THE SENTINEL

JOSIAH TURNER, Editor.

WEDNESDAY, AUGUST, 5, 1874

REGISTRATION.

A new registration is not required for the August election, but every man who has changed his residence since last election, must register or he cannot vote. Every voter who has heretofore registered, should spend one day in examining the registration books to see if his name is on them. Unless your name is on the books you cannot vote. See about your registration.

POLL HOLDERS ATTENTION.—Poll-holders will take notice that five seperate

1. Superintendant of Public Instruction.
2. Congress.
3. Judge and Solicitor.
4. Senators and Members of the House.
5. County officers.

WHO WILL BETRAY HIS PARTY, INSULT HIS PEOPLE, STIGMATIZE HIMSELF AND AID IN ESTABLISHING NEGRO SUPREMACY, BY VOTING FOR OR SIGNING THE BOND OF A CIVIL RIGHTER.—TARBORO' SOUTHERNER.

There are 700 more whites than blacks in Wake, and many of the 700 voted for a bribed negro in preference to three of the most distinguished white men of the State. We are glad to know that only a few of the 700 will vote for Jeemes Harris, col., in preference to Charles M. Busbee, Esq.

CONGRESSIONAL TICKETS.

We learn that tickets are printed and circulated bearing the name of Josiah Turner, Jr.

We are not a candidate, and we hope NO FRIEND OF OURS WILL VOTE FOR US, as it will count a vote for Headen.

Let all our friends vote for

CAPT. JOSEPH J. DAVIS.

It is hardly necessary for us to say these tickets were printed without our knowledge or consent.

WHAT SHALL IT BE?

Shall to-morrow's sun go down upon us as victors or vanquished. In 1870 Holden, Kirk and radicalism was overthrown and Shipp defeated Phillips by 5,000 votes, less five. In August, 1872, the vote for Merrimon was 96,732; for Caldwell 98,630—majority for the latter 1,889. In November following Greeley polled 67,489; Grant 91,393—Grant's majority 23,904. From these figures it would seem that we had been going back since 1870. From every portion of the State we have intelligence that decided changes have been going on every day since the campaign opened. We cannot meet a Conservative who is not able to call by name men who voted radical last year, and now declare they will vote differently to-morrow. The way to victory has been made by argument and debate in the campaign and only one day's work is wanted to secure it. Bad luck to the man who will not give the one day's work. Let the watchword for to-day be I WILL MEET YOU AT THE POLLS TO-MORROW.

Let the watchword of to-morrow be NORTH CAROLINA "EXPECTS EVERY MAN TO DO HIS DUTY."

YALE AT RAMCAT.

We met and were introduced to Capt. Pierce's friends, Messrs. Pruddon and Hawes, on Tuesday last at Franklin's in Ramcat. They are la s students of Yale and are now engaged one as professor and the other as tutor. We introduced them to Jonas Medlin, the President of Ramcat, and to Gid. Simon Hayes, the Chief Justice of the territory. The collegians mingled among the Ramcatters as familiarly as among their own people. At noon we discovered Prof. Pruddon dressing the wounds of a Ramcatter who had been stabbed for civil rights. When the wound was washed and court plaster applied, the Professor was known and addressed as Doctor Pruddon. They listened with great interest and profound astonishment to the candidates for Sheriff and the charges they brought against each other. They never heard the like in all New England, and we told them we never heard the like before in North Carolina.

HOW MUCH BETTER?

Timothy Lee, our Boston Sheriff, admits that he has $23,700 of the peoples money in his pocket. He says and boasts of it that he bribed a man to be silent about his delaications, by giving him a gold watch. He admits on oath that he received $40,000 of the people's money in the black mailing suit when Judge Watts was bribed with half the sum Tim received. We pray to know how much better is the man who votes for Tim than Tim himself.

WHITE OR BLACK?

The white population of North Carolina is 678,470; blacks, 391,650; giving a white majority of 275,820. The white vote of the State is 134,142; colored 80,000; white majority 51,142.

Shall eighty thousand negroes with a few hundred carpet-baggers and corrupt rings control 134,000 white men?

NEW BOOKS.

Harper & Brothers, through E. J. Hale & Son, send us the following new books

My Mother and I. A love story by the author of John Halifax, Gentleman.

The Best of Husbands. A novel by James Payne, author of Found Dead, Won—Not Wooed, &c.

Antonia or the Fall of Rome. By Wilkie Collins, with illustrations. This is fiction founded on history.

Arctic Experiences; containing Capt. George E. Tyson's wonderful drift on the Ice Floe, a history of the Polaris expedition, to which is added a general Arctic Chronology.

Coomassie and Magdala. The story of two British campaigns in Africa. By Henry M. Stanley the man who found Dr. Livingston. Coomassia and Magdala are towns of Africa, which were captured, sacked and destroyed by the British.

Barnaby Rudge. A Household edition with forty-four illustrations.

When the campaign is over we may have something to say of these books.

CONSERVATIVE MAJORITY.

We may be mistaken, but we write down to-day our opinion as to the result of to-morrow's battle. Seven thousand seven hundred and seventy for Colonel Stephen D. Pool, and seven hundred and seventy-seven for Capt. Joseph J. Davis. These are our figures on the election, provided every man does his duty. It is common for men to say after the election "I told you so." Now we tell you so before the election. If we are in error as to our figures, then you can laugh at us, and we will be able to account for our mistake.

CIVIL RIGHTS BILL.

Many calls have been made upon us recently to publish the civil rights bill, though we did so at the time of its passage we are pleased to republish again, and again. We publish it as we would the infamy and roguery in Littlefield's day, and time. The following are the provisions of the civil rights bill in full, as it passed the Senate on May 23d:

Sec. That all citizens and other persons within the jurisdiction of the United States be entitled to the full and equal enjoyment of the accommodations, advantages, facilities and privileges of inns, public conveyances on land or water, theatres and other places of public amusement, and also of common schools and public institutions of learning or benevolence supported, in whole or in part, by general taxation, and also institutions known as agricultural colleges endowed by the United States, and of cemeteries so supported, subject only to the conditions and limitations by law, and applicants alike to citizens of every race and color, regardless of any previous condition of servitude.

Sec. 2. That any person who shall violate the foregoing section by denying to any person entitled to the benefits except for reasons by law applicable to the citizens of every race and color, and regardless of any previous condition of servitude, the full enjoyment of any of the accommodations, advantages, facilities, or privileges in said section enumerated, or by aiding or inciting such denial, shall for every such offense forfeit and pay the sum of five hundred dollars to the person aggrieved thereby, to be recovered in an action on the case, with full costs, and shall also, for every such offense, be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be fined not more than one thousand dollars, or shall be imprisoned not more than one year *Provided*, That the party aggrieved shall not recover more than one penalty; and when the offense is a refusal of burial, the penalty may be recovered by the heirs at law of the person whose body has been refused burial. *And provided further*, That all persons may elect to sue for the penalty aforesaid or to proceed under their rights at common law and by States statutes, and having so selected to proceed in the one mode or the other, their right to proceed in the other jurisdiction not be barred. But this proviso shall shallapply to criminal proceedings, either under this act or the criminal law of any State.

Sec. 3. That the district and circuit courts of the United States shall have, exclusively of the courts of the several States, cognizance of all crimes and offences against and violations of the provisions of this act and actions for the penalty given by the preceding section may be prosecuted in the territorial district or circuit courts of the United States wherever the defendant may be found, without regard to the other party, and the district attorneys, marshals, and deputy marshals, of the United States and commissioners appointed by the circuit and territorial courts of the United States, with powers of arresting and imprisoning or bailing offenders against the laws of the United States, are hereby specially authorized and required to institute proceedings against every person who shall violate the provisions of this act, and cause him to be arrested and imprisoned or bailed, as the case may be, for the trial before such court of the United States or territorial court as by law has cognizance of the offence, except in the respect of the right of action accruing to the person aggrieved, and such district attorneys shall cause such proceedings to be prosecuted to their termination as in other cases. *Provided*, That nothing contained in this section shall be construed to deny or defeat any right of civil action accruing to any person, whether by reason of this act or otherwise.

Sec. 4. That no citizen possessing all other qualifications which are or may be prescribed by law shall be qualified for service as grand or petit juror in any court of the United States, or of any State, on account of race, color or previous condition of servitude, and any officer or other person charged with any duty in the selection or summoning jurors who shall exclude or fail to summon any citizen for the cause aforesaid shall, on conviction thereof, be deemed guilty of a misdemeanor, and fined not more than $1,000.

Sec. 5. That all cases arising under the provisions of this act in the courts of the United States shall be reviewable by the Supreme Court of the United States without regard to the sum in controversy, under the same provisions and regulations as are now provided by law for the review of other causes in said court.

I propose as soon as a sufficient number of subscribers to justify the publication can be obtaining the type, transmitting and publishing a life of Fanning. I applied to Mrs. Spencer, of Chapel Hill, who has generously consented to write a life of Fanning to accompany the Journal. All that is wanted, is a sufficient number of subscribers to pay expense of publication. The book will read like romance for Fanning was a hero as well as a demon.

PEERLESS STEAM WASHER AND BLEACHER.

THE LATEST, BEST AND CHEAPEST

ARTICLE MADE.

That Steam Washers are better than others is now generally conceded. That the Peerless is the best of Steam Washers will be as readily admitted by every one who sees it and tries it with others.

Its construction is such as to rush the largest quantity of water through the clothing in the shortest time, and to compell all the water to go where it is desired, and prevent its going anywhere else. It has no bungling valves to make the water flow by fits and scase to flow at intervals—but causes it to flow steadily—pouring sixteen streams on the whole surface of the clothing. Then the water has not to descend to the centre or both ends of the false bottom to get back to its starting point but goes straight down from where it falls, washing all parts of the clothing—now untouched by its rapid current. It rushes through the clothing many times per minute and cleans them in 15 to 30 minutes!

The cost of the machine may be saved very soon in difference in wear of the clothes.

It may be saved very soon in the difference of labor required.

A machine made to fit, can be used with any stove boiler or the boiler for the machine may be used for any other purpose.

This machine sells for less than any of its kind, and will do the work quicker and more thoroughly. As its name indicates it is

PEERLESS AMONG ALL.

They are made of best tin. The boiler with galvanized iron bottom, will last many years and are sold at the following low

This is to certify that I am using one of it to any one wanting a good Gin.

CARY, N. C., May. 22nd, 1874.

I take pleasure in saying that the fifty Saws Cotton Gin, I purchased from Mr. W. M. I think any person in want of a Gin will save money by purchasing the Cary Gin, its performance has been entirely satisfactory to me, I can cheerfully recommend it to others.
