Murderers. The weather was quite good yesterday. There was a heavy frost and we saw the sun-eighthteenth of an inch thick.

It has been suggested to us that Raleigh needs yet another first class boarding house. We are assured that if some person will open such a house at some central point...

VARIED.

America consumes annually 6,000,000 pounds of Turkish figs, in round figs. A Boston dry goods dealer advertises "financial crash leaves."

The editor of the Huntsville, Mo. Herald pops the question in his paper in this public fashion: "There's a certain girl in this town who can carry our smoke house keys for life if she'll only say the word."

A Western paper, in describing an accident, recently says, with considerable candor: "Dr. Crawford was called, and under his prompt and skillful treatment, the young man died on Wednesday night."

A pseudo-smith Boston paper says: "The fact that Day broke yesterday is no evidence that Time is backing." How does it account for the widely spread rumor: "We take no note of Time!"

The New York election being now over the Republicans were discharged from the bench. Gerry Yarr on Saturday, and the batch he is to share the same fate on the 15th...

Over-caution, either of body or mind, produces debility and disease. The useful remedy is to take some stimulant, the effect of which is the same as getting a tired horse the whip instead of oats.

A young lady wishing a situation, was recently interested in an advertisement for one who to do "light housekeeping."

It is rumored that Gov. Caldwell intends to reward John Ford for his ready services against the people whenever an opportunity offers.
