CITY INTELLIGENCE. JOHN BRAGG, Editor

Reanous VALLEY, - The editor of this sterling Democratic paper has been in for two days. He is a genial

tener they would have that Boydion and Richmond were not the only cities in the Richmond were not the only cities in the South. We were well pleased with the Valley man though he tooks more like a mountaineer than a Valley man.

PERSONA' .- Col. J. A. Spears, of Har nett, has been in the city for a day or two on business. Harnett will have an excellent member next tession in the person of the Colonel. He is a good lawyer and a ready debater. George W. Pegram is the candidate in the Semate, a man of much experience in Legislative affairs, and well known throughout the State.

THE MATCH GAME OF BALL YESTER DAY, PASTIME - ATHLETICS. - The Match Game yesterday between our two crack clubs attracted a large crowd of citizens to the Ball ground, many ladies including the young ladies from St. Mary's School. The clubs with the first nine of the Swiftfoot as an escort formed in front of the Capital Park, headed by the Citizens Cornet Basd, marched down Fayetteville street to Martin street, thence to the grounds. The Boys looked splendid in their new uniforms, especially the Pastimes, which was greatly complimen-

The Athletics went to the bat first, and scored ten runs, on that moning, a good go off and which they held to the remain der of the game. The pitcher of the Pastimes, of whem there was some fear upon the part of the Athletics, did not fill the bill, and he was exchanged for another of the nise, though they were unable to close up the gap that the Ath-letics made on them in the fatal first inuing, and after a warm contest the Ath leticts proved themselves the heroes.

We learn that two tilts are yet to come between these clubs, and better playing may be expected on the next trial.

MEETING OF THE BOARD OF CITY COM-MISSIONERS LAST NIGHT.—The Board of City Commissioners, Mayor Jo. W. Holden, presiding, were in session last night, all the members being present. A good sudience was in attendance attracted mainly, because of an expected investigation into the alleged fraud in the recent election of city clerk. Messes. Argo, Hueris and Fowle were on hand as correct for Mr. Berrell, the clerk, watte Mr. F. H. Bushee, was present as counsel for Mr. Bullard, a contestant,

The minutes of the last meeting wer read, when Mr. Miller offered a resolution in regard to the election of city clerk, which was read. Ellison, (col.,) moved Page, W M Marcom. that the minutes be approved, and it was carried by the following vote:

AYES, -Ellison, Gorman, Jones, O'Neill and Royster -5.

NAYS,-Little, Miller, Palmer and Stronach.-4.

Mr. Miller offered his protest with the affidavits of five of the Board, swearing that they did not vote for. Mr. Sorrell in the election, including O'Neill's who had just voted to approve the minutes. Gen. Gorman arose and spoke at some length indismantly-snying, he was forty years old, and it was the first time his integrity had ever been questioned. He, it would he recollected, counted out the votes as pelled. The resolution was an insult. Gentlemen might have made a mistake in writing their votes. He disavowed anything dishonorable. He could not do any thing wrong, and besides Mr. Stronach had read the tickets, and passed to him, and there was conclusively no error in the count, Ellison thought that Mr. Miller was out of order, because the mirutes had been approved. Gen. Gorman, now objected to the reading of the affid-

O'Neill whose affidavit was among the lot effered by Mr. Miller, awearing he did the Bishop read his annual address. Durnot vote for Mr. Sorrell, now that he had voted to approve the election, will rot of course go upon the record. O'Neill would not stand the pressure-comment is unnecessary. The bonds of the city clerk and the chief of police were read and recaived, when the Board went into an election for night policemen, and after four or five ballets, George Scales was elected Captain, and the following were chosen as address, the Assistant Bishop submitted assistants; Henry Lane, (col.,) Ed. Nov-ertheless, we were wall received at the Penitentiary, and found things in pretty good co dition for a prison-house. The tour among the Sominaries was really a delightful privilege. Here are the lewels of Raleigh, fair, brilliant and fascinating. St. Mury's is one of the monuments of the State. Under the venerable Preceptor, it has fitted for their station the most accomplished women of the land. Its graduates are not only the wives and daughters of our foremost men, but the mothers also of our most promising youths. Dr. Smedes is t e ne plus ultra of female educators. He stands with his white hairs' and benignant countenance in the midst of his fair young flock, as if he had been commissioned by the fathers and mothers ENDOWMENT SCHEN of a past generation to instruct the children of this. The Presbyterian and Baptist Seminaries are both admirably off

But for music the Radicals would have ruined as Jer courage, and keeps us looking for the beautiful in the midst of our wretchedness. By all means let us have music, now and all the time, here and everywhere. The reception of the Editors at the Deaf and
