THE SINGES STILL AHEAD.

Sold in 1872, 219,658, forty-five thousand

Sold in 1872, 219,656, forty-five thousand more than any other company, and nine out of ten of asid Singer Machines were for family use, proving the great popularity of the Singer in the household.

We claim and can show hat it is the cheapest, most beautiful, delicately arranged, sicely adjusted, essily operated, and smoothly running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it sews with equal facility and perfection, using any kind of silk twist, linen or cotton thread, fine or coarse, making the inter-Locked-Elastic-Stich, alike on both sides. Some dealers, using the "tricks of trade," by to persuade purchasors that our Family Machine is not equal for family sewing to our manufacturing machines for manufacturing purposes.

Try and see for yourself that our new family sewing machine subodies new and essential principles. quiet and steady, sales 675 bales at 20 1-2 to 20 7.8 : Plour 5 to 10 cents better at 7.15 to 8.59 : Wheat dull at 1 to 2 cents lower; Pork beavy at 17 5-8 to 17 8-4.
