GO BEFORE THE PEOPLE. One of the strikers for the "spice ournal" says that Jordan Stone will get State Printing, another says a majority of the members elect from Wake will. vote for Jordan Stone. We know nothing of all of this, nor have we talked with the members on the subject. If the Wake members will, without offence, take instructions from their constituents, and Jordan Stone will join us in calling a most meeting to St. Mary's Township, we will have them instructed by the peo-ple to vote against Jordan and his spiced journal. We same St. Mary's Township because the delegates from that township grously misrepresented the people in the

Republicans all say Timothy's Unloader will not be revived, but another independent or conservative paper will be started. A contraspondent wishes to know why we have never called public attention to the fact that Swepson run the Crossent, now defunct, and he offers to give us proof of it. Verily, verily, the ring is not dead but sleepeth.

If Manager Stone, Stockh-ider Black-nall, Dr. Hawkins, or any person who has money in the Kens will call a mass meeting in the county in the district and can get one man in five to vote for Jordan and the Kens to have the public printing, we will give it to him now, and urge his election before the Legislature when it meets. We mention this district capecially, because it is among these people that Jordan says he said McAden have had us condemned. This notice will be kept standing until the meeting of the Legislature. sleepeth,

A GIFT CANDY CONCERT. We call the attention of the City Fathers to a communication from a wor thy citiz n signed "F." against the candy gambling on Payetteville Street, "P." takes a proper view of the game, and cites correctly the law against it.

For the Sentinel. DEMORALIZING THE YOUNG. Mr. Editor: I observe a prize candy etteville Street, near Tucker's. This is one of the worst forms of gambling, and ought not to be tolerated. It is a sight to make all creation mad, to see a stou able-bodied man making an open business of fleecing the innocent, the children the negroes, and unsophisticated folks generally. Mr. Editor, is this work of threves to be tolerated? Is it not, not only robbery, but a school for teaching the young to gamble ? Gambling is one of the worst of human vices, and an exhibition like this that kindles the spirit of gambling in the hearts of the young, should not be persuitted to exist a day longer. This condy concern is unlawful, as the 69th ecction of the 32d chapter, of name, style or title they may be known. Why don't the moral reform Mayor or ed get after this concern aut break
