THE GRAND LODGE OF ODD FELLOWS.
The Grand Lodge of I. O. O. F. will meet in Greenboro next Wednesday. Our talented and polished Wodman, Maj. Boston Gale, delivers the address on Thursday. A banquet on Friday night.

THE PRESS CONVENTION.—All necessary arrangements have been completed for a proper reception of members of the Press Convention on Tuesday next, the 12th inst., and the citizens generally we are pleased to know, will extend them a cordial welcome to the capital. In this connection we will state, that on yesterday the Chairman of the Executive Committee of the Press received an invitation from the Durham Tobacco Association, extending an invitation through him to the Press of the State to stop over at Durham on their excursion to Haw River on Thursday next, to see them, their manufactories and their thriving little town. Arrangements have been made to accept the invitation had spend at least an hour with them.

MEMBERS OF THE NEW BOARD OF CITY COMMISSIONERS.—The new Board of city Commissioners held their first meeting last night in the Mayor's office. The following members were present: Mayor Holden, presiding, Messrs. Ellison, (col.), Jones, (col.), Little, Miller, O'Neil, Palmer, Royter, and Stronach. Gen. Gorman was absent being out of the city. Mayor Holden delivered an address to the Board which, upon motion of Mr. Stronach, was ordered to be published. Mr. Stronach, a motion that a special committee be appointed on salaries, which was adopted, and Messrs. Stronach, Ellison, (col.) and O'Neil were appointed as that committee.

ON MOTION OF ELLISON the regular meeting of the Board was ordered to be held on the last Wednesday of each month. Mr. Stronach moved that a committee be appointed to investigate the books of the bonded officers, and to employ a clerk. Mr. Palmer moved to amend by employing two clerks, which did not prevail. Ayes, Little and Palmer, 3; Nays, Ellison, Jones, Miller, O'Neil, Royter, and Stronach, 6. Mr. Stronach's motion was then adopted. Jones moved that Mayor Whitaker be paid for the extra time served by him as Mayor after the election. Carried. Ellison moved that the Board now adjourn until Wednesday, 8 P. M., but the motion was amended by Mr. Stronach, to take a recess till Monday night week, which prevailed, and the Board then took a recess.

NO ELECTION OF OFFICERS TOOK PLACE. The election will probably be gone into on Monday night week.

WORK FOR OUR NEW REFORM CITY COMMISSIONERS.—THE MARKET HOUSE NUMBER.—The new Mayor and the new Commissioners have ventured upon their duties, and as a majority of them were elected as the champions of a great reform, we have to suggest among other things which we propose to speak of shortly that their earnest attention should first be attracted to the Augean stable of the city (our Market House) a credit to the same, if properly kept and cleaned, but a discredit as it now exists. We speak more particularly of the various dens styled side eating houses, with their little stove pipes poking out like so many parrot guns all around the building, occupying at least one half of the market, presided over by able Tom's and Diab's, who dispense at all hours herrings on the half shell, onions, collards, and a hundred other loud smelling, breath-taking eatables. It is said that they pay no license as they should, but have been allowed to go on with their business unmolested by the late Board, because being blacks and in goodly number, their ire once aroused would be felt in the decision.

THEY SHOULD BE TAMED, and if walls are erected by them, the ordinance should be enforced to have the cooking done elsewhere as is provided in other cities. The Summer is approaching, and with the stink and stench that continually bubbles up one's nose, it cannot but prove detrimental to the health of our little city. We know the market is occasionally swept out, but it is impossible to get at these ranches which are reeking with uncleanness behind their counters without some frantic effort of the broom brigade. If you can do no more, put a good man on duty as market inspector, and enforce a fine for any nuisance they create, but we insist the cooking should be done elsewhere.

GO TO WORK ye reformers and clean this place, and set out and keep it so. Your market house is the best in the State and a credit to the city, but the plan carried out in its management has been totally negligent and slovenly. If you have your Market house thoroughly and honestly managed, you will find much revenue will come into your treasury which has hitherto gone where the wood-bine twines, and you will be doing our citizens in an estimable service.

CITY BREVITIES.
Wm. Mitchell (col.) of the day police, tendered his resignation to Mayor Holden to-day, alleging as a cause that he could not support his family with scrip payment of his salary at a discount of 25 per cent.

Sherwood Badger of this city was the conductor on the freight train that ran off the track last night on the Central Railroad. His caboose car was thrown from the track by the breaking of a truck and dragged for a considerable distance. We are glad to learn that he escaped unhurt, excepting a bruise on the shoulder and a few scratches.

A Committee of the City Liquor Dealers are engaged in procuring the names of those who were not allowed to vote on the question of Prohibition, on account of non-registration at the recent township election, for the purpose of making it a point at the hearing before Judge Watts next Friday.

We learn that efforts are being made with good prospects of success by the State Agricultural Society, to secure the next meeting of the National Agricultural Congress in this city. This body embraces some six hundred members, every State in the United States being generally represented at its Annual Convention.

Raleigh didn't have much luck in the Norfolk Gift drawing. Some 150 tickets were disposed of, and only one that we hear of, drew a prize. Bagwell, the lightning rod man, having struck 'em for twenty-five dollars.

There will be at least seventy-five editors in attendance at the Press Convention, some fifty having already signified their intention of being present.

Jim Estimer, of the Barringer building Wine and Liquor Store, with an elegant bar attached, cordially invites the Press Convention to give him a call and try a sparkling lemonade up to a crushing old Carolina julep.

Chas. Kobelsdorf was to-day appointed by the Governor, Commissioner of Deeds for North Carolina, resident at Chicago Illinois.

Maj. J. M. Tate, Chief Marshal of the Ladies Memorial Association Monday next, Memorial Day, has selected as his assistants on that occasion, Captains S. A. Ashe and Jas. I. Thomas.

The Secretary of State forwarded to the members of the last Legislature on yesterday the Senate Journals, and the House Journals go forward on Monday. The printers are now at work on the Supreme Court Reports and the North Carolina Manual.

A City cotemporary has been around and figures up that Raleigh has seventy-three opium eaters, consuming weekly four pounds of the article.

Can't our Temperance folks now that they have carried the Prohibition war, inaugurate a skirmish upon this glorious band! They would hardly sue out an injunction.

See Mr. A. Creech's new advertisement to-day. He intends selling as cheap as the cheapest.

THE RALEIGH EXCURSION—A DELICIOUS TRIP.—HOMESTEADERS OF RALEIGH.—THE RETURN.

We mentioned in our yesterday's issue that a large party of ladies and gentlemen from this city, Portsmouth and Baltimore availed themselves of the kind invitation of the affable President of the road, Col. J. M. Robinson, to take an excursion to Raleigh, N. C., in company with a number of the stockholders. The trip to Raleigh was a delightful one. The weather was all that could be desired, and the time was passed most pleasantly. The party reached Raleigh about 9 P. M., and at once proceeded to the Yarrowburg, where they were received and welcomed by that prince of hosts, Dr. Blackwell. An elegant supper was prepared and was partaken of by the guests with a zest that only a trip can produce.

After an hour or so of pleasant converse receiving the visits of numerous friends the party retired. At an earlier hour yesterday morning the party gathered again, and after partaking of breakfast, proceeded to the entrance of the hotel, where carriages were in waiting to convey them to their respective homes.

At 11 o'clock a. m., with many kind parting words and farewells, bade the hospitable city and its noble people adieu. On the return trip they were accompanied by a number of young and gallant sons of Carolina, who were unable to resist the wondrous beauty of the fair girls of our cities by the sea. The train reached Weldon at 4 P. M., and after a short stay started for home, which was reached about 8 P. M.

The excursionists are lavish in their encomiums upon President Robinson, his able, cheerful and happy assistant Joe Sam Brown, Esq., and the officers of the road in general, who were untiring in their efforts to render the guests happy in the extreme. All enjoyed themselves to their hearts' content, and the many pleasant features and episodes of the trip will long be remembered by all who were so fortunate as to be participants.—*Norfolk Virginian, 8th.*

JAMES GARDNER BENNETT WINS A WALKING MATCH.—The New York World of the 6th says: "A ten mile match for \$3,000 a side was walked yesterday morning in this city by James Gordon Bennett and John Whipple, being won by the former in 1 hour, 46 minutes, and 55 seconds. The match has been in prospect for some time. Mr. Whipple has been the special walking gentleman of the Union Club, and had gained much reputation among amateurs for speed and endurance. Therefore when the match was announced Mr. Bennett was no favorite with the better. He was not at all known as a pedestrian in fact, and the odds against him were heavy; in one instance it is said \$100 to \$50. Large sums were staked on the match, the average odds being \$100 to \$75. But Mr. Bennett is not in the habit of losing races.

It was agreed that the two should walk from Mr. Bennett's residence, at Fifth avenue and Thirty-ninth street, to Jerome Park, a distance of ten miles, for \$3,000 a side. Mr. Bennett at once went into training in charge of Mr. Judd, and was trained up to the day of the race. He recognized the speed of M. Whipple, and felt that in order to be successful he must keep in active training. Mr. Whipple, on the other hand felt confident of an easy victory, and did not at first think it necessary to train at all. But two or three days ago it was brought to his ears that his opponent had attained great speed, and had walked two miles in one hour and forty-two minutes. Mr. Whipple then placed himself in the hands of Mr. Beaumont. Mr. Whipple's trainer and friends claim that he was not in good condition and that he overtrained himself. Fifty thousand dollars, it is said, changed hands or the result. Early yesterday afternoon Mr. Whipple sent Mr. Bennett his check for \$3,000, with a congratulatory note, and thus the long talked of race was ended.

Three Kansas men are charged with having stolen a county. They staked it out and called it Barbour. They then divided the county offices among themselves, taking two or three apiece, and sent certificates and affidavits to the capital. Their credentials as a county were forwarded. At the general election over two hundred and fifty-one votes were cast into the ballot box after the Philadelphia fashion, and W. H. Horner was chosen to represent Barbour in the Legislature. Horner voted industriously for everybody else's measures, and found it easy to get through one of his own. It was a bill to authorize Barbour county to issue bonds for the building of bridges and other necessary improvements. The bonds were issued and sold well, Horner acting agent. And now Horner and all the population of Barbour county and the bondholders are wondering where they've gone to.

Henry Wood-Becher talks in this way of the Post: "I have a great many friends in Rome, the Pope among them. He never came to see me, but I would just as lief go to see him as not. He would hardly say I was orthodox, but I really believe he is orthodox. I would ordain him to preach and I would let him preach here if he asked me. I really believe the old man is a good man, with some cobwebs in his head, but they will be brushed away before long; we all have got them, in some way or another, and whatever there is in him that is pure and true and right makes him my brother."

"BRUCE IS"—Our friend, Capt. Joe Mills, of Burke, is having his luck on his Bridle-down lode this spring. We lean that recently he passed out two pennyweight of gold from a pound of ore that showed no free gold. Over \$4,000 to the ton. Mills are lucky dogs—something else.

Without doubt hundreds of people who will read this item are suffering with Kidney Disease in some form, which might be cured with a bottle or two of *Johnson's Anodyne Liniment*, used internally. Why not try it!

An Irishman called at a drug store to get a bottle of *Johnson's Anodyne Liniment* for the Rheumatism; the druggist asked him in what part of the body it troubled him most, "Be me soul," said he, "I have it in every haul and corner of me."

For loss of food, horn all, red water in cows, loss of appetite, rot, or murrain in sheep; thick wind, broken wind and rickings; and for all obstructions of the kidneys in horses use *Sheridan's Cowley Condition Powders*.

Parson's Purgative Pills, which are now being extensively sold in this State are purely vegetable, and are mild and gentle in their operation. One is a dose. Good qualities, certainly.
