CHRISTIAN NOTICE TO GOV. HOLDEN-FOR HIS SUNDAY READING .- Sir : I lett my carnal weapons at Norfolk recently, and I now propose if you do not change your course to fight you with the sword of the church. It will be four years next August since I sued you for sending low whites and mean blacks to my house, dis turbing the quiet of my family and robbing my house of guns and pistols. If you had done so by authority of law you should not have been disturbed. I have christian charity enough to forgive your putting me is jail by Judge Bond's "due roces of law, known as the sword." But I will not forgive or forget your cut-throat

gang entering my house. brough your attorney to have my sulf against you in Warren court dismissed by an act of the legislature. The bill drawn by your attotney and now before the legislature, is entitled, "An act to and pardon." Your bill was voted down to reconsider was made, and your paid attorney, who drew it, yet seeks to have it assed, 'Your attorney tells how he scared me with his Derringer, and threatened to cut my throat with his drawn kaife. I have been calling for a Squire, but not Coughs with the view of binding your attorney to the peace. I kept the peace, as Capt. Bryan, of Alleghancy, and Theo, Ramsay can testify, by resorting to a carnal weapon, two feet long and the size of a small baby's leg. You should teach your attorney not to pursue me with carnal weapons such as knives and pistols, for fear ome body might get hurt.

To show my Christian spirit I am with ing to allow twelve members of your church (the Baptist) to settle the contro-

versy and suit between us. If you persist in your efforts, through paid attorney, to have a bill passed by the legislature to dismiss my suit, I will have you arraigned before the church for conduct unbecoming a Christian gentle man and member.
