ELECTION OF DELEGATES TO THE EPIS-COPAL CONVENTION .- The following delegates were elected by the vestry of Christ Church (Episcopal) on Saturday evening last, to the Episcopal Convention which meets in Wilmington next month: W. H Battle, Seaton Gales, W. R. Cox, and S. A. Ashe. The following were elected as Alternales: K. P. Battle, Dr. P. E. Hines, G. H Snow, and S. G. Ryan,

THE SHERIPPARTE, -Gen. John C. Gorman has lifted the veil, and has submitted his name to the brethren of the Radical party for the Sheriffalty to the nominating Convention which meets in this city Saturday, the 16th of May. What will Timothy Tug Mutton say to this innovation. A lively time may be expected. Go in "Shacknesty Jim" and "Pilot" too. We will get Uncle Handy Lockhart to umpire the game and Jim Nowell to do the favor or affection, and, that if any errors "laffing."

BLOW YOUR HORN BILLY AND THE Ena .- Blow Your Horn Bill was in the city last week and did some Raid Mountain "cussing" at John Neathery's Private Steretary, one of the Editors who does the writing, sitting back in the bushes, and the managers of the organ generally, because they have denounced the appointment of Blasting Powder, Spelman, upon the recommendation of Billy. It says that Billy has returned the Bra and ordered his name to be crased from the subscription book, and they are waiting for any other iron clad Radies! to say the same thing and they will erase him too. It further says, Billy did the Republican party an injustice when he appointed Spelman, and if it be treason to the party let Billy make the most of it. Verily Billy will now have to do some more "cassing."

THE RADICAL NOMINATING CONVEN- ronage to Democratic lawyers, and said assembled at Metropolitan Hall last night. The Radicals to nominate their candidate for Mayor, while Democrats in good numbers were on hand to witness the fun. Tim Lee called the meeting to order, and fore all this scrip now out should have after a few remarks, on his motion, Jim Harris, (col.) was elected Chairman, and the citizens of it, and he strongly asserted Francis M. Sorrell, was elected Secretary. Nominations being first in order, Charles Upchurch placed in nomination the present incumbent, Wesley Whitaker, Jim Lamond nominated J. W. Holden Providence Buncombe, (col.) nominated Handy Lockhart, (col.) and somebody nominated A. W. Shaffer.

that P. U. hole, and the negroes again yelled. Friday tried to get in a question but the negroes woulden't listen. Joe wished Friday long life and prosperity, but as Friday and the Mayor had been going round talking about him, he coulden't let up on him without a parting word. Proceeding, he said, who are the Democrats in the Post Office? Whitaker said, "Weathers and Col. Harrison." Jos said Mayor Whitaker was invited to take the stage, it being understood that be wished to address his brothren in reply to the remarks of Joe Holden of Saturday night. Mr. Whitaker said he was again a candidate for the nomination of Mayor, that he had been in the office two years and no correct charges of a dereliction of duty had been made against him-he was not present when Mr, Holden addressed them Saturday night, but as he understood he had used no personalities would refrain from indulging in them .-The great bug bear adduced was the Lucy Powell-Lane difficulty. He issued ne warrant in the matter, andwould have nothing to do with it. The woman about civil rights in the caucas and the Mayor called upon Jim Harris, (col.) to state what Joe said. Jim claiming to be the mother of the gir came to him for a warrant for her dadge came to him for a warrant for her daughter who had run away, and was now with Mr. Adams of this city. There was no ground for the warrant, and he retused it, telling her to go to a Judge and sue out a writ of habean corpus, that he could take no official steps in the case at all, that it was not in his jurisdiction. The woman persisted and he refused in toto. He told her that if she desired she could take Policeman Lane along, but he distinctly and supplished that he authorized Lane to act in any official capacity.—

After the girl wastaken to a certain house, he gave Lane orders to take her back to Mr. Adams', and what Lane did in the matter he thought was only an act of charity, and that unofficial. No one has proved that Betsy Powell is not the mother of Lucy Powell. If a white man had done what Henry Lane, the colored peliceman had done, not a word would be made and done what Henry Lane, the colored peliceman had done, not a word would and the Mayor called upon Jim Harris, (col.) to state what Joe said. Jim bestands on state what Joe said. Jim bestands on state what Joe said. Jim bestands considerably, and it was very evident did not wish to speak of it, but negroes kept yelling "let it come out," when Jim stated he did not remember the hag of through John Hyman and Dudley, (col.) hissed at something. Joe rasmang said he did not know how he got out, for he was fitted he did not know how he got into that the was sorry "tightually slightally," and it was his last time. (Appladae.) He is a do had proof beyond that cauchs, that he was a friend to the colored man, and if he then made any remark derogatory to the colored people, he was not himself—(Good enough yelled the coons and loud applants.) He was going to the colored people, he was not himself—(Good enough yelled the coons and loud applants.) He was going to the colored people, he was going to the colored people he was going to the colored people he was going to the colored people he was not himself—(Good enough yelled the coons and loud applants.) He was ter who had run away, and was now with Mr. Adams of this city. There was no peliceman had done, not a word would have been said about it, and what was said was done for political purposes to in-june the Republican party, and bewas june the Republican party, and bewas surprised that Joe Hulden had thus taken Mayora. Cvil Rights, I have nothi up Democratic thunder and that poor old do wish, it is to be moured by Con Friday Jues, (col.) had come in for a sional action. I'm not a candidate part of the geotleman's demunciation.—
He, Whitaker, praised Friday for his capacity as an officer, he had bee substitutes, on who did not fill the hill, and he (for ma quantum property as an officer, he had bee substitutes, on who did not fill the hill, and he (for ma quantum property). He, Whitaker, praised Friday for his ca-pacity as an officer, he had two substi-

GALLANTRY OF A NORTH CARO.

LINA MEMBER. Upder this head a Washington e-tree pondent of the New York Graphic of the let inst, writes; "An incident at Willard's Hotel the other night, which reflects some credit on a North Carolina member for his gallantry, has not yet been reported in the newspapers. While coming out If the dining hall of the hotel a beautifu roung lady, the daught rof a member from New Jersey, was roughly greeted by a young ruffian from Maryland, who seized her by the shoulder and insultingly inquired, "Did you ever travel with Buff-lo Bill ?" The young lady was startled and frightened, but made no reply. The man who insuited her appeared to be in his right mind. He corrainly was not into xicated, and walked straight into the hall. The young fady's father was absent ; ions to take home at night, being paid in but she presently met Mr. Waddell, of sorip, warmed the negroes up shouted here lustily. He spoke amusingly of old Friday Jones, (ool) who every day with his umbrella went over to look in that P. O. hole, and the negroes again that P. O. hole, and the negroes again North Carolina, and told him of the insult. Mr. W. at once promised to punish the offender and seked her to point bins out. She did so and retired. Waddell then went to the brute and informed from that he must instantly ap dogize or there would be trouble. The young man was awed by the determined manner of the North Carolina Congressman and complied, Waddell led him into the presence of the "Weathers and Cel. Harrison." Joe said they both voted the Republican ticket. He defended his father, the ExGovernor who he said was unable to be here himself. roung lady and her mother and exterted from him an abject apology. The young man's brother attempted to interfere, but apon being told that no words would be he is now basined by his support and he is now basned by his support and delense of you (negroes). His father had appointed hundredn of colored men to place &c. &c. (The negroes here cheered and applicated estimatively, and Joe had touched the chord the most unfortunate thing for Whitaker of the night, the negroes awaring by the Gov.) Joe now asked the Mayor for his proof about civil—rights in the caucing wasted with him he also retreated. Waddell has become quits a liun with the ladies for his gallantry."
