She was conveyed to the station house, by the police, when Dr. Royster was called to the sufferer. She was shortly thereafter taken to her home in the Western Ward, but death ensued about 11 o'clock. A coroner's jury of inquest was summoned this moreing, and a post mortem examination was ordered. It was performed by Drs. Little and Dunn, and resulted in producing the startling development of the presence of a dead infant in the womb, which the physicians declared had been in that state for some days. The woman was interred at the expense of the county.

NORTHWARD BOUND,-Mr. Geo. Ziegler of the firm of Ziegler & Gruendlers's Cigar Manufactory, departed for Baltimore and other Northern cities this morning with a view of laying in an extensive stock of wrappers and fillers for their increasing eigar trade. Both of the young gentlemen composing this firm, since their advent among us, by their gentlemanly deportment and lair dealing with the trade, have become extremely populat, while their several brands of cigars are fast becoming famous. They are daily turning out hundreds of their choicest cigars, and at no distant day we trust to ee them filling all orders from this State. Their terms are accommodating, while their prices are as re-sonable as those of dealers North.

WHAT TO DO WITH THEM .- The editor of the Southern Home thus appropriately

DETAILS OF THE APPRAY AT EUPAULA -EUFAULA, Ala., Nov .- The disturbance was quite sanguinary. Six whites were wounded, one of them, William Keith, mortally. Three pegroes were killed outright, and as far as heard from seventyfour were wounded -ten or fifteen of the number mortally. Since the fight five have died, and three or tour more will die during the night The difficulty grew out of the abuse of a negro who had voted the democratic ticket, by several radical negroes, chief-among whom was one very ELECTION OF OFFICERS OF THE INSARE bad negro named Miles Long. There were probably five hundred shots fired by both sides, a majority being fired by the whites. The negroes came is from the country, armed with pistols, heavy clubs, wheel spok-s, &c., and were very aggressive upon those of their color who voted the democratic tickele For a few seconds after the firing ceased the negroes began to mass for a renewal of the fight, but seeing that the whites were arming to receive them they again scattered and quiet was soo · re-

A racking race was made up. Three horses entered, paying ten dollars each, besid a \$3 each at the gate.
