

CITY AFFAIRS.

We have received several anonymous communications relative to city affairs and candidates. One gentleman writes that it would be better to give the city...

Washington, in which "entirely" the white men of South Carolina, and not the negroes were made responsible for the misrule and ruin which prevail in South Carolina. Our correspondent wishes to know why the Sentinel does not come down on the city misrule and disorder...

TRIBUTE TO THE JEWS.

Gov. Vance, in his lecture, is complimentary to the Jews. The Biblical Recorder says: Under the old dispensation, the Jews gave largely and they did it with "joy." The Recorder further adds: "It seems that our people have not been taught that giving is worship..."

ANOTHER COUNTY HEARD FROM.

Gen. Clingman has not been heard from on consolidation, nor but little on any question since Swepson and Littlefield employed him to buy three Rail Roads in Florida, and they follow out pay and commissions. The General is said to hold Littlefield's paper for \$80,000 or \$85,000.

A TEMPERANCE CRUSADE ON THE MARYLAND LEGISLATURE.

A strong delegation of ladies from Baltimore made a crusade on the Maryland Legislature, in session at Annapolis, Wednesday, in the interest of the temperance movement. The delegation was about one hundred in number, and was escorted by several ministers. They bore a memorial which had been adopted at a recent temperance mass meeting in Baltimore.

AT UNYANJEMBE.

Livingstone's remains were placed in another bark case, a smaller one, done up to represent a bale of goods so as to deceive the natives, who objected to the passage of the corpse, and was thus carried to Zanibar. Dr. Livingstone's clothing, papers and instruments accompanied the body. When sick in bed at Unyala Dr. Livingstone prayed and said, "I am going home."

The memorial was presented there was a flutter of excitement, and a good deal of discussion on the motion to have read. This was finally allowed, though it must be admitted grudgingly. The majority of the House voting a general debate of the whole proceeding. Indeed, it was only through parliamentary tactics that the memorial got a reading at all.

The House finally cut short all further proceedings by adjournment and flight. Some of the ladies sang the doxology and a short hymn in the hall after adjournment. A good deal of amusement was created by some of them gathering around some of the opponents of local option, especially two members engaged in the liquor business in Baltimore, and lecturing them as to their course.
