## City Intelligence.

**BADLY HURT.**—We regret to learn the  
condition of Mr. Norris, the Fair Ground  
keeper, who fell from a wagon recently,  
is no better, and that his mind seems to  
be impaired by his injuries. The doctors  
speak of having to trepan.

**HE WROTE HER A LETTER HOME.**—  
During the sitting of the last legislature  
a letter laid in the postoffice without  
postage for a long time. It was finally  
taken out by some of the members and it  
was a letter to his wife by one of the leg-  
islators. It went on to say, "Dear Betsy,  
I wish you could see what a nice room I  
am living in, and we have biscuits two  
times a day."

**ARRIVALS AT THE NATIONAL.**—Hon. G.  
W. Brooks, Elizabeth City; Aug. M.  
Moore, Edenton; Geo. Green, Newbern;  
Col. B. S. Gathers, Morganton; Hon. C. A.  
Cilly, Lenoir; Neil McKay, Jr., Harrell;  
Hon. Wm. J. Calk, Newbern; Mrs. M.  
Bayard Clark, Newbern; W. C. Conger,  
Baltimore; J. R. Wilkinson, Balti-  
more; P. C. Westmoreland, Baltimore;  
Ex. Gov. Z. B. Vance, Charlotte, and be-  
tween 40 and 50 others.

**COMPLIMENT TO THE PEACE.**—A Mason  
from Wayne county, who was the pro-  
cession that visited the Peace Institute  
yesterday evening, tells us that the word  
"delighted" doesn't half express the  
pleasure at their reception, and the enter-  
tainment that was given them. The young  
ladies went through gymnastics for them,  
and he says that a great num-  
ber of the Masons declared that this was  
the place for their girls, that they wanted  
their muscles as well as their minds trained.

**LIGHT HOUSE HUNTING CLUB.**—A bill  
has passed the House and gone to the  
Senate incorporating a party of gentle-  
men under the name of the Light House  
Hunting Club on Currituck beach near  
Wales Head. We learn they are a party  
of Northern gentlemen who have  
bought twenty-five hundred acres of  
marsh land and built a house upon it,  
and their pleasure is to shoot wild geese  
and ducks. They also ship a quantity of  
game to New York City. This bill al-  
lows these gentlemen no other privileges  
than they would have as individuals.

**VILL SHOOTING.**—Aunt Abby House  
lives one mile east of Franklin, on the  
Lenoir road. She will be eighty  
years old next Christmas day. She tells  
us that last Friday night three weeks ago,  
seven guns were fired into her house, one  
charge of buckshot came within an inch  
of her head. Rocks by the bushel were  
thrown in and upon the house. On the  
next night one gun was fired and bushes  
of rocks thrown into her house. We  
have never known such an outrage upon  
an aged woman. Aunt Abby thinks  
from the tracks there are some half dozen  
engaged in it, and they are of both colors.  
We want words to express our abhorrence  
of such cowardly and base conduct. If  
Holden were Governor, and Aunt Abby  
black, he would call out the militia.

**ALL ABOUT.**

It is rumored to-night that General  
Butler is at work canvassing for a new  
session on the 4th of March—Baltimore  
Eva, 8th.

A bear, dressed in the uniform of a  
Federal soldier, is perambulating the  
streets and attracting considerable atten-  
tion.—Augusta Constitutionalist.

The citizens of Wilmington will peti-  
tion the Governor to commute the death  
sentence of David Martin the boy mur-  
derer to imprisonment for life.

Within the memory of the oldest in-  
habitant so many bouquets have never  
gone over the N. C. railroad as within  
the past few weeks, in the direction of  
Charlotte.—Greensboro Patriot.

The Charlotte brass band have just  
returned from a trip to New Orleans.  
They were engaged by the Pennsylvania  
delegation of the Knight Templars, and  
while there serenaded the *Phrygane* office.

Miss Kellogg said to an interviewer in  
Louisville: "A young girl in training  
must make a covenant with her eyes and  
not look upon a man. I am now thirty-  
two years of age, and have never yet  
found time for beaux. I shall sing for at  
least four years."

We regret to learn that Mr. Geo. W.  
Nason, Jr., received a telegram yesterday  
summoning him to Boston, Mass., in con-  
sequence of the dangerous illness of his  
son, Adelbert M. Nason, caused by acci-  
dentally falling down a well hole in the  
store where he was engaged in business.  
Newbern Times.

The Emperor of China has recently  
decreed that special honors be paid to  
two old maids, one of whom lately died  
after a life of devotion to the memory of  
her betrothed, while the other, who is  
still living, declined in her youthful days  
to make a most tempting match on the  
ground that she could not leave her pa-  
rents.

Have the readers of the Sentinel ever used  
any of *Pungent Pills*? If not, why  
not? They are the best family physic, being a  
pure, gentle, and safe remedy there  
is in this country.

## RELIGIOUS.

The love of earth and the love of heav-  
en are like a balance—when one rises, the  
other falls.

An exchange says: "There are four  
clergymen elected to the next Congress,  
and if one of them would consent to serve  
as Congressional Chaplain it would be a  
saving to the Government of \$10,000 a  
year."

A North Carolina exchange says that  
one day last week, at Durham, in that  
State, Rev. J. D. Hufham, pastor of the  
Baptist Church in that place, and editor  
of the *Biblical Recorder*, at Raleigh, shot  
and killed two negroes with a rifle. The  
North Carolina papers speak of it as a  
simple occurrence.—*New York Republic*.

It is a "simple occurrence" that never  
occurred. No negroes have been killed,  
and Mr. Hufham hasn't shot a rifle in 13  
years. The question is that he could  
plug a barn door with one at 20 yards.  
At a recent love feast in the Methodist  
Church at Biddford, Me., two old maids,  
which were used by John Wesley in ser-  
vice in his church in England, were seen  
upon the table. When Wesley's old  
church was torn down, a sister of Mr. J.  
Goldsborough, of Biddford, being in  
England at the time, procured the maids  
from among the ruins. They are white in  
color, with blue landscape ornamentation,  
and will hold about six gifts each.

## PERSONAL.

Senator elect Sharon, of Nevada, is re-  
ported to have an income of \$5,000,000,  
gold.

A railroad ticket agent at Savannah  
has been presented with a watch for his  
civil answers to the public.

An infantry soldier in the Russian  
army carries 68 pounds, the English sol-  
dier 62 and the French 62, the Prussian  
61, the Swiss 59, the American 53, the  
Italian 53 and the Austrian 47.

Alec Brown, foreman of a plantation  
in Wilkes county, Georgia, has raised  
a stalk of cotton (Blant variety) contain-  
ing 674 bolls, of which 130 matured.  
The stalk was three feet six inches high  
and nine feet across as it lay on the  
ground.

The loafer's soliloquy:  
"When I think of what I am  
And what I used to be,  
I think I've trifled myself away,  
Without sufficient cause."

The game of billiards, three balls, 800  
points, for \$1,000, played Tuesday night  
in New York City between Cyrille Dion  
and Maurice Vagnaux, was won by the  
latter in the 67th inning, scoring 800 to  
Dion's 772.

Commander William G. Cushing, United  
States Navy, of Albemarle fame, who has  
been stationed at the Washington  
Navy Yard for some time has become in-  
sane, and was yesterday removed to the  
Government hospital in that city.

## THE LADIES.

The Duchess of Edinburgh is nursing  
her baby herself.

Miss Lotta, the actress, has purchased  
one of the lots on the "Stewart Circle,"  
Washington, for \$16,000.

A female book agent in Charlotte,  
Michigan, on the acquittal of the lawyer  
who ejected her from his office, picked  
up a heavy case and raised a wen on his  
head.

Albani appears to know how to take  
care of her voice. Her sister says that  
the day she sings she never speaks a  
word aloud. She denied herself every-  
thing in London.

The Duchess of Edinburgh was recent-  
ly presented with a splendid bound copy  
of the Holy Scriptures in imperial quarto,  
inclosed in a beautiful oaken casket. The  
volume was the gift of more than 8,000  
subscribers, residents of the United King-  
dom, and was presented by a deputation  
of fifteen ladies.

As a train on the Seaboard road had  
nearly reached the junction, the other day,  
an old lady suddenly shouted out:  
"Stop this train—stop here!" A passenger  
wanted to know what was up, and the  
old woman ran up and down the passen-  
way and excitedly exclaimed: "Where's  
the man who runs these trains? I've left  
a quart bottle of cold tea at Detroit." The  
train didn't back up.

**GOOD LUCK TO A SHERIFF.**—Sheriff  
Sikes, reprobition, of Bladen county, is in-  
debted for a piece of good luck to having  
one democrat on the board of county  
commissioners. It seems that the Sheriff  
a year or so ago paid in to the Auditor  
six hundred and thirty dollars more tax  
money than was really due. This mis-  
take was made by the Register of Deeds  
in summing the columns up, and in the  
last election, a democrat chance to be  
elected on the board, who soon discovered  
the mistake and let the Sheriff in to be-  
ing a half thousand dollars better off  
than he ever imagined. A bill has been  
prepared in the Senate to pay back the  
Sheriff his six hundred and thirty dollars,  
and he will return home enriched by  
democracy.

Bishop Marvin leaves to-night for Spar-  
tanburg, S. C.

## General Assembly of North Carolina.

DECEMBER 10TH, 1874.

President Armfield in the chair.

Baptist Church.

proved.

Mr. Graham presented petition asking  
prohibition of liquor within two miles of  
Kidd's Chapel in Lincoln county.

Mr. Graham asked leave for Senator  
Parish on account of sickness in his fam-  
ily. Granted.

## COLORED MR. BRYANT.

Colored Mr. Mabson asked leave of ab-  
sence for colored Mr. Bryant. Granted.

## STATE GEOLOGIST.

Senate concurred in House resolution  
asking the State Geologist the manner of  
disposition of the \$5,000 appropriation  
for 1873 and 1874. Afterwards amended  
that the Geologist be asked to make a  
full report.

## ATTORNEY GENERAL.

Mr. Williamson introduced a bill to  
amend Battle's Revisal that the Attorney  
General shall take security in the pro-  
secution of suits. Referred.

## SAMPSON.

Mr. Kerr, a bill to repeal all the act  
changing Sampson county from the 4th  
to the 5th judicial district. Referred.

## SHERIFF OF GREENE.

Mr. Suggs, a bill allowing Sheriff of  
Greene to settle taxes for 1874. Rules  
suspended and bill passed 3d reading.

## THIRTY MINUTES RULE.

Resolution came up limiting speeches  
to thirty minutes at a time. Mr. Cant-  
well declared he never heard the like,  
that there was no rule like it in any Sen-  
ate in this Union, and he asked the Sen-  
ate and nays. Granted. Ayes 27, nays 16.

## THE COTTON LAW.

The cotton bill prohibiting the sale of  
cotton between sunset and sunrise, with  
the substitute making it unlawful to buy,  
receive or deliver, price or no price, in  
any shape or form, was upon third read-  
ing. The substitute was adopted. Mr.  
Williamson regretted that his amendment  
including leaf tobacco had been left out  
by the committee. The bill passed the  
third reading.

## THE MAGISTRATE BOND BILL.

Mr. Parker's magistrate bond bill was  
up for third reading. The bill was pro-  
ficient of much debate. Senator Linney  
strongly opposed it. Senator McElroy  
spoke warmly against it. He declared  
that he was not ashamed for his name to  
go to his constituents side by side with  
the name of Mr. Cantwell, against this  
bill. He considered Mr. Cantwell right  
in his vote for one time, and that some  
good could come out of Nazareth—occa-  
sionally. Mr. Waring explained his  
vote in favor of the bill, not as a re-  
flection on his constituents whose interests  
he always fairly represented the interests  
of the people, but he voted for the bill  
merely for the relief of the Eastern people.  
Mr. Morehead favored the bill for the  
same reasons. Mr. Graham favored the  
bill for relief of the East.

Mr. Cooke's amendment to this bill  
bouding the magistrate in \$250 was  
adopted, and the bill passed third read-  
ing, ayes 26, nays 19.

## EX GOV. VANCE.

was on the floor of the Senate this morn-  
ing.

## WAYNE COURTS.

On motion of Mr. Bunbee the Senate  
concurred in House bill providing addi-  
tional terms of Superior Court for Wayne  
county. Passed several readings.

## REFUNDING TO SIKES.

Bill passed Senate, 3d reading, to re-  
fund Sheriff Sikes, of Bladen, \$630 over-  
plus of taxes he had paid to the Treas-  
urer.

Senate adjourned till to-morrow at 11  
o'clock.

**HOUSE OF REPRESENTATIVES.**  
December 10th, 1874.

Mr. Speaker Robinson called the House  
to order at 11 a. m.

Prayer by the Rev. Dr. Pritchard of the  
Baptist Church.  
Journal of yesterday read and approved.

Mr. Cantler, petition concerning Kim-  
berly Chapel, Bladen county.

Mr. Green, a memorial from the citizens  
of Watauga praying a road from Boone,  
Watauga county, to the Watauga and  
Caldwell Turnpike.

Mr. Wheeler, petition from sundry citi-  
zens of Forsyth county for the preven-  
tion of netting partridges.

## STANDING COMMITTEES.

Messrs. Finger, Shackelford, McIvor,  
Tate, Walker, Mendochall, Patton and  
McRae, submitted reports from their sev-  
eral committees.

## RESOLUTIONS.

Mr. King, resolution in favor of Sheriff  
Cooper, of Graham county. Calendar.

## BILLS.

Mr. Green, bill for the construction of a  
road from Boone to the Caldwell and  
Watauga Turnpike.  
Mr. Mizzell, bill to amend an act passed  
11th February, 1874.  
Mr. Griffin, an act to amend chap. 270,  
sec. 9, laws 1868-69, Battle's Revisal.

Carey, col., bill exempting from tax-  
ation all wheat, corn, cotton and tobacco,  
Mr. Mizzell, bill amending sec. 1, chap.  
48, Battle's Revisal.

Mr. Glenn, an act to amend sec. 150,  
chap. 33, Battle's Revisal.

Mr. Fields, an act in relation to costs  
and criminal actions.

Mr. Fields, an act to amend section 2,  
chapter 192, Battle's Revisal.

Brewington, col., an act amending sec-  
tion 35, chapter 68, Battle's Revisal.

Mr. Mizzell, an act to amend an act  
passed the 19th day February, 1874.

Mr. Latta, a bill prohibiting sale of  
liquor within two miles of Knapp of  
Reeds church, Orange county.

Mr. Johnson, a bill in relation to roads,  
ferries and bridges.

Mr. Richardson, a resolution in favor of  
K. Haynes, Sheriff of Robeson county.

All of the above bills were referred to  
their appropriate committees.

A message was received from the Sen-  
ate transmitting back House bill in regard  
to extension of time to Sheriff for the  
collection of taxes. The House refused  
to concur with Senate amendments and  
a committee of conference was requested.

Mr. Green, bill exempting ministers of  
the Gospel from work on the public  
roads. Referred.

Mr. Strong, an act providing for a term  
of court for Wayne county for criminal  
and civil actions commencing on the first  
Monday in January, by consent the rules  
were suspended and the bill taken up  
and passed its several readings.

Upon motion of Mr. King the rules  
were suspended, and the resolution for  
the relief of the sheriff of Graham county  
was taken up. (It allows him until 20th  
May to settle his taxes.) Mr. King stated  
that it was from no remissness of duty;  
he had been here to settle his taxes, but  
on account of certain abstracts not to be  
had in the Auditor's office, he could not  
do so. The resolution was adopted.

On motion of Mr. Hooker the rules  
were suspended, and a bill allowing sher-  
iff Harper, of Greene county, to settle  
with the Auditor, passed its several read-  
ings.

On motion of Mr. Boyd the bill amend-  
ing the law in regard to fines and impris-  
onment, allows insolvent debtors oath in  
cases when necessary in criminal actions  
in the Superior Court. Mr. Boyd ex-  
plained the merits of the bill.

Mr. Green, an amendment allowing the  
same oath before a Justice of the Peace.  
After further discussion the bill was  
recommitted to the Committee on  
Judiciary.

**CALENDAR.**  
Bill in favor of small farmers in Craven  
county, came up. It provides for a fence  
extending to the rivers, &c., to restrain  
stock. An unfavorable report from the  
committee accompanied the bill.

Goode, (col.) Brewington, (col.) and  
Hill, (col.) advocated the bill with much  
earnestness, after which it was recom-  
mended to the Committee on Propositions  
and Grievances on motion of Mr. Dula.

Bill in reference to sheep killing dogs.  
This bill created considerable diversity  
of opinion. It was favorably reported  
upon by the Judiciary Committee. Sev-  
eral amendments were offered and reject-  
ed. The law in this bill remains the  
same only in addition to the fine a mis-  
demourner is added. It passed its several  
readings.

Bill in regard to the inspection of wood  
and coal in the city of Raleigh. It pro-  
vides for the repeal of the law creating  
the office of Inspector. Mr. Stephenson  
lucidly explained to the House the ob-  
jects of the bill, and the hardships en-  
tailed both upon the sellers and buyers  
of wood especially—the great trouble at-  
tending therewith by having to haul a  
load of wood to the centre of the city—  
the delay of the drivers and teams in  
hauling up the Inspector, &c. It was a  
pronounced nuisance to all concerned,  
causing the price of wood (by the coun-  
try people's staying away from the city  
on account of this vexation) to advance  
to a double price.

Mr. Oaksmith concurred with Mr. S.,  
when the bill passed its several readings  
without a dissenting voice.

Bill in regard to homesick exemptions  
passed its several readings. It prevents  
the re-employment of the homesick when  
the same has been laid off by the sheriff.

**LEAVES OF ABSENCE.**  
Mr. Finger asked leave of absence in-  
definitely for Mr. Jettan. He announced  
that Mr. Reil, of Mr. Mckenburg was  
absent on account of sickness.

Mr. Pinix asked leave of absence for  
Mr. Mosely five days from to-day on im-  
portant business.

Mr. Green, for Mr. Harrison until Mon-  
day—sickness.

Mr. Trivett, for Mr. Scott, until Tues-  
day—sickness.

Goode, (col.) for Jones, (col.) of Hall-  
fax, until Tuesday.

Mr. Latta, for Mr. Atwater—important  
business three days.

On motion of Mr. Boyd the House then  
adjourned.

Pond's Extract affords immediate relief in  
all cases of acute pain. This is strong  
language, but the experience of twenty-five  
years is its true test. Try it!
