A postponement of the Fifth Concert of the Public Library of Kentucky has been so generally anticipated, and is so manifestly for the interest of all concerned that it must meet the approval of all. A sufficient number of tickets had been sold to have enabled us to have had a large drawing on the Bist July, but a short postponement was con-sidered preferable to a partial drawing. Jadging the future by the past, we enter with confidence upon this our new enterprise, of separating our Wholesale from our Retail Trade, by having a separate and distinct House for each; and in doing so we flatter ourselves that it will not only meet the approval of our numerous customers, but that an "Exclusive Wholesale House" will bring us a large lessux of new trade, and of a character not heretofore enjoyed. It must be obvious to every buyer that a strictly "Wholesale House," arranged and adapted for that trade only, with a corps of experienced Wholesale Balesmen, with a Stock carefully aslected for that Trade only, and moreover, the avoldance of coming in contact with rotail buyers, which we and you all have heretofore found to be so isk-some, as it frequently happens that the retail buyer is your very neighbor, (perhapyour own customer), huch a house, we assert, must and will commend itself to the trade.
