Legislature of North Carolina.

SENATE.

WEDNESDAY, Dec. 10.

Senate called to order at 11 a. m.

Journal of yesterday read and concurred in.

Senator Powell obtained leave to record his vote upon the resolutions in regard to the "congressional back salary grab," and voted for the resolution and against the amendment proposing to strike out the President of the United States.

[NOTE.—On yesterday Mr. Cunningham also obtained leave to record his vote for the resolutions and against the amendment.]

Mr. Cunningham, from committee on education, reported.

Mr. Welch, from committee on corporations, reported sundry bills of a private nature.

Mr. Humphrey reported favorably upon the resolutions of request to our members in Congress upon banking and currency.

Mr. Gudger reported from committee on the judiciary.

INTRODUCTION OF BILLS.

Mr. Allen, a bill authorizing the levy of a special tax in Duplin county for 1874.

Mr. Welch, a bill to amend an act to prevent distemper among cattle.

Mr. Powell presented a petition in regard to the prohibition of the sale of spirituous liquors upon the property of Alex J. Derbyshire, in Chatham county.

Mr. Todd, a bill to make seduction a misdemeanor punishable by fine and imprisonment.

Mr. McCauley, a bill to incorporate the People's Bank of Monroe.

Mr. Ellis moved to re-refer Senate bill 105 to the judiciary committee. Agreed to.

Mr. Ransom, a bill for the protection of oyster deeds.

Dr. Worth, a bill to be entitled an act to adjust the public debt.

On motion of Mr. Troy, ordered to be printed.

Col. Humphrey, a bill to amend the Constitution of North Carolina, it gives the debtor a fee simple in the homestead.

Mr. Troy, from committee on claims reported favorably upon the resolution in favor of the Bank of Fayetteville, and introduced a bill to incorporate the Diamond Cotton Chopper and Cultivator Company.

Col. Morehead, from committee to ask a written opinion of the Attorney General as to the effect the counting of the official vote upon the Constitutional Amendments would have upon this session of the General Assembly, announced that the Attorney General fully concurred in the action and report of the committee on that subject.

Mr. Murray, from committee on engrossed bills, reported as correct a number of bills.

BILLS ON THIRD READING.

A bill to be entitled an act, supplemental and explanatory of all act of incorporations passed by the present General Assembly.

Mr. Humphrey moved that the bill be printed. Referred to the committee on banking and currency, and made a special order for Friday at 1 o'clock. Adopted.

A bill to be entitled an act for the completion of the Western Railroad, (usually known as the Coal Field road.)

Col. Welch called attention to an error in the substitute proposed for the bill by the Internal Improvement committee, and moved to re-refer the bill.

Mr. Cowles moved an indefinite postponement of the bill. Said we were not in possession of the facts sufficient to justify the Legislature in trading the States stock in the road. "That the words other than special tax bonds" would in effect include all other bonds of the State, some of which were notoriously unconstitutional and worthless. They had never been before the Courts and probably never would be. He mentioned those issued by authority of the constitutional convention of 1868, and he was not willing to make them a legal tender to the State for her stock. He would vote for the bill if the States stock was to be sold at par payable in "anti-bellum" bonds or the identical bonds issued in aid of the corporations. That we had as yet taken no action in regard to the State debt. The State had issued for the benefit of this corporation six hundred thousand dollars in bonds, for which we now now hold stock in the road which could be sold for between one and two hundred thousand dollars in good money. That we could not justify the squandering of so large a sum of money in the way of bonuses to to corporations. He insisted upon his motion.

Col. Morehead was surprised that the Senator from Yadkin should oppose a measure fraught with such good to the Northwest. That it was peculiarly a North Carolina enterprise, and would open our own ports to the Northwest trade, which now foundits way to Norfolk. He urged at length the passage of the bill explaining its provisions.

Mr. Troy was opposed to passing the bill, said neither the Directory of the road or present Stockholders desired the passage of this bill at the present time.

Mr. Norwood said that it seemed that no one who had a right to press the bill was pressing it, and thought there was no necessity for pressing the bill.

Mr. Cowles proposed an amendment to strike out "other than special tax bonds" and insert "valid bonds of the State," so that the State will dispose of her interest in the road for six hundred thousand dollars of "valid bonds" of the State, and with leave the motion to indefinitely postpone.

Mr. Troy renewed the motion.

The Senate refused to postpone—ayes 20, nays 19.

Mr. Troy, refused a subscription for the bill.

On motion of Mr. Cowles, the further consideration of the bill and substitute was postponed and made special order for Tuesday next, at 12 m.

Moved by Col. Moorehead, that when the Senate adjourn, it adjourn until to-morrow 12 m. Agreed to.

Message from the House transmitting sundry bills passed by that body, were read first time and referred to appropriate committee.

Mr. Todd moved that the bill introduced by Mr. Nicholson, and referred to the committee on State be printed. Adopted.

Mr. Cunningham moved to take up bill authorizing towns with more than two thousand inhabitants to levy a special school tax. Agreed to, and passed second reading, and made special for 12 m. Saturday and ordered to be printed.

CALENDAR—BILLS UPON SECOND READING.

A bill to make slander a misdemeanor, was, on motion of Mr. Seymour laid on the table.

A bill amending the election law, requiring a voter when challenged to prove by some freeholder or householder that he is entitled to vote, was, on motion of Mr. Troy, referred to the committee on privileges and elections.

Mr. Seymour moved to adjourn.

Mr. Gudger called the ayes and nays.

Mr. Seymour withdrew his motion.

Resolution in favor of D. D. Ferebee, was reported upon adversely by Mr. Troy, from committee on claims.

Mr. Cramer obtained leave to introduce a resolution instructing the public printer to incorporate in the volume entitled Public Documents the reports from the Superintendents of the Insane and Deaf & Dumb Asylum, and the Treasurer's and Auditor's report referring thereto, which was adopted.

Bill in relation to bastardy, was, on motion of Mr. King, laid on the table.

A bill in relation to incorporated towns provides that if from any cause the incorporation should be forfeited on account of failing to hold election for municipal corporations on every 1st Monday in May, any three electors by advertisement may appoint any election at any other time—which in effect revives the incorporation.

The rules were suspended on motion of Mr. Love, and the bill passed its third reading.

Mr. Troy obtained leave to report favorably upon the resolution in favor of J. H. Ennis.

Upon motion of Mr. Seymour, the Senate adjourned until to-morrow at 11 a. m.

"Amend section 30 of said act by adding after the words "of each county" in line 16, the words "and furnish the County Treasurer with a statement of the amounts thus apportioned among the several school districts, and the amount that each district is entitled to." Adopted.

Mr. Turner moved to strike out in section 1 all down to "and" in line 8.

This amendment provoked considerable discussion and was adopted.

Mr. Bennett moved to strike out all after the enacting clause and insert, "That all acts, rules and regulations heretofore adopted by the State Board of Education in relation to free public schools, be and the same are hereby repealed.

Sec. 2. That this act shall be in force from and after its ratification.

The substitute was advocated with much force and ability by Mr. Bennett,—his strictures upon the action of the State Board of Education in trying to render nugatory the act of the last Legislature were severe and evidently enjoyed by the House.

Williamson, col., endorsed every word said by Mr. Bennett and remarked that his constituents had paid no attention to the action of the State Board of Education.

Mr. Waugh called the yeas and nays.

The substitute was adopted—yeas 87, nays 13.

The substitute being adopted, Mr. Bowman offered the amendment:

Which was adopted.

The amendment offered by Mr. Rhodes, as published above, was adopted.

THE COOK-ROOM OF THE BODY.—The food that has been cooked in the kitchen must be re-cooked in the stomach before it can be applied to the nourishment of the body. As a means of facilitating this second cooking, in cases where the process is slowly and imperfectly performed, Hostetter's stomach Bitters is invaluable. It promotes the generation of heat in the living laboratory in which the crude materials for building up and nourishing the human frame are turned into convertible aliment. But this is not all. It acts beneficially upon the cellular membrane which secretes the gastric juice, upon the liver, which produces that natural laxative, the bile upon the vessels which receive the digested food, and upon the absorbents which connect the digestive organs with the channels of circulation. If any portion of this complex machinery is out of order the Bitters will set it right, thus promoting vigorous digestion, healthy secretion, and the production of pure, rich, life sustaining blood.

HEMBOLD'S BUCHU is still in the zenith of its popularity. Notwithstanding the absence of Dr. Helmbold, the celebrated medicine is still manufactured at the laboratory at Philadelphia, and is sold by all respectable druggists. It is warranted for all diseases of the kidneys and urinary organs. Be ware of all counterfeits. Genuine has proprietor's private stamp. John F. Henry, New York, sole agent. nov 20-eoddw.

Choice Oysters.

The editorial staff return thanks to Mr. A. M. Nelson, for some very choice oysters on the shell, with all the necessary condimenta. They were simply—superb and were highly enjoyed.

Consolidation.

A gentleman of distinction sent us a communication, showing the danger of the State interest in the North Carolina road by the Ring scheme of consolidation. It shall appear in our next.

Dupree and Benedict's Minstrels.

This world-famous troupe will appear at Tucker Hall on Wednesday and Thursday, December 17th and 18th, presenting on that occasion two of the finest musical entertainments ever witnessed in Raleigh.

Squirrel Hunting.

Yesterday was a fine day for this exciting sport, it was equally fine for legislating. It is a free country and, members had their choice, all took to legislating except one, and he took to squirrel hunting. When he returns we will inform the body what luck he had, and whether the squirrels came down to him as the coon did to Crocket.

Consecration Services.

The services at the consecration of Rev. Dr. Theodore B. Lyman as Assistant Bishop of North Carolina will begin at Christ Church to-day (Thursday) at 11 o'clock a. m. Rt. Rev. Bishop Whittingham of Maryland will be the consecrator.

Rt. Rev. Bishop Ley, of Easton, will preach the consecration sermon.

The clergy are requested to attend at the Rectory at 10 o'clock with their surplices.

Personal.

There have been quite a number of prominent citizens in Raleigh during the last day or so. Among them are Capt. Jos. J. Davis, of Franklin, Jno. W Hays, Esq. and Dr. L. C. Taylor, of Oxford, H. A. London, Jr., Esq., of Pittsboro, and Capt. T. J. Jarvis, of Washington, all of whom were or are at the Yarborough House. At the National are ex-Senator Abbott, Hon. John Manning, of Chatham, Capt. M. L. Carter, Asheville, Hon. B. S. Gaither and Judge Bond.

The Berger Family.

This troupe has been entertaining the Wilmingtonians. The *Journal* has this to say:

They were welcomed by about the largest and most refined audience of the season. The entertainment was delightful. We believe it to be, *par excellence*, the most high toned and chaste troupe in its character and performance that this country can afford. In the matter of real music the Berger entertainments truly deserve the appellation of *ne plus ultra*. The whole performance last night was enthusiastically encored.

Deaths of North Carolinians.

We are pained to see the deaths of two North Carolina ladies in the Petersburg *News*. Miss Sallie F. Arrington, aged nineteen, and daughter of Richard S. and Bettie Plummer Arrington, died on December 7th in Petersburg. She was quite handsome and a lovely character.

"Waither her mission to fulfill,
Submissive to the Master's will,
She walk'd the earth a type of good
Self-abnegating womanhood,
And told a rosary, whose beads
Were loving thought and kindly deeds."
Angela, by THEO. H. HILL.

We find the following notice of this sweet young lady in the Petersburg *News*:

The death of Miss Sally F. Arrington, daughter of R. T. Arrington, Esq., has fallen a grievous and unexpected blow not only to her large family circle, but to the refined and cultivated society in which she moved, and of which she was an ornament to no common degree. Miss Arrington was highly educated and possessed of many accomplishments, her rare loveliness of feature being more than fully matched by the finer graces of a cultured and appreciative mind. As fitting crown to the whole, she was unaffectedly pious, her cheerful and genial spirit being informed with a beauty rarer than that of earth, the true "beauty of holiness."

Mrs. Mary Gilmour Falkener, wife of W. A. K. Falkener, Esq., died in Petersburg, Virginia, on December 8th, at 5 o'clock a. m. in the 35th year of her age. The *News* also truly says that Mrs. Falkener was a lady of great beauty and intelligence. She and the young lady were related and both were formerly from Warrenton, N. C. We sincerely sympathize with the bereaved families, and pray God's blessings to rest upon them in the hour of their great desolation and grief.

Sacred Musicale.

The following communication has been handed us for publication;

Prof. Grotz's "soiree musicale" at Misses Nash & Kollock's Institute for young ladies at Hillsboro, which took place on the 5th of December last, was an evident success. Prof. Grotz is a faithful, industrious and efficient teacher who possesses the culture, the spirit, and the soul of an artist. He does not pride himself upon his genius, for it is the free gift of God; but of honest industry and true devotion to his destiny, any man may be proud. Prof. Grotz, resolute of mind, walks his own way, with answerable skill to plant his steps; he knows himself and knows the way before him. His foresight is clear, not a blindfold courage. With a steadfast mind he pursues his art, being regardless of the little tear drop of earth which hangs on all our flowers of bliss. He cannot fail to carry the palm in North Carolina. DR. L. VON MEYERHOFF.

POSTPONEMENT—FOURTH GIFT CONCERT OF PUBLIC LIBRARY OF KENTUCKY A CARD TO THE PUBLIC.—The Trustees of the Public Library of Kentucky and the management of the Gift Concert announce the postponement of the Fourth Gift Concert until Tuesday, the 31st of March next.

The public will readily understand the causes which have made this postponement necessary.

The financial panic which has for the last two months paralyzed the business of every section of this country and of Europe, has prevented thousands from investing in tickets. The epidemics pervading almost the entire South have cut off a large and available market. And, too the public judging from the effects of these causes have expected a postponement and have declined to invest without a more positive assurance of the drawing taking place on a fixed day.

All interested desire a full drawing, but for the reasons just stated this could not be had on the 3d of December, but the short postponement now announced will secure it.

The management have met with unprecedented success. The sale of tickets, the proceeds of which have already been received amount to over a million dollars, with a number of agencies in this country yet to hear from, and all those in Europe.

Thus a drawing (sealing the gifts one-half) could be had now, but the arrangement deemed it best to have a postponement and a full drawing.

This postponement *assures the sale of all the tickets* and A FULL DRAWING. That this determination will meet with the approbation of nearly every one interested is made apparent by the very numerous letters received from every section of this country and the Canadas asking for a postponement.

This action of the management will work no detriment to any but will be for the good of all. By it the fortunate ticket-holders will receive their gifts *in full* while it will not affect those who do not draw gifts.

In making this announcement the management *emphatically state that there shall be no further postponement*, and to this end all agents will be imperatively required to close up and transmit their accounts to this office by the 31st of March.

Of all the inventions of the present day, probably none have created more astonishment than the London Watch.

The idea of making a Watch for the small sum of One Dollar, seems an impossibility, but it hasat length been accomplished, and a perfect time indicator produced. Besides this it comprises a Compass and Sun Dial, without extra cost. It is just the thing for the pocket of every traveller, trader, farmer, boy, and everybody desiring a reliable time keeper. It is elegantly got up in a case of gold metal, which is an exact imitation of gold, and watch size, glass crystal, steel and metallic works, and warranted to denote correct time and keep in order—if fairly used—for two years. Nothing like it.

This perfect triumph of mechanism will be sent in a neat case, post paid, to any address for One Dollar, or three for Two Dollars, by the Sole Agents for West and South.
