ARE YOU GOING TO PAINT?

The best is the Averill Chemical Paint, because

1st. It has been thoroughly tested by chemists, and over 250,000 owners of residences throughout the United States, for the last seven years, and pronounced by them to be the most durable paint known.

2nd. For beauty and retention of color it stands far ahead of any other. Buildings have been painted with it in part, and partly with the best of other paints, both in the interior and on the sea coast, and in no case has it been excelled for beauty or permanency of color.

3rd. It is economical, and its cost is no more than the best lead and oil, and being far more durable (it wearing about twice as long as the best of any other,) and beautiful, warrants the assertion that for a period of twenty years it will save the consumer fully 50 per cent.

4th. It is in liquid form and all ready for use. Purest White, or any desired shade, can be obtained without subjecting the buyer to the annoyance of purchasing oil, pigments, coloring matter, dryer, &c. It is easily spread flows freely from the brush, clings firmly to every substance it may be applied upon. For wood, brick, iron, or for any painting purpose where durability, beauty and preservative properties are requisite, it stands unrivalled. Though composed of the most indestructible materials known to science, an analysis of the Averill Chemical Paint shows it to be (unlike lead and most of the other paints) free from poison. It will not blacken or discolor by the action of the sulphurous gases so prevalent on our marshy rivers and coasts.

5th. Requires no skilled painter. Any one can apply it.

NO PAPER TO-MORROW.—To-morrow being the Fourth of July and universally observed as a holiday, no paper will be issued from this office. A pleasant day and a happy time to our readers.

SUPERIOR COURT.—Judge Watts finished up the docket in the Superior court to-day, and adjourned his court. The causes that have been considered this term have been of no great importance to the public, hence we have omitted a daily note of the proceedings. Two criminals have been sent to the penitentiary, and one John Allen Blake, the raper, has been sentenced to be hung on the 24th inst.

THE SICK.—Dr. Fab. J. Haywood, Sr., continues to improve and is a great deal better.

His son Dr. Fab. J. Haywood, Jr., who has also been quite sick, is able to set up to-day.

Chief Justice Pearson who has been confined to his room at the National Hotel for a week, recovered sufficiently to undertake the trip to his home departing by the Western train last evening.

NOVEL BUT SENSIBLE.—Tom Pence the delivery man of the Southern Express, popularly known by every man, woman and child in the city, has his troubles at times, like nursing about the bad managers of the city are his principle pests. They come to the office, and take his trucks off with their barrels on them, causing him much worry. So Tom has resolved upon the expedient, and it is a good one which we witnessed to-day. In order to facilitate the return of the trucks, he makes them pawn their coats, until they get back, and it acts like a charm. Oh, my Tom!

Local Ministers' Conference for 1874, meets at High Point, on Thursday the 16th of July, at 10 o'clock, a. m. R. L. Abernathy, President, will preach the opening sermon Thursday night.

There will be preaching at 11 o'clock and at night, on Friday, Saturday and Sunday.

Sacramental sermon at 8 o'clock, Sabbath evening.

Friday the 10th of July is set apart as a day of fasting and prayer, for the prosperity of the conference.

The Railroads give return tickets for one fare.

L. BRANSON,
Secretary.

SUPREME COURT.—The court met at the usual hour, Justices Rodman, Reade and Bynum present, Chief Justice Pearson and Justice Settle absent.

Jno. Graigg vs David Wagner, from Watauga. G. N. Folk for plaintiff; R. F. Armfield for defendant.

McWilliam Young, *et al* vs John O. Griffith, *et al* from Madison. McCorkle & Bailey for plaintiff; no counsel for defendant.

Mayor &c., of Asheville, vs Wm. Johnson from Buncombe. Merrimon, Fuller & Ashe, for plaintiff McCorkle & Bailey defendant.

MENTAL ABERRATION.—Mr. Lee Yearby of the firm of Yearby and Rogers, grocers on Hargett street, this city has been acting in a manner for the last few days that has occasioned his family and friends considerable uneasiness.

This morning he disappeared mysteriously and his where abouts up to twelve o'clock was unknown. Parties went out on the various roads leading into the city in search of him. He was finally found by Messrs. Forrest and Bryan, on the Hillsboro' road after diligent search in a skirt of woods near the store of A. H. Temple. He was lying insensible with his teeth clenched. Restoratives were applied when he was somewhat resuscitated and brought to the city. Dr. James McKee was called in, and we learn attributed his condition to some poisonous ingredient taken while laboring under mental aberration. Hopes are at this time entertained for his recovery. Mr. Yearby is the same gentleman who accidentally wounded himself a few months ago with a Smith & Wesson pistol at Durham. He is a clever and popular gentleman, and we trust he will soon be convalescent.

SUSPENSION OF THE FREEDMEN'S SAVINGS BANK.—Some months ago the colored people of the country were in a high state of excitement consequent upon the report of the bursting up of their pride, the Freedmen's Savings Bank. Matters were fixed up and with a telegram from Fred. Douglass, our city colored again gave in their adhesion and piled in their money, for it was said to them it was all a Democratic lie. But how now! [illegible] the Mother Bank at Washington, the principal branch in New York, and other branches in all the other cities have suspended. The banking place of the company in this city was open yesterday and to-day, though the cashier was behind the counter and to the best of his ability answered the numerous inquiries addressed to him by depositors. Crowds of colored men have been lingering about the door all day. They murmured considerably at their misfortunes, but made no disorderly or noisy demonstrations.

The Comptroller of the Currency had the affairs of the company investigated in February last and reported the resources and liabilities of the institution showing a deficiency of $217,886.15; or, in other words the depositors are secured to the extent of about ninety-three cents in the dollar.

In Richmond, Va., there was on deposit $141,000, and the "Dipatch" says it is impossible to tell what they will receive as their share of the assets. All of their money was long ago forwarded to Washington to be invested there, and some of it fell into the hands of members of the "District Ring." Did any of the Raleigh Savings Bank money go there?

On the 17th of May, Hon. Frederick G. Bromberg, of Alabama, made a speech in the House of Representatives, in which he assailed the report of the examiner. He charged that considerable sums of money had been loaned on worthless securities, and according to a statement prepared by him the deficiency was not less than $785,348.20, and the bank held $1,200,000 less of cash and United States securities than was required by law.

As the result of the investigations made, Congress amended the charter of the company so as to allow the trustees to close up its entire affairs, if they [illegible] by placing its effects in the hands of three commissioners, persons not heretofore connected with the management of the company, and to be approved by the Comptroller of the Currency. The suspension of business has without doubt taken place under this provision of law.

The affairs of the parent bank at Washington have been placed in the hands of three Commissioners to be wound up. It is said that if there is any honesty displayed in the administration of its effects, depositors will not lose more than ten per cent. of their money.

THE LAYING OF THE CORNER STONE To-MORROW.—The Grand Lodge of Masons who have charge of the corner stone of the new Federal Court House and Post Office building, will assemble at the Masonic Hall at 9 o'clock, a. m., to-morrow, and having gone through their several duties, will form in front of the hall at 10 o'clock, when the procession will move to Hillsboro street, down said street to the west door of the capitol, where places will be assigned in the procession to the Chief Magistrate and other Civil officers of the State, Orator of the occasion, and the Mayor of the city immediately in the rear of the position of the Grand Sword Bearer.

The procession will continue to Fayetteville street, down said street on the east side to south side of Martin street, and filing to the right will cross Fayetteville street.

When the left of the procession reaches the west side of Fayetteville street it will halt and face inwards in two ranks, open order. The Grand officers, officers of the State and the Mayor of the city will pass through the lines, (the brethren remaining uncovered) and take their position on the platform. The fraternity will then form on the south and west of the platform.

The Grand Master will announce the purpose of the occasion, and proceed to lay the corner stone with the ceremonies of the order.

The ceremonies having been concluded, the oration will be pronounced by Hon. Edwin G. Reade, Past Grand Master. The Grand Lodge will then return to the Hall and close.

The parade promises to be grand and imposing, while the ceremonies at the building, will be of an unusually interesting character. Persons having small articles of interest, they may wish to deposite in the corner stone, of the building should leave them at the post office this afternoon, or early in the morning. The public are cordially invited to witness the ceremonies.

MEETING OF THE COUNTY EXECUTIVE COMMITTEE.—We are requested to state that there will be a meeting the Conservative County Executive Committee, in this city, on Thursday next. Business of importance will be brought before the committee, among which is the election of a chairman, of the committee, by reason of the resignation of Geo. V. Strong, Esq., who is now one of the candidates for the House of Representatives.

STATE NEWS

Carteret county "independents" are coming to the surface. Conservatives of Carteret, beware!

S. S. Jones, Esq., has been nominated for the House of Representatives by the Democrats of Hyde county.

The Hon. George Davis will address the people of the staunch old county of Duplin, at Kenansville, July 14th.

The Conservatives of Sampson county have nominated Edwin W. Keir, for the Senate, Jas. I. McCalop and Capt. W. H. Bryant for the House.

The Democrats of the 3d Congressional District will meet in Goldsboro July 8th, to nominate a candidate for Congress.

There will be a grand fishing excursion from Greensboro and Salisbury to the Yadkin River on next Tuesday the 7th inst.

Mr. Wm. Lackey of Scotch Irish township, Rowan county, has a cow with three calves, each one well developed and when last heard from, he expected to raise all three.

Judge Anderson Mitchell passed through Hickory Monday, en route for Catawba, White Sulphur Springs. He was in fine health.

Col. Fagg of Asheville returned from Washington last week, where he has been to attend the National Convention of the Cremationists, and the "Press" says the cremationists have determined to urn their living.

Col. G. N. Folk of Caldwell, now in this city, it is stated is an independent candidate for the Senate in the 41st district, against Mills and Young, the conservative nominees of the Morganton convention.

MARRIED: On the 30th June, 1874, at St. John's Vv. Luth. church by Rev. Samuel Hothrock, Mr. George Achenback of Jersey City, N. J., and Miss M. F. Walton, daughter of the Sheriff Walton, of this county.—*Sal. Intel.*

RUNAWAY.—We have been informed that Wm. Hicks, of Davidson county, was thrown from a buggy a few days ago, and had both arms broken. His horse took fright and ran off, but we have not been able to learn any further particulars.

ANOTHER CANDIDATE.—Dr. John Kerr of Long Creek Township, is willing to sacrifice himself for good of the State. He says that if no one else runs against Capt. Waring, for the Senate, he will as he is determined that he shall have opposition. This makes five candidates from Long Creek township who are now before the people.

MARRIED.—Mr. Cicero W. Harris, junior editor of the *Morning Star*, and Miss Carrie A. Jenkins, were married at Wilson yester. The ceremony was performed in St. Timothy's church, by Right Rev. Bishop Atkinson, assisted by Rev. G. W. Phelps. The happy couple reached here on the evening train yesterday.—*Wilmington Star.*

HOME AGAIN.—All of the Mountain Excursionists have returned home, delighted with their trip of some three weeks, roughing it among hills and dales, of Western North Carolina, Mount Mitchell seems to have been one of the principal attractions of the company. A fine specimen of the rattlesnake was brought home by the party.—*Salem Press.*

It is charged that in 1872, Mr. Seymour, the Radical candidate for Judge in this District, took a bribe, or rather a fee from the Lenoir county parties, who he was employed to prosecute on the charge of "Ku-Kluxing." Mr. Seymour was employed by Gov. Holden on the part of the State. Will he please rise and explain? What was the CONSIDERATION?

DEGREE CONFERRED.—Information reached this city yesterday, from the University of Virginia, that the degree of B. L. has been conferred upon our young townsman, Thos. H. Brem, Jr., who last week finished a legal course at that institution. Mr. Brem was one of twelve, out of a class of fifty young men, who passed a satisfactory examination, and received the degree named above. Three years ago he graduated at Davidson College with the first honor in a class of about thirty, and took a higher stand than had ever been taken at Davidson before. Mr. Brem is a young man of the highest order of intellect, and will one day distinguish himself at the bar. Charlotte should be proud of and encourage such sons.—*Charlotte Observer.*

LEG CRUSHED BY A THRESHING MACHINE.—We regret to learn that, on Tuesday afternoon the second son of Mr. C. E. Bell, who lives about seven miles from this city; got his right leg entangled in a threshing machine, at his father's place and had it so much crushed that it was found necessary to amputate it. This operation was performed by Dr. R. H. Gibbon of Charlotte, Dr. Strong of the county, and the patient was, at last accounts, resting tolerable easy. The youth's age is about 18 years. He had just returned home from school. He is described to us as a boy of fine promise, and the accident which he has sustained is a source of sincere regret.—*Observer.*

Local Dots.

Don't interview the thermometer. It's discouraging.

Nothing at the Mayor's court to-day—offenders are holding off until to-morrow; the fourth.

A negro loading a car at Goldsboro fell dead yesterday. Cause—bursted a blood vessel.

We learn that Col. Silas H. Rogers will [illegible] new government building to-morrow.

"There it is," said a man pointing out the comet to his companions; "right there, where I am pointing. Don't you see it." No my friend," responded the other. "Like Washington, I will not lie. I'll swear I don't see it, and I don't believe you do, either."

AN ELOPEMENT.—On Wednesday the 24th., Miss Nannie Morgan, eloped with one, Richard Hicks. This couple had, for some time, been engaged but opposition on the part of the parents of the lady prevented a consummation of their desires. Believing that wherever there was a will there was a way, they run their heads together and adopted the following plan of escape. Miss Morgan walked out ostensibly for the purpose of finding the pigs. Arriving at the pig pen she met her lover, in company with the preacher and friends with license in hand ready for the union. Without delay the minister proceeded to perform the ceremony. While this was going on, the mother of the young lady filled the air with vociferous calls for her daughter, but no answer was returned. Had the old lady known what was going on her personal presence would, no doubt have frustrated the nearly completed plan, but being in ignorance she contented herself with calling and the ceremony making Richard Hicks and Nannie Morgan husband and wife was fully completed.—*Henderson Register.*

PROPOSALS

FOR

DIMENSION STONE AND CUTTING,

FOR THE

U. S. COURT-HOUSE AND POST OFFICE

AT

RALEIGH, N. C.

ADVERTISEMENT.

OFFICE OF SUPERINTENDENT,
RALEIGH, N. C., July 1st, 1874.

Sealed Proposals will be received at this office until 12 M. of the 29th day of July, 1874, for furnishing and delivering at the site of the proposed court-house and post-office at Raleigh, N. C., all the Dimension Stone required for the exterior of the superstructure of the building, cut ready for setting, and as required by the drawings and the specifications.

The species of stone from which a selection will be made, will be confined to granites, limestones, freestones and sandstones, and the qualities especially insisted upon will be uniformity of color and texture, durability, and the capacity for working under the chisel or hammer to a proper surface.

No stone that has not been tested by actual use as cut stone in buildings for at least ten years will be considered, and absolute proof that it has been so used for that period must be furnished. The stone must further have a good grain and be free from all discoloring substances, and the quarry from which it is procured must be fully opened, and capable of furnishing the quality and quantity desired within the time required by this advertisement.

A sample block of the stone proposed to be furnished must be submitted to this office, the block to be 12 by 12 by 12 inches, showing on one face the natural fracture of the stone and on the others the different grades of cutting required to be done on the work, as shown by the sample blocks to be seen at this office or at the office of the Supervising Architect, Treasury Department.

The stone, cut, dressed and ready to be set must be delivered at the site of the building, [illegible] nine (9) months from date; that of second story within twelve (12) months from same date; and the remainder, being that of the third story, chimney stacks, dormer windows, steps and copings, &c., within eighteen (18) months from same date, under a penalty of one hundred dollars ($100) for each and every day's delay beyond the time above stipulated.

Proposals will be made for the entire work complete, as exhibited by the drawings and described by the specifications.

No bids will be received, except from the owners or lessees of the quarries from which the stone is proposed to be furnished, or their agents, who must also be engaged in stone cutting, and have the necessary facilities for a prompt execution of the work as required.

Payments will be made monthly, deducting ten per cent. of work executed until the final completion of the contract.

All bids must be made on the printed form to be obtained at this office, and must be accompanied by the bond of two responsible persons, in the sum of ten thousand dollars, ($10,000,) that the bidder will accept and perform the contract, if awarded him, and execute bonds therefor in the amount of twenty thousand dollars, ($20,000,) and a valid and binding lease of the quarry to the Government as security for the faithful performance of the contract, the lease to take effect upon the failure of the contractor to comply with the terms of the contract; said lease to authorize the Government to take full possession of the quarry, and work it at the expense of the contractor in case of default; the bond to be approved by the United States District Judge, Clerk of the United States Court, or the District Attorney of the District wherein the bidder resides.

The Department reserves the right to reject any or all bids, if it be deemed for the interest of the Government to do so, or to divide the work of the basement and superstructure, and award to different bidders, at its option.

Every bid must be made on the printed form to be obtained at this office, and must conform, in every respect, to the requirements of this Advertisement, or it will not be considered.

Plans, specifications and forms of proposal can be procured on application at this office, or at the office of the Supervising Architect, Treasury Department.

Samples of the stone (properly labelled) proposed to be furnished must be submitted with the proposals, and all proposals must be enclosed in a sealed envelope, endorsed "Proposals for Dimension Stone and Cutting for the United States Court-house and Post Office at Raleigh, N. C.," and addressed to
