Dr. J. Walker's California Vin Br. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Novada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vinegar Bitters," Our answer is, that they remove TERS! Our answer is, that they remove the cause of disease, and the patient re-covers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Visicoan Birruns in healing the qualities of Viscoan Bittens in heating she sick of every disease man is heir to. In their treatment, a purgative, exerting a powerful influence upon these various organs, is cosentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters,

DR J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark colored viscid matter with which the bowels are leaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.
