A MARKED CASE OF DEAFNIESS

About one year ago I campht a severe cold in the head, which terminated in a severe form of cotarrh. During the time ulcerations secured in the name passages, and I become wholly deaf in one ear, with partial deafness in the other. The inflamation had involved all the delicate structures of the care, and war in immediate danger of permanent deafness. The discharge became profuse and fetal, both into my throat and from my care. In this condition I called on Dr. Parce, for aid, who prescribed his Golden Medical Discovery and Catarrh Remedy, and under their has have rapidly recovered. My hearing is restored, and my Catarrh is entirely well.
