EDITORIAL ENTREES.

There is a rumor that the Indian tribes of the Northwest are in an excited conditien and disturbances are feared. The half-breeds learned something of regular war during the late struggle between the States, and they are said to be fomenting trouble among the tribes. The Indians certainly give a great deal of trouble to the Government, and the panaces for the Ills has not yet been found either in war

A curious financial mystery exist in labor, sills and wood. Washington, The First National Bank failed, owing the United States Government \$187,000. That sum has been paid, and yet the bank says it has not paid any claims whatever. The Tribune is anxious. to know, who paid it ?

nevolent and patriotic person is What b going about the country making good the losses of the United States Treasury and keeping his name a profound secret from

The Chairman of the Pinence Committo inflation of the currency. He thinks the worst thing that could happen to the country would be an additional issue of currency. This is the opinion of all of the ablest English and American political to expansion.

oet and lecturer, Gerald Massey, is winning golden opinions in his be carried away by a whistwind of pustor in the expense because for the whole lacturing tour through the North. All sion, but surveying calmiy the whole lacturing tour through the North. incluring tour through the North. All sion, but surveying calmly the whole, the papers we have seen praise him in no field, they will act prudently, cautiously, being the only combined yard well pump and unstinted terms. His lecture on Charles but firmly. We can see no sort of good to accurate to the South, and much of evil, thousand dollars worth of property, and I

PUBLIC PRINTING. sending office of the Seasts less filled a ncy on the committee giring the branch of it, two Raillea's and one Demourat. The figure true relicited the dd men by adding another Depocat htt. ANOTHER INJUNCTION.

Alfred Swazey, of New York, has en-joined Tom Scott, Billy Smith and Bu-ford, in their consolidation scheme of three insolvent railroads from Beaufort to

We do not know Alfred Swazey, but we do hope the Legislature will not interfere in a fight over the carcass of three dead corporations by legislation which will give one set of wolves advantage over the other.

Buford and Billy, backed by McAden & Co., saked the Legislature to consolidate the three roads, and authorize the North Carolina road to purchase the other two, and issue mortgage bonds-first, to pay off \$800,000 is sely due to McAden, which has been sold to the Southern Seinto many additional households. To in- curity Company, then the binds to be duce others to subscribe, we will send as said to raise money to complete the Litfollows during the entire session of the tiefield and Swepson railroad acheme in the mountains. The President of the consolidated road is to be elected for five

If three bankrupt roads, with their bonds in the hands of Billy Smith, or Buford, could tunnel through two miles of the Blue Ridge then we are greatly deceived. But we are told that Judge Manly and Col. Galther and the committee appointed by the legislature, have sanctioned the profigulties of tunnelling the Blue Ridge with the bonds of three rotten corporations to be managed by Buford and Billy Smith. The SENTINEL circulates in every county Judge Maniy and Col. Gaither cannot see Billy Smith, Buford and the Ring in this It is therefore the best ADVERTISING matter. We know them too well to suppose they will be offended by this mention of their names. The State has been robbed and awindled under a pretext of

tunnelling the Blue Ridge. The little left in railroad property will be swallowed up by Billy Smith, Buford and the Ring. Though Judge Dick would, we would not trust the concern with the Josie special tax bonds, much less, the bonds of three rutten, mortgaged railroads, for one year, or for five years. Certan Radical holders of the Josis bonds in this city are active for the lease. Our friends in the West must understand we are for developing the great resources of the west, and for building their railroads, but not for attempting it with the bonds of three rotten roads who owe to-day for

THE WAR CLOUD.

Since our last Issue the storm clouds presuging war have gathered afresh. The United States Government on the 19th de livered its ultimatum to the Spanish Govproment.
