THE FRUIT CHOP. - Prof. W. C. Kert. who has returned from a visit to Salera and the West, informs us that the fruit crop is seriously damaged by the recent frosts, which will prove a serious loss to that section of country, Parties are about erecting in Salem one of Allen's Patent. Fruit driers similar to one in operation at Ridgeway.

RETURN OF OUR "BOSTING" SHERIFF. Tim, the great manipulator returned to the city on yesterday from a grand crusade among the "loyal" Eastward. He followed Tom Argo to Halifax, where the Rads held a meeting Saturday to select Pritchard. their delegates to the Radical Judicial nomination at Warrenton, and reports that he snowed Tom under deep enough; inst. Many delegates from sister towns having succeeded in fixing the delegation 'all hunky" for Loge Harris. Tim. ren'up by Goldsboro, and loaned a belping hand at the pow-wow there Saturday evening-that meeting was anything but harmonious, first endorsing Dudley, (col.) for Congress,but after much speaking and manoeuvring turned the tables upon Dudley and endorsed Judge Thomas, for the somination. Tim says, Thomas will have a rough time of it, and he considers It very doubtful as to his being the man,

AN EVENING RIDE MULE-BACK .- One of our Expressmen (we shant call his name this time) feeling like taking a ride on yesterlay evening to breathe the pure country air, saddled the little kicking essaying to cross the stream by fording it his muleship became suddenly stubborn and in his endeavors to kick his crupper off, he landed Mr. Expressman at full length in about three lees of water. Was he mad? oh no not a bit of it, but catching "Dr. Thager" again, he came back to the city is a way that was a sin to behold ers and an infringement upon all laws of the animal cruelty society.

He was dry as a chip this morning, and when we saw him was in a trot to the polls to vote the dry ticket.

THE MATCH GAME SATURDAY large attendance of spectators, assembled to withers the lateresting game of base ball, on the Baptist Grove Grounds on Saturday, between the first ten of the Swiftfoot, and the second ten of the new Pastime Clubs. The playing was fine and the interest manifested was great. It was the fluest game Raleigh has had this season, and with the show made by ten will no doubt give the Atheletics (the champions) a hot time for their ball when they come together. The Swiftfoots were out batted though playing very creditably for boys of their size. The score resulted Pastures 17 Swittfoot 7.

The Crev Structure. The city election

to-day has been progressing quietly, and on account of the rais persons did dot tas-fy long around the polls. From those that we saw the impression seemed to prevail that Prohibition would be defeated, and that it was also unconstitutional, if adopted, no registration being had or authorized by the bill. In some of the wards persons were allowed to vote on this question under the old registration. Joe Holden it is thought also will be elepted Mayor. It is impossible for us to give the results to-day, having to go to press of five e'clock, P.M. The friends of gentlemen belonging to the order from of the Dry and Wet ticket were hard at Tarbore, Rocky Mount, Black Crest work throughout the day.
