FRIDAY, AUGUST 1, 1873.

FINE CUT.

Light shower yesterday. The city is quiet and business dull.

The market house needs cleaning up. There were 17 ox-cart leads of wood brought to the city yesterday.

Sewing machine agents are again la terviewing the ladies at their residences.

The payement in front of the store of D. Waitt is undergoing much needed Mayer and the Clerk for adjustment. Enfield is now competing for the pes-

session of the most curious egg extant. North Carolina had two Major-Generals be granted. and six Brigadier-Generals killed in the

During the month of July there were Ettison, 107 deeds and mortgages registered in the

office of the Register of Deeds, There was shipped from Durham by Railroad, from January 1st to July 1st 1,345,827 pounds of tobacco.

In Durham young gentlemen are not allowed to sit in the same pew with the ladies they escort to chulch. No com-

A selection of sacred songs recently printed in London is called by the Atheneum "borrowed plumes from the cemetery-going hearse."

Manganese is spoken of as a substitute ion to-day, the hours for the ringing of for nickel, the high and increasing price

Returned.

After an absence of over ten days the Associate is again at his post. He hopes to contribute his share in furnishing pleasurable entertainment to the many readers of the SENTINEL. He has not seen any of the exchanges save the News, which is kindly sent to his family at Oxford. So it will require a day or two to catch up. Elsewhere he furnishes a Mr. Fendal Beavers, the county sur- few items for these columns. In our next paper has suffered so little from his absence. The Senior has been doing unusual service, and our efficient local, Mr. Hamptoo, has had his hands more than full. The reader will bear witness to the fidelity and success with which he has labored.

We direct attention to the advertise ment of the Wesleyan Male Academy to cinal Rev. R. S. Trawick, has secured the services of Mr. Eugene E. Gray, of Winston, necessary to meet the increasing patronage of the school as well as to accomplish the of Market House. ends Mr Trawick has in view. He is descholarship as to make his school second to none. Mr. Gray is a young gentleman of talent and high literary culture. He recently graduated with the degree of Bachelox of Arts, at Emory and Henry College, Virginia, and was distinguished for proficiency in all of his studies, particulady in mathematics, in which branch he took the highest honors in his class. -

Meeting of City Commissions.
On Wednesday evening last the city The health of this town has improved. meeting at the Mayor's office.

.The following members were present: Ricks, Upchurch and White, Mayor Whitaker presiding. A petition from A. Williams, asking

for the refunding of over-paid taxes was The netition of the Street Commission

use, was read. Mr. Upchurch moved that the petimon

Mr. Penirie called the year and nays, and the petition was granted Moure. ston, Gorman, Ricks and Upchurch voting yea, and Messra Peairie and

White voting may.

Mr. Gorman, the chairman of the comcount of the late city trensurer, M. W. as explicit as desired and it was ordered dren in attendance. that Mr. V. Ballard be requested to furnish a balance sheet of the accounts,

The accounts of the salaried officers, A special meeting was ordered for Monday night the 4th inst, for the purpose of Charga of an Episcopal church.

Mr. Gorman mayed that the board of city assessors be directed to assess the property on Harrington street and Smith field road and report at the next meeting

demed. (The object in moving the property is to make room for a side walk.) Mr. D. L. Royster presented a petition on Hargett street, near the Barringer build-

ing. Granted enart:

To the Mayor and Board of Commissioners: GENTLEMEN :- As the Attorney for the city of Raleigh, from May 1872 to May 1878, I have the honor to make the fol-lowing report of services rendered the city. uring that time:

1. An opinion in reference to the power

of the city to tax personal property.

2. An opinion in reference to the power of the city to pay assessors to value property condethood for city purposes.

3. Drafting release from W. V. Clifton to the commissioners upon the Western

4. Draiting lease of Basement to Miller 5. Opinion in reference to the power of W. V. Clitton to sub-let Western Basement 6. Opinion in reference to the power of

Wilmington Wreet. 7. Drafting form of deed to be used in aveying burial lots in colored cemeters Writing renewal of lost bond to J.

B. Watson. 9. Writing bond from J. W. B. Watson city indemnifying the city against the covery of said lost bond.

10. An opinion in reference to the power of the city to tax A. W. Propps' billiard 11. Arraine case before Judge Watte-R. c. Pulies at al va. City of Raleigh, in

annary, 1873. 19 Arguing some case in Court, June Term, 1873. 10. To classifying city ordinances and perintending their publication.

14. An opinion to reference to taxation the mass of Philes we the city.

The suits by the city in the Superior Court and there against the city, have easy to Palestine, as an atmomental for the first and there against the city, have her a unfonched since they were instituted. The crowded state of the docket prevents

rial, and until the cases are decided and the docket reduced, the causes referred to nest be continued from term to term. The amended copy of the charter is in process of proparation, and will be con-pleted at the earliest possible moment.

Very respectfully, J. C. L. HARRIS. The Board adjourned to meet again on Monday the 4th. -

Mr. Wynne, Chalrman of the Board o County Commissioners, whose article, in yudication of the county cummissioners, appears in this isspe of the Eurypean, is in error when he says the Becveree, gave publicity to the following:

"According to a statement, heretofice blished by the Board of Countylantoness, was mode to appear that the sheriff was default to the amount \$38,319,17, when n fact the amount of the sheriff's indubt from an but \$31,670 22. Of this amount ere is now due from the people of Wake unity over \$5,000,

If the gentleman will examine our files will find that we have never published nything of the kind, We simply stated hat the taxes for sighteen hundred and venty lies had been settled. The statenels in the SERVINES, was made on the orthority of two persons, who were his position to know the facts.

LETTER FROM EUROPE.

LEGOS, ENGLAND, July 16th, 1873. EDITORS SENTINGL .- I spent Tuesday at Abbet stord, Scotland, the home of Sir Walter Scott. Abbottsford itself is a casof the commissioners. Adopted.

The chief of police was ordered to notify to attract, beyond the interesting associations with which it is replete as the home of "the author of Waverly." Yet are there some things, even in the quaint architecture, worthy of notice as being an ingathering of what is interesting and beautiful classwhere. Thus we have a category at the control of the commissioners. elsewhere. Thus we have a gateway after the gateway at Linlithgon Palace, Oak wood from Holywood Palace, a roof from Mr. D. L. Royster presented a petition Rosselyn Chapel, sculptured stones from equesting permission to cut down a tree Ancient Felkirk, a mantlepiece from Mel rose Abby, and a doorway from the Old Tolbooth of Edinburgh. The floor of the entrance hall is of black and white mar-The city Attorney made the following ble from the western flanks, and the walls panelled with righly carved oak from Dunfermline Palace. The arm ry displays, interesting relics of many a hero femous in Scottish story, especially of those who were more immediately connected with the Scotts, who were distinguished in the border warfare of an olden time. The dining room with its black oak roof, gothic furniture, portraits of Essex. Cormsell, Claverhouse, Charles XII, Charles II Queen Mary's head etc., is interesting as the room where the great author breathed his last. The breakfast room commands a beautiful view of the Tweed below, and the vale of Ettelek and Yarrow beyond, and is hung around with many exquisite drawings of Turner and Thompson, designed for the "Provincial Antiquities of Scotland." The drawing-

room, cased with cedar, contains, smoog other curicaities in beautiful furniture, the abony chairs presented by George IV. The Library, containing about 20,000 rolunes, comprises many curiosities of Ancient liferature; is also interesting as containing Chantry's bust of Sir Walter, a silver urn, presented by Lord Byron, an stocks 3369, about writing deak presented by George III., and two carved chairs, presented by the Pope, Passing hence through the study to the closet adjoining, we are

shown some of the body clothen worn by Across from Abbottsford, below the junction of the Gala, in the vale of the Alan, is "Glendeary," the scone of the remanus of the "The Monastery.

I next visited the Abbey. In the Abbey roots the dust of green-black marble slab, beside the high bet the decision of the Supreme Court in after, is inferred the remains of Alexander II. The heart of Brown The heart of Bruce, which ment-gilt for the foul murder of t Donglass, the hero of Otterburn, and William Douglass, "the Dark Knight of Lidderdale," he here. The resid-mess of the late Fig David Browster and Lord Henry Featt are in the neighborhood.

After leaving the Abboy, I visited Dryburgh Alshey, one of the most interesting relies of antiquity. Here rest the ashes of Mr Walter Bestt, side by side with his wile and son. The becutiful seat of the Earl of Buchanan is in the neighborhood. I hade adicu to Abbottsford and took the train for Carildo, England, where I was announced to lecture at night. I vist ited the cathedral and costle in Carlisle To day I reached Leeds, and will rusnain stil to-morrow, when I will go to London. A temperature raily was held in this city to-night. The meeting was addressed by Hon, James Black, Rev. Mr. Boyd, Hon. B. D. Hastlegs, and others. The popula dies of Leeds is two bunded thousa
