"The greatest Sewing Machine Manufactory in the world is that of Wheeler & Wilson, New York, which alone has brought already over 900,000 of their Sewing Machines into practical use. The complete production of the parts by machinery is so regulated that each complete machine may be used as a sample for exhibition. This firm produces 600 well adjusted machines delly.

"The latest production of this firm, and which is the wonder of the Visnna Exposition, is their New No. 6 Sewing Machine. This universal machine sews the heaviest leather harness and the innest gauses with a truly pearl stile."
