Local Affairs.

Mr. Carmichael, a respected and worthy citizen—a tailor of Hillsboro, is we are sorry to learn extremely ill.

Sheriff Harris, of Person County, brought down this morning two negro convicts. One for 10 years, the other for 5 years, in the Republican Hotel by the sea-side.

and carries a massive silver trumpet with which he can make himself heard from the centre to the circumference of the city, the most admired of them all."

PLAN OF ORGANIZATION OF THE DEMOCRATIC CONSERVATIVE PARTY.—At a meeting held in this city yesterday, the following plan of organization was adopted by the State Executive Committee:

1. The Executive Committee of the Democratic Conservative Party shall continue as at present constituted until regularly changed, and shall have general supervision of the affairs of the party in their respective districts.

2. In each county there shall be an Executive Committee composed of a Central Committee of not less than three members, and of at least one committee from each township. This committee shall, under direction of the County Convention, have entire control of county matters. It shall be their duty to see that all the details of the canvass are properly conducted; that the polls are attended by competent challengers; that each Conservative cast his ballot, and that no fraud is perpetrated at the election. They are particularly enjoined to take the necessary steps for the efficient organization of townships, and to seek by a wise administration to promote harmony and to inspire confidence.

3. All Executive Committees are properly chosen by the Conventions held for the respective territorial divisions, but if for any cause there should be a failure by the proper Convention to appoint any Executive Committee, then the State Executive Committee may supply the deficiency.

4. Nominations for county officers and members of the General Assembly shall be made by county conventions; for town and township officers, by town and township conventions; for members of Congress and judicial officers, by the District Conventions.

5. All Conventions shall be open, and the notice of the time and place of convening the same shall be given.

W. R. COX, Chair.
J. J. LITCHFORD, Sec'y.

THE SPEAKING SATURDAY NIGHT AT METROPOLITAN HALL.—A good audience came together at Metropolitan Hall Saturday night at 8 o'clock, to listen to Joe W. Holden, Esq., on the Mayoralty question. He commenced by announcing himself a candidate for the nomination of Mayor, by his brother Republicans, thought the office was well filled at present by his brother Whitaker, and that he could do better. Some fears had been expressed, by friends especially, that he wouldn't keep straight, but he assured all that he had conquered that habit and nothing on that score was to be anticipated, and at any rate he was not to be intimidated by such miserable threats. He attacked the city officials for the debt, but made no charges against any particular one. Wanted to know why scrip was paid for everything and what became of the greenbacks collected for rents, fines and other things. They say there is only \$25,000 in scrip, he wouldn't be surprised if there was \$50,000 out. Officers took the greenbacks while the poor street hands took the scrip. There might be some counterfeits scrip out. You could not take up this scrip in 12 months, the only way was to find it which would ruin the scrip. Said he had to pay \$5 cent for the hall he was speaking in but did not object, (though it was something new) so they paid the \$5 cent to the street hands. Republicans were going to have a reform, and called upon the brethren to stand by him. He discussed the Pullman case matter and Mayor Whitaker's administration and action therein. (It being where a certain girl was carried to a house of prostitution) in which he threw the entire blame at great length upon the Mayor. Referred to the lamps burning all night in a certain part of the city, which was in Night Police-man, Friday Jones' heat. This reference roused old Friday, who was sitting in the private box, adjoining with his No. 16 glasses protruding to the audience, and he rose to explain, but was hoisted down by both negroes and whites. Joe proceeding, complimented Friday as a good man while night watchman at the Capitol, but some thought it was ironical, though Friday did keep the Radicals from stealing the State House building. Dave, a son of Friday's and like the family, endeavored to have a say but the negroes jeered and pelted at him so he was finally seated by the assistance of policeman Laska. The Joe was very much needed at this juncture of affairs but as he was not interested, failed to put in an appearance. Joe went out Mayor Whitaker, saw on the Trupper Church imbroglio, and severely condemned him for his action in that matter. Referred to the card given to himself, and begged demerol to get to sleep—anybody would sign a petition, but the Mayor had done carrying it around, while two of them told him (Joe) that he did so. He praised the party, and after speaking for

nearly two hours closed by telling his friends that Grant was coming to the next Fair and he wanted to welcome him in a pretty little speech. Some of Joe's points were strong, while others we thought were weak. We expected to see a shower of blood and thunder-oughting upon the Mayor and the city officials. It remains to be seen what effect it has had.

ing and yelling, more especially proceeding from the negroes. He held out stubbornly for ten minutes when he had to desist, for the crowd would not permit him to go on. Loud cries were now made for Jim Harris (col.) who came forward and addressed them for a half hour. He told the blacks to stand firm, they had gotten good tickets nominated in the Eastern and Western Wards and reform was on a sure footing, &c. The Ring was trying to get five men to swear in the Eastern Ward they did not vote for Chas. Hunter, one of the nominees of that Ward, but that they thought they were voting for Hunter, who had a stall in the Market, so as to have another nomination. Told his friends not to countenance any such basality but to stick to the nominees. Colored men he said who were in a majority in the city, should go for reform, for if this debt is allowed to go on they will be held responsible. He closed amid great applause.

City Breveites.

One Good was up this morning for assault and battery upon a negro woman in Raleigh township, and the Mayor bound him over in a \$500 bond for his appearance, at the next term of Superior Court.

Several of the city legal fraternity departed this morning to Oxford to attend Granville's Superior Court.

Only one day more to-morrow remains for registration. Nothing is more important. You can register in a few minutes. The books will be closed at 5 P. M. Go and act and, if you have not already done so.

The Campaign in the city bulletin. Radicals are stirred and stirring, and rumors are more active in the interest of their friends, their Couriers were in the late unpleasantness telling of the advance of the enemy.

Yesterday was a dreary, rainy day, and but a moderate attendance in consequence at our churches.

The Radicals have another post-war at Metropolitan Hall to-night.

Mayor Whitaker, replies to the speech of Joe W. Holden, Esq., of Saturday night. Others are expected to take a hand in the mouth music, and a nomination for the Mayorship is to take place, after the gas is turned loose.

Capt. Luicks, of the night police, promises to give in his experience, also in regard to City Affairs. A good time generally may be expected for the hour are agitated with much pricking.

MOTT'S Liver Pills!

An old physician once said that nearly all diseases originate from a DISORDERED CONDITION OF THE LIVER, and this statement is true, although it may at first seem like an exaggeration. When the Liver is out of order the whole system and every organ and function suffer more or less in consequence. In the incipient stages of the disease a man

Does Not Know What Ails Him.
He is moody, restless and despondent; and that is the time to take a SIMPLE REMEDY that will restore him to health IN A SINGLE DAY,
and prevent a whole train of diseases that may follow.

MOTT'S LIVER PILLS cure torpidity of the Liver.
MOTT'S LIVER PILLS give tone to the stomach.
MOTT'S LIVER PILLS cleanse the system of bile.
MOTT'S LIVER PILLS drive out febrile affections.
MOTT'S LIVER PILLS strengthen the whole system.
MOTT'S LIVER PILLS regulate the Liver, and are more reliable as a Liver medicine than any of the mineral preparations that DO MORE HARM THAN GOOD.

For sale by all Druggists. Price 25 cents per box.
