The meeting was called to order by the President

The minutes of the meeting of the board and executive committee were read and approved.

The report of the President to the Governor was read, and a motion to strike out the correspondence between the executive committee and Dr. C. E. Johnson, of March, 1872, was lost and the report was adopted.

Dr. Grassom read his report.

Dr. Haywood called the attention of the Board to the fact that it is highly improper and unnecessary for the successful management of the Asylum, that the officers and families of the Asylum should be required to reside in the building. He desired to see cottages erected within the enclosure as residences for the officers, and the rooms now eccupied by them fitted up for the insane.

Dr. Haywood then m vod that the Superintendent be requested to smend his report in accordance with the suggestions adopted.

THE MURDER CASE THEFT DAY'S PROCEEDINGS - ARGUMENTS OF THE COUN-SEL CONCLUDED, AND THE CASE SUR-RENDERED TO THE JURY -- The entire day yesterday, in the above case, was consumed in hearing the arguments of the counsel, and the charge of His Honor, Judge Russell, to the jury. At the openhe had made, which was ununimously large fussel, to the july adopted.

The reports of the Treasurer and Exwell arose and engaged the attention of the court, in an argument of considerable length, in which all the points of the evidence were forcibly treated. Some of its passages were truly elequent, and made a very parceptible impression on the jury The Solicitor closed his argument late the afternoon session, after which R. B. Frayser, Esq., counsel for David Martin, made the concluding argument. The charge of His Honor consumed about half an hour in its delivery. He cautioned the jury particularly, to beware of being guided in their deliberations by any consideration of color, as it was a remarkable fact that the jury were all colored, as were also the prisoners, while the victim of the alleged murder was white. The jury re-

tired at half past seyen.

The jury, after an absence of some hours, returned a verdict of guilty in the first degree, sato David Martin, and not guilty as to Jimmie Anderson, David Martin was sentenced to be hanged on Friday, the 28th inst., but the judgment was va-cated by an appeal to the Supreme Court Jimmie Anderson was discharged .- Wil.
