THE CHEAPEST, BEST AND CHEAPEST.
I offer to the public, the best improved
Cotton Gin.

The Great Reunion in Heaven! The War
of Angels! The Fall of Satan and the Fall
of Man described by John Milton in his
imperial poem, *Paradise Lost*, it being a
complete illustration of this grand poem from
the beginning to end, carrying out Milton's idea
of *PARADISE LOST*.

CARY, N. C., May 22nd, 1874.
I take pleasure in saying that the new
Sews Cotton Gin, I purchased from Mr.
W. M. Sorrell, known as the Cary Gin, does
far better work than any Gin, I have
heretofore used, though costing from 50 to
100 per cent. less money. I think any person
in want of a Gin will save money by
purchasing the Cary Gin, its performance
has been entirely satisfactory to me, I can
cheerfully recommend it to others.

Six Reasons Why

YOU SHOULD INSURE IN

The Penn Mutual
LIFE INSURANCE
COMPANY.

62 CHESTNUT STREET

PHILADELPHIA.

1st. Because it is one of the oldest
Companies in the Country, and past the
day of experiments.

2nd. Because every policy-holder is a
member of the Company, entitled to all its
advantages and privileges, having a right
to vote at all elections for trustees, and
thus has an influence in its management.

3rd. Because it has as large a percentage
of assets to liabilities as any Life In-
surance Company in the Country.

4th. Because by economical manage-
ment, its ratio of expenses to total income
is far below the average of Life Companies.
(See Official Insurance Reports.)

5th. Because it has declared more
dividends in number, and of a larger
Average Percentage, than any Company
in the United States.

For example: Policy No. 16, for \$5,000,
has been paid to the widow of a Philadel-
phia Merchant, upon which twenty-three
dividends had been declared. Averaging
fifty-seven per cent. Had these dividends
been used to purchase additions to this
Policy, \$30,000 more would have been
realized, making the Policy worth \$11,-
000.

6th. Because it is liberal in its man-
agement, prompt in its settlements, safe be-
yond a contingency, and its rates are as
low as any first-class Company in the
Country.

PRINCIPAL FEATURES.—Small expen-
sive, absolute security, large return premiums,
prompt payment of losses, and liberality
to the insured.
