She was always welcomed by her schoolmates, for her lithe form and pleasing disposition carried cherrialness into their ranks. Diligent, punctual and exemplary, obedient and graceful at home, she won the hearts of all. But, alas, we are sorrowed. Those rosy cheeks and ruddy lips are blanched by Consumption. The voice once so enchanting in laugh and song is teshie, hasky and supplanted by a hollow cough. Let us approach her couch gently and take her her hand. Do not shudder because of the feeble and passionless grasp. The hand once so hearty and plump is emaciated and shows bony outlines, while the cords and tortuous veins are plainly mapped upon the surface. The pulse that hounded with repletion, carrying vigor to the whole system, and imparting life, beauty, vivacity, health and strength, is delicate to the trouch. The feeble heart cannot propel the thin, scanty blood with force. Must we loss her while yet in her teems? Companions and friends gather around with words of their and consolution, and steps. Must we lose her? No! there is relief! We can stay this destroyer of our happiness and not suffer the loss of destroyer is reso bright a gem. FIFTH AND LAST CONCERT IN AID OF THE PUBLIC LIBRARY OF KENTUCKY

ON THE PROPERTY OF MONDAY 30VII NOVEMBER, 1974.

LAST CHANCE

AN EASY FORTUNE!

A postponement of the Fifth Concert of the Public Library of Kentucky has been so generally anticipated, and is so manifestly for the interest of all concerned that it must meet the approval of all. The day is now absolutely fixed and there will be no variation from the programme now announced. A sufficient number of tickets had been sold to have enabled us to have had a large drawing on the 31st July, but a short postponement was con-sidered preferable to a partial drawing. furnished on application

Jadging the future by the past, we enter with confidence upon this our new enterprise, of separating our Wholesale from our Retail Trade, by having a separate and distinct House for each; and in doing so we fatter ourselves that it will not only meet the approval of our numerous customers, but that an "Exclusive Wholesale House" will bring us a large isflux of new trade, and of a character not heretofore enjoyed. It must be obvious to every buyer that a strictly "Wholesale House," arranged and sdapted for that trade only, with a corps of experienced Wholesale Balesmen, with a Stock carefully selected for that Trade only, and moreover, the avoidance of coming in contact with retail buyers, which we and you all have heretofore found to be so irksome, as it frequently happens that the retail buyer is your own customer), buch a house, we assert, must and will commend itself to the trade.

Four years ago we advertised that we intended to make Charlotte a wholesale mart and ours "The Wholesale House," We now have the proof satisfactics of seeing it on uccomplished fact.

We now call your attention to the fact that we have converted our superb store into an exclusive Wholesale House, where you can find all lines of goods necessary for a country store, to-wit: Dry Goods, Clothing, Boots, Shoes, Hats, Notions, Groceries, Hardware, Millinery, all in eachpete lines, bought in large quantities and from the very first hands.

Our stock is now arriving and will be complete about the last of September, and will be the largest of any here, the protessions of others to the contrary notwithstanding. We respectfully invite your personal laspection, or write to us for circulars.

Very traity yours.

WITTKOWEKT & RINTELS,

RETAIL Now, a few words about that. We now occupy the superb house heretofore so favorably known as the Meacra. Breen, Brown & Co's., Dry Goods House, to carry on our Retail business, and as "Excelsior" in and has always has been, our motto, we claim also in that line to excel in stock, to excel in lowness of proces, and to excel generally. We will, in that house, have a corps of thirty Salesman, and false-Ladies, all experienced, affable, and oblights.

We will make the Millinery branch a speciality.
