Six Reasons Why

YOU SHOULD INSURE IN

1st. Because it is one of the oldest

Companies in the Country, and past the day of experiments.
2nd. Because every policy-holder is

member of the Company, entitled to allis advantages and privileges, having a right to vote at all elections for trustees, and

thus has an influence in its management.

3rd. Beer se it has as large a percent

age of asset > liabilities as any life In-

surance Con , any in the Country.
4th. Because by economical management, its satio of expenses to total income

is far below the average of Life Compan-ies. (See Official Insurance Reports.)

5th, Because it has declared more dividends in number, and of a Larger

Average Percentage, than any Company in the United States. For example: Policy No. 16, for \$5,000,

has been paid to the widow of a Philadel

phia Merchant, upon which twenty-three dividends had been declared. Averaging

fifty-seven per cent. Had these dividends been used to purchase additions to this Policy, \$6,046 more would have been

realized,-making the Policy worth \$11,-

Iron in the Blood

MAKES THE WEAK STRONG.

The Persvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diar-

plaint, Dropsy, Chronic Diar-rhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Biadder, Female Complaints, and all diseases originating in a bad state of the blood, or ac-companied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not fol-lowed by corresponding reac-tion, but are permanent, infu-sing strength, vigor, and new life into all parts of the system, and building up in Iron Con-

Thousands have been changed by the use of this remedy, from weak, sickly, suffering crea-tures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitute to give it a trial.
