RESOLUTIONS ADOPTED BY THE STATE EXECUTIVE COMMITTEE OF THE DEMOCRATIC-CONSERVATIVE PARTY-PLAN OF ORGANIZATION.

Resolved, That we deeply sympathize with the people of the West in their want of railroad facilities, and pledge ourselves to use every available means to secure the early completion of their projected lines.

Resolved, That the Republican party having deplored the State, millions of dollars heretofore appropriated for railroad purposes, is unworthy of confidence, and that experience justifies the conclusion that if that party should be again entrusted with the administration of our internal improvements, its leaders would again prove recreant to the sacred trust, and would divert the public fund to their private purposes.

Resolved, That the policy dictates the adoption of such measures as may be necessary to increase the educational advantages of the children of North Carolina.

Resolved, That we earnestly recommend to the members of the Democratic-Conservative party to discourage independent candidates and all other disorganizers, and that all support be promptly withdrawn from every aspirant for office who is in any way inimical to our party.

Resolved, That we tender to the friends of Free Government our sincere congratulations at the triumph of the great principles of the Constitution as illustrated by the Democratic successes in the recent State and local elections.

PLAN OF ORGANIZATION.

The following plan of the Democratic-Conservative party was adopted: 1. The Executive Committee for the State shall consist as at present appointed, and shall have all the powers heretofore conferred upon it.

2. The Executive Committee for the Congressional and Judicial Districts shall continue as at present constituted, until regularly changed, and shall have general supervision of the affairs of the party in their respective districts.

3. In each county there shall be an Executive Committee composed of a Central Committee of not less than three members, and of at least one Committee-man from each township. This Committee shall, under direction of the County Convention, have entire control of county matters. It shall be their duty to see that all the details of the canvass are properly conducted, that the polls are attended by competent challengers, that each Conservative casts his ballot, and that no fraud is perpetrated at the election. They are particularly enjoined to take the necessary steps for the efficient organization of townships, and to seek by a wise administration to promote harmony and to inspire confidence.

4. All Executive Committees are properly chosen by the Conventions held for the respective territorial divisions; but if for any cause there should be a failure by the proper Convention to appoint an Executive Committee, then the State Executive Committee may supply the deficiency.

5. Nominations for county officers and members of the General Assembly shall be made by county conventions for town and township officers, by town and township conventions; for members of Congress and Judicial officers, by the District Conventions.

6. All Conventions shall be open, and due notice of the time and place of convening the same shall be given.

VALUABLE FARM FOR SALE.

Having more real estate than I can, or desire to cultivate with such labor as I am able to procure, I offer for sale the most desirable farm in Johnston county. It is situated on the South side of Nense River, in Ingram's Township, adjoining the lands of the late Maj. William and John J. Sanders (dec'd). It is well adapted to the growth of both corn and cotton. Superadded to its present productivity, the facilities for manufacturing are numerous, there being an inexhaustible supply of rich decomposed vegetable mould convenient to every portion of the cleared lands. Open land enough for 6 or 7 horses. Upon it there is a fine orchard now heavily laden with the choicest varieties of both the peach and the apple.

As a stock farm the purchased lands cannot be surpassed for either horse or cattle. Hogs do well the entire year with only such attention as is necessary to keep them gentle. The most of the forest trees, frequently make them sufficiently fat to be transferred to the smoke house. Cattle permitted to range the entire winter, keep in good plight; in fact, thrive better than when confined, sheltered and fed on dry forage.

Notwithstanding its proximity to the State of North Carolina, the farm is not subject to inundation. The tract contains about 900 acres. If a sale is not effected, it can be rented or leased for a term of years.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful

remedy that ever sustained the sinking system. No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fortified.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Sorethroat, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Gout, Scrophulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, Bladder, these Bitters have no equal. Such Diseases are caused by Viciated Blood.

Mechanical Diseases.—Persons engaged in Painting and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Itches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-head, Sore Eyes, Erysipelas, High Scars, Discolorations of the Skin, Manicure and Diseases of the Skin of whatever name or nature, are literally got up and carried off by the system in a short time by the use of these Bitters.

Pin, Taps, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuge, no anthelmintic will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible. Cleanse the Viciated Blood whenever you find its impurities manifest through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure and the health of the system will follow.

Six Reasons Why YOU SHOULD INSURE IN

The Penn Mutual LIFE INSURANCE

921 CHESTNUT STREET. ALL KINDS OF. It. Because it is one of the oldest Companies in the Country, and past the

advantages and privileges, having a right to vote at all elections for trustees, and thus has an influence in its management.

3rd. Because it has as large a percentage of assets to liabilities as any life Insurance Company in the Country.

4th. Because by economical management, its ratio of expenses to total income is far below the average of Life Companies. (See Official Insurance Reports.)

5th. Because it has declared more dividends in number, and of a larger Average Percentage, than any Company in the United States. For example: Policy No. 16, for \$5,000, has been paid to the widow of a Philadelphia Merchant, upon which twenty-three dividends had been declared. Averaging fifty-seven per cent. Had these dividends been used to purchase additions to this Policy, \$4,000 more would have been realized,—making the Policy worth \$11,000.

6th. Because it is liberal in its management, prompt in its settlements, safe beyond a contingency, and its rates are as low as any first-class Company in the Country.

Iron in the Blood

PERUVIAN IRON SYRUP

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the Blood, and cures a thousand ills, simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reactions, and are permanent, restoring strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.
