Iron in the Blood

PERUVIAN SYRUP — AN IRON TONIC

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an ailment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron, in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP *blown in the glass.*

NEW ADDITIONS TO OUR LARGE AND ATTRACTIVE STOCK

OF

DRY GOODS, NOTIONS, BOOTS, SHOES, HATS, &c.

Our Senior Partner has just returned from New York where he has been for several days making purchases at panic prices, to supply the deficiences in our stock made by our unexpectedly good trade this season. In returning our thanks to our patrons, we say to them and the public, that our late purchases were made at a very great decline, and that we are now selling our stock at such prices as to justify us in saying that such bargains have not been offered since the war.

We have a good supply of Burt's, Ziegler's, and Bay State hand-made shoes and gaiters for Ladies, Misses and Children. Also, for gentlemen, Candee's, Porter, Day & Co's., and Burt's single and double sole calf gaiters and boots, which we offer at very low prices. All wishing to purchase will not regret calling upon us and examining our stock and prices. We sell for cash and have fixed our prices on a cash basis. Therefore those buying of us do not help bear any risks for bad and slow debts. Very liberal prices to merchants buying in this market.

We have just received some very late styles of hats, including Opera, Snowflake, Chesterfield and Clarendon.

Of all the inventions of the present day, probably none have created more astonishment than the London Watch.

The idea of making a Watch for the small sum of One Dollar, seems an impossibility, but it has at length been accomplished, and a perfect time indicator produced. Besides this it comprises a Compass and Sun Dial, without extra cost. It is just the thing for the pocket of every traveller, trader, farmer, boy, and everybody desiring a reliable time-keeper. It is elegantly got up in a case of gold metal, which is an exact imitation of gold, usual watch size, glass crystal, steel and metallic works, and warranted to denote correct time and keep in order—if fairly used—for two years. Nothing like it.

This perfect triumph of mechanism will be sent in a neat case, post paid, to any address for One Dollar, or three for Two Dollars, by the Sole Agents for West and South.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus forearmed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

MISCELLANEOUS.

BALTIMORE LOCK HOSPITAL.

OFFICE—7 SOUTH FREDERICK STREET

DR. JOHNSON

Physician of this celebrated Institution, discovered, when in the Great Hospitals of Europe, viz: England, France and elsewhere, the most certain, speedy, pleasant and effectual remedy in the world for all excesses or abuses of the system.

Weakness of the Back or Limbs, Stricture, Affection of the Kidneys, Bladder Involuntary Discharges, Impotency, Mental Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Dimness of Sight or Giddiness, Diseases of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels, those terrible diseases arising from certain Habits of Youth, are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaciated, having a singular appearance about the eyes, cough and symptoms of Consumption.

MARRIAGE.

Married persons, or Young men contemplating marriage, aware of Physical Weaknesses of Procreative Power (impotency), Nervous Excitability, Palpitation, Organic Weakness, Nervous Debility, or any other Disqualification, speedily relieved.

A CURE SPEEDILY WARRANTED.

Persons ruined in health by unprincipled pretenders who keep them trifling month after month, taking poisonous and injurious compounds, should apply immediately.

DR. JOHNSTON,
Member of the Royal College of Surgeons, London, Graduate of one of the most eminent Colleges in the United States, and the best part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected more cures of the worst forms of these terrible diseases than any other physician. Many cases and certificates are constantly being published of his wonderful cures, which have astonished the world. Many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with palpitation of the heart, were cured immediately.

CERTAIN DISEASES.

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill timed sense of shame or dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him, he falls into the hands of ignorant and designing pretenders, who, incapable of curing, fleece him of his pecuniary substance, keep him trifling month after month, or as long as the smallest fee can be obtained, and in despair leave him with ruined health to sigh over his galling disappointment, or, by the use of that deadly poison, Mercury, cause the constitutional symptoms of this horrid disease to make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this cruel disease becomes a horrid object of commiseration till death puts a period to his dreadful sufferings, or sending him to that undiscovered country "from whose bourne no traveller returns."

To such, therefore, Dr. JOHNSTON offers the most certain, speedy, pleasant and effectual remedy in the world.

ENDORSEMENT OF THE PRESS.

The many thousands cured at this establishment within the last twenty years, and the numerous important surgical operations performed by Dr. Johnston, witnessed by the Representatives of the Press, and many others, notices of which have appeared again and again before the public, besides his standing as a man of honor and responsibility, is a sufficient guarantee to the afflicted.

DOUBLE ACTING FORCE PUMPS.

J. L. KITCHEN Inventor and Manufacturer

RALEIGH, N. C.,

And Successor to Kitchen Bros., of the Kitchen, Submerged, deep well Porcelain-Cylinder, Double-Acting Force Pump, which has been in use 3 years, without even the expense of a new packing, and received the first premium for force pumps at the State fairs, for the last three years over all domestic pumps, being the only combined yard well pump and hand fire engine that has ever given satisfaction in this country, and having been tested by over 50 fires and saved over five hundred thousand dollars worth of property, and I have yet to hear of the first one being overcome by fire. They throw from 30 to 250 gallons water per minute on the roof of three-story buildings. They are made strong so that 2 to 4 men will not break them nor yet without the hose small children work them for ordinary use. They have a porcelain cylinder which can't rust. The packing for give any taste to the water, will not want repacking in five to ten years if ordinarily used. With my long experience and knowledge of these pumps I can now fully guarantee satisfaction. Some of them are working satisfactorily in wells 85 feet deep. Many who have them say they save half per cent. for annual insurance, and many say they do not realize necessity of paying any fire insurance while they have one of my pumps. My Globe Pump & Oysters and Double-acting Force Pump, has astonished hundreds by its wonderful forcing powers and its novelty of construction and beauty, both of operation and shape. It was gotten up to set where there was no water, by running the pipe to some neighbours well, cistern or spring, lifting the water from 25 to 30 feet perpendicular and as far as you wish horizontally, and then by attaching hose throws it as far as you please, and it answers well what it was intended for and is said to be the best ship pump in the world by attaching two suction pipes for use one for ships water. I am making two sizes of these and six sizes of the Porcelain Cylinder Pump and over a dozen styles of works I show. Send for Circular and price list.

Two partners wanted, none need apply unless good financial business men and good mechanics. The demand and satisfaction these pumps are giving is a guarantee of the largest dividend realized from any business in the United States, these statements to can be easily substantiated by hundreds of unsolicited testimonials. Persons raised in manufacturing districts having manufacturing ideas, enterprise and money, or no money, would do well to negotiate with me at once. It is not so much money I want as help, push, energy and business talents. I will give $1000 premium to anyone that will prove a cistern and deep well pump to beat mine from either North or South (as to general merits.)
